

A load of dry wood is wanted at this office. Who will bring it?

A few bushels of potatoes will be taken at this office on subscription. The highest market price will be allowed.

Mr. L. T. SHARPLESS is still selling off his entire stock of goods at cost. Give him a call, and examine his stock.

On account of no organization yet being effected in the Senate, nothing of interest has transpired in the House.

Mr. LOWENBERG has received a new and splendid stock of goods for his Clothing Store.

We notice preparations are being made for the establishment of a Bank in this place. We learn the stock has all been taken, principally by our citizens.

Mr. S. B. MILLER keeps constantly on hand a splendid stock of Goods. He never allows his stocks to get low. He sells cheap for cash or produce.

In to-day's Star will be found the quota of Columbia county for the next draft. Commissioner Grier of Danville has kindly furnished the editors of this place with a copy of the quota.

Court commences in this place on Monday next. February term is generally a pretty good Court for the printers in the way of making collections, so let us see how well our patrons will respond to our wants.

VOLENTARIERS is going on quite briskly, we notice, in some places; and so long as large bounties continue to be paid men will be had. The bounty paid in some places, exceed seven hundred dollars.

At present, Monday, the weather seems very much like spring. All indications are that we will have a general break up of the roads. We should be very sorry to see it so soon in the season. A little sleighing first would suit the majority much better.

WATCHES & JEWELRY.—We would direct the attention of the public to the Watch and Jewelry establishment of our worthy townsman, HENRY ZEPFINGER, situate on Main Street. He is a reliable and skillful workman; and keeps constantly on hand Watches and Jewelry, which he will dispose of cheap for cash. Give him a call.

LACKAWANNA & BLOOMSBURG RAILROAD.—This Road has issued a new Time Table, which took effect on Monday 18th. The first class passenger train will pass this place, going South, at 8.25 P. M., and the train going North will pass this place at 9.35 A. M. Slight changes are made in the running of the freight trains, also. The public will take notice.

Our Members at Harrisburg will please accept our thanks for Legislative documents. The Senate has not yet elected a Speaker; and the probabilities are that no one will be elected so long as the Senate stands as it does, as regards numbers. The Democrats are firm, the Abolitionists ditto. It is a perfect dead lock; and has been so nearly four weeks. Steps have been taken to secure the exchange of Senator White, who is a prisoner at Richmond, but as yet no effect. He is an Abolitionist.

Quota of Columbia County for the Next Draft.

Table with 2 columns: Name, Quota. Includes names like Jackson, Benton, Berkwick, Bloom, Briarclark, Catawissa, Centre, Conyngham, Fishingcreek, Franklin, Gresham, Hemlock, etc.

CAPT. A. S. THORNTON, of the 84th Pa. Reg't, gave us a call on Tuesday last. He has returned home on a furlough for a few days, when he will again join his Regiment, ready for the coming campaign, which, in our judgment, will set in early. The Capt. looks well and speaks encouragingly of our troops generally; and entertains explicit confidence in the ultimate success to our arms. Mr. THORNTON comes from Light Street, this county, and enlisted in the Heavy Guards as private, which Company he is, and has been, Capt. of for over a year.—This was Capt. FAUCI's old Company.

The two Abolition sheets of Danville have lately been purchased by J. S. BAILEY of Lancaster county, who has consolidated the two papers into one, calling it the Danville American and Democrat. The paper is a six column sheet, printed on brier type, making a tolerably good appearance. We think it, however, an improvement on either of the former Abolition sheets. We have not yet seen sufficient of the new paper to speak of its ability, but will venture to say, in politics it will tread in the paths of its predecessors. Success to it in everything save its politics.

The subscription of the Star is gradually going up. We have now a much better subscription than we had at the time of our discontinuing for the purpose of entering Old Abe's service. If our friends will only assist us a little in the way of increasing our list, it would not be long until we could be able to boast of the largest list in this section of country. Through our own exertions mainly we have kept the list of the Star up to what it is, which is to-day considerably larger, better-paying, than when we first took charge of it.

PERHAM'S INVALID SOLDIER NATIONAL HOME ENTERPRISE.

58 5 B BROADWAY NEW YORK.

MIRROR OF THE REBELLION.

The Most Complete and Magnificent War Exhibition East.

Devoted to raising Funds for a National Home.

100,000 TICKETS, AT \$1 EACH. A DONATION OF \$34,720 in Value's Property to the Ticket Holders.

JOSIAH PERHAM, Agent for the Proprietors, has the honor to announce a plan for creating a fund for the founding of a National Institution, to be a home for invalid, disabled, discharged soldiers.

The original number of Tickets issued for this object was 100,000, one third of which have been already disposed of in Boston, Mass. where the enterprise was first projected.

Each of the One Dollar Tickets is good for Four Admissions to the Mammoth MIRROR OF THE REBELLION, at 585 Broadway, New York City, or wherever else exhibited.

One half of the profits of the entire sale will be exclusively devoted and donated to the above named patriotic object.

According to the original advertised plan, a Mass Meeting of the ticket holders was held in Faneuil Hall, Boston, on Nov. 4th, and an adjourned meeting at the same place on Dec. 16th. The following named gentlemen were elected as a Board of Trustees, to receive the funds which may accrue from the novel enterprise, and to appropriate the same to this object in accordance with the plans of the originator: Gen John S. Tyler, Boston; his Excellency Governor James Y. Smith, of Rhode Island; Hon. Geo. Briggs of New York; his Excellency Gov. A. G. Curtis of Pennsylvania; Major Gen. P. Banks, of Mass.; Major Gen. O. O. Howard of Maine; his Excellency Gov. Richard Yates, of Illinois.

To speedily accomplish this great object, every wise means will be used by the projector to effect the immediate sale of the tickets; and he calls upon the loyal and humane to assist earnestly in carrying this noble and patriotic enterprise to a triumphant success.

Neither its importance, nor its feasibility, can be called in question. Let the people but respond in a spirit worthy of the project, and no obstacles shall delay its consummation.

Making the proposition in good faith, and ready to devote his whole energies to the great work, the projector firmly believes the tide of popular favor will flow in the desired direction, and accomplish the founding and insure the creation of a permanent National Institution, which shall be an asylum for the retired soldier, whose loss of health or limb is his diploma for heroic services performed in his country's cause, and which shall go down to the future generations a blessing to mankind and an enduring monument to the liberality of the loyal people.

By combining this enterprise with a public place of amusement of such well established high character and merit, the subscriber to the fund, while giving his money for the promotion of a great charitable design, may receive a full equivalent for the outlay in witnessing this splendid series of Paintings.

ATTRACTIVE BOUNTY TO PURCHASER.—To effect the speediest possible sale of these tickets, so that unnecessary expense may be saved, and the National Home Fund proportionately increased, a further inducement is offered as a bounty to purchaser.

As soon as the tickets shall have been sold in addition to one half the profits, as aforesaid, the following described property will be donated to the ticket holders, and placed in the hands of their Trustees, a distinct board having been chosen for that purpose, at the mass meetings held as above stated, and which consists of the following gentlemen who, on receipt of the tickets, will dispose of the same, in part or otherwise, as the ticket holders in mass meeting may direct—there to be no violation of law in such disposal: Hon. C. O. Rogers, Hon. C. W. Slack, Gen. Bobt Cowdin, Col. A. J. Wright, John C. Hayes, Esq., of Boston, Joshua Webster Esq., of Mapleville, Mass., Isaac S. Morse Esq., of Cambridge, Mass.

SCHEDULE OF DONATION PROPERTY To which the Ticket-holders will be entitled.

One general residence in the City of Rosbury, Mass. valued at \$10,000

Two Sewing Machines, at \$50 each, 100

Total, \$34,720

Due notice will be given of the next mass meeting of the ticket holders which will take place in New York City.

A National Home Ticket, costing one dollar, consists of five coupons, four of which are admissions to the Mirror, good at any time, and the other a certificate of an interest in the Enterprise, which the purchaser retains.

The admission coupon may be used separately, or all at once, as suits the convenience of the purchaser.

All communications on the subject, and all orders for tickets by mail, or express, should be directed to JOSIAH PERHAM, Agent, 585 Broadway, New York City.

PERSONS TAKING AN ACTIVE INTEREST in this charitable undertaking, by getting up clubs, will receive eleven tickets for every ten Dollars sent.

UNITED STATES 5-20'S.

The Secretary of the Treasury has not yet given notice of any intention to withdraw this popular Loan from Sale at Par, and until ten days notice is given, the undersigned, as "General Subscription Agent," will continue to supply the public.

The whole amount of the Loan authorized is Five Hundred Millions of Dollars. Nearly Four Hundred Millions have been already subscribed for and paid into the Treasury, mostly within the last seven months.

The large demand from abroad, and the rapidly increasing home demand for use as the basis for circulation by National Banking Associations now organizing in all parts of the country, will in a very short period absorb the balance.—Sales have lately ranged from ten to fifteen millions weekly, frequently exceeding three millions daily, and as it will be known that the Secretary of the Treasury has ample and unfailing resources in the Duties on Imports and Internal Revenue, and in the issue of the Interest-bearing Legal Tender Treasury Notes, it is almost a certainty that he will not find it necessary, for a long time to come, to seek a market for any other long or permanent Loans, the Interest and Principal of which are payable in Gold.

Persons who sell interest, must force the minds of those contemplating the formation of National Banking Associations, as well as the minds of all who have idle money on their hands, to the prompt conclusion that they should lose no time in subscribing to this most popular Loan.—It will soon be beyond their reach, and owing to the issue of the Interest-bearing result with the "Seven Thirty" Loan, when it was all sold and could no longer be subscribed for at par.

IT IS A SIX PER CENT LOAN, THE Interest and Principal payable in Coin, thus yielding over Nine per cent per annum at the present rate of premium on Gold.

The Government requires all duties on Imports to be paid in coin; these duties have for a long time past amounted to over a Quarter of a Million of Dollars daily, a sum nearly three times greater than that required in the payment of the interest on all the 5-20's and other permanent Loans. So that it is hoped that the surplus Coin in the Treasury, at no distant day, will enable the United States to resume specie payments upon all liabilities.

The Loan is called 5 20 from the fact that whilst the Bonds may run for twenty years, yet the Government has a right to pay them off by Gold at par, at any time after five years.

The Interest is paid half yearly, viz: on the first day of November and May. Subscribers can have Coupon Bonds, which are payable to bearer, and are \$50, \$100, \$500, and \$1000; or Registered Bonds of any denomination, and in addition, \$5,000 and \$10,000. For Banking purposes and for investments of Trust monies, the Registered Bonds are preferable.

These 5-20's cannot be taxed by States cities, towns, or counties, and the Government tax on them is only 1 1/2 per cent, on the amount of income, when the income of the holder exceeds Six hundred dollars per annum; all other investments, such as income from Mortgages, Railroad Stock and Bonds, &c., must pay from three to five per cent tax on the income.

Banks and Bankers throughout the country will continue to dispose of the bonds; send orders by mail, or otherwise, promptly attended to.

The inconvenience of a few days' delay in the delivery of the Bonds is unavoidable, the demand being so great; but as interest commences from the day of subscription, no loss is occasioned, and every effort is being made to diminish the delay.
