QUITE a good deal of sickness is prevailing in the country. Go where you may, and you will hear of more or less ailment, and especially among the little children --Fevers have been pretty prevalent this winter through this section of country. Also styptheria, but not in its most aggravated form.

R A. FUNDA, Esq., has taken the Superintendency of the Lackawanna and Bloomsbarg Railroad, and started out on his duties somment of on Monday last. Mr. Funda is one of the best men in the State to manage a Roilroad. He was Superintendent of the Cattawissa and Williamsport road for a number of years, and at present comes from the Elmira and Williamsport road. The Lackawanas and Binomsburg Railroad Company are fortunate in getting so competent a gentleman to take charge of their road in place of Mr. D. T Bound.

LIEUT. A. C. MENCH, appointed Recruiting Officer for this county, informs us that be has enlisted thirty odd men, who stand ready to receive a bounty and give credit to Bloom. We are told that the quota lor this township is long three. The number can be raised by paying a bounty of from \$200 to \$300. This would save a heap of trouble and expense hereafter. It is to the drah go off in his district.

Ose of the amendments to the original conscription bill is, the throwing of the two classes in one. The bill also provides for drafting all the nine mouths men. This may be all right, but we beg leave to differ with the authorities, when they make a law to torce those men into the service so soon .- LOWS. The nine months dralted man will have been but seven months at home before they will be called out again. This we deem not exactly just and fair.

Town MEETING -On Monday evening last the citizeus of Bloom township met in the Court House in this place to deliberate Ar on the coming draft. After the meeting became organized, by calling W. WIRT, Esq., to the Chair, and appointing DAVID LOWENBERG and RODMAN DRIVERS, as Secretaries, the object of the gathering was briefly stated, and a subscription commen- At ced as at the previous meetings, for the purpose of raising money sufficient to pay a bounty of not less than \$250 to each recruit connect with the Express train from Norwho will enlist for the purpose of filling the thumberland, arriving at Harrisburg at guota for the township, and thus avoid the draft. The meeting adjourned to meet on North'd, leaves immediately after the Ex-Tuesday evening.

In another column we publish the principal points in the conscription act as it ussed the House. There is no question bat what it will become a law as it now stands or with, if any, very slight alteration. | thomberland and Philadelphia.
