pure and powerful Tonic, corrective and alternative of wondertol efficacy in disease of the STOMACH LIVER AND BOWELS. Cures Dyspepsia, Liver com-plaint, Headache, General Debility, Ner-plaint, Headache, General Debility, Nerousness, Depression of Spirits, Constipa tion, Colic, Intermittent Fevers, Cramps

and Spasms, and all complaints of either Sex, arising from Bodily Weakness ether inherent in the system or produced by special causes.

Nothing that is not wholesome, genial and restorative in its nature enters into the composition of HOSTETTER'S STOM-ACH BITTERS. This popular preparation contains no mineral of any kind, uo deadly tanical element; no fiery excitant; but is a combination of the extracts of rare balsamic herbs and plants with the purest and mildest of all diffusive stimulauts.

It is well to be forearmed against disease and, so far as the human system can be they can obtain a protected by human means against malales engendered by an unwholesome almosphere, impure water and other external causes, Hostetter's Bitters may be relied on as a saleguard.

It will seek to awaken the minds of the people to a proper sense of the actual condition of the Republic-to present to them, trathfully, the fearful perils in which we stand as a nation-to exhibit the magnitude of the task that lies before them, if they would check our downward progress-and to inspire them with patriotic determination to apply the remedy for our national ills. In belief, it will in all things, aim to be the faithful exponent of Democratic principles, and to render itself worthy to be an organ of the democratic party, under whose auspices our country prospered so long and so well. The restoration of that party-the party of the Constitution and the Union-to power in the legislative and executive governmental branches of the State and of the Union, we believe to be necessary to avert anarchy, and the otter rain of the Republic. To contribute to that restor ration will be our highest aim.

The news, literary, commercial and other departments, will receive due attention; and will be so conducted as to make "The Age" worthy of the support of the general reader.
