The Great AMERICAN TEA COMPANY,
51 YESKY STREET, NEW YORK;

Since its organization, has created a new era in the history of

Wholesale Teas in this Country. They have introduced their selections of TEAS, and are selling them at over

TWO CENTS (20 Cents) per pound above cost. Never deviating from the ONE PRICE asked.

Another peculiarity of the Company is that their Tea Taster not only devotes his time to the selection of the TEAS as to quality, value, and particular styles, but particular localities of country, but he helps the TEA buyer to choose out of their enormous stock such TEAS as are best adapted to his particular wants, and not only this, but points out to him the best bargains.

It is easy to see the incalculable advantage to a Tea Buyer in this establishment over all others. He is a Judge of Tea, or the Market, if his time is valuable, he has all the benefits of a well organized system of doing business, of an immense capital, of the judgment of a Professional Tea Taster, and the knowledge of superior selection.

This enables all Tea buyers—no matter if they are thousands of miles from this market—to purchase on as good terms here as the New York Merchants.

Parties can order Teas to be served by us as well as though they came themselves being sure to get original packages, true weights and boxes, and the TEAS are warranted as represented.

We issue a Price List of the Company's Teas, which will be sent to all who order it, comprising

Hyson, Young Hyson, Imperial, Gunpowder, Twankay and Skin.
OO LONG, SOUCHONG, ORANGE & HYSON PEKOE.
JAPAN TEA every description, colored and uncolored.

This list has each kind of Tea divided into FOUR CLASSES, namely: CARGO, high CARGO FINEST, that every one may understand from description and the prices annexed that the Company are determined to undersell the whole Tea trade.

N. Y. WEEKLY NEWS.

The cheapest and best New York Newspaper. Only one dollar per annum. Eighty-four columns. A complete record of events. Benjamin Wood, editor and proprietor. Published at No. 19 City Hall Square, Daily News Building, New York City.

THE NEW YORK WEEKLY NEWS is unrivaled in its ability and enterprise as a public organ.

EVERY DEPARTMENT is most efficiently conducted, so as to form a weekly record of events political, commercial, financial and literary, throughout the World. In addition to this it contains all the Domestic Intelligence of each week and full reports of every matter of public interest.

As a political Journal the Weekly News will be found on the side of the Constitution of the country as it was framed and established by the Fathers of the Republic, and will scan with care and fidelity every public act that may tend to the violation of the letter and spirit of that instrument of our liberties. It prefers the

POLICY OF PEACE to a ruinous and exhausting system of War. Insisting upon the truth of the principle embodied in the Declaration of Independence, that the just powers of the Government are derived from the consent of the governed, it urges the preservation of the fundamental principles of liberty, inviolate, as more sacred importance than national grandeur or consolidated power under despotism without the pale of established law. On all questions of national importance it is the inflexible champion of the rights of citizens, as guaranteed under the instruments by which they have succeeded to be governed. It therefore boldly avows its purpose to sustain the Freedom of Speech and of the Press, with the view to protect the rights of the individual against the encroaching dogmas of theorists who contemplate a modification of the democratic principles which to this time have been sustained against every effort to overthrow them. In all matters pertaining to Government the purpose of this newspaper is to protect the people from intemperance and rash legislation, and to hold out public services to a strict accountability for their conduct in their exercise of the machinery of power. To this end the most careful attention will be given to all Federal and Legislative laws, and a firm and impartial examination of every new proposed proposition may be expected as the only means of protecting the people from an abridgement of their rights.

COMMERCIAL & MARKET REPORTS are given in the most succinct yet complete manner. They claim particular notice for their fidelity and truth, and all those who desire to comprehend the exact financial condition of the country should not fail to examine the views which will be found in this department of the journal.

THE FOREIGN CORRESPONDENCE will be found especially interesting and instructive, being derived from some of the ablest minds in Europe must be read with the utmost care by those who desire to comprehend that diplomacy of the Governments of the Old World.

In all other respects **THE WEEKLY NEWS** will be found to meet the public demand. It is the special object of the Proprietor to render it a valuable and entertaining.

FAMILY NEWSPAPER, pure in its moral influence, enabling in its character, and satisfactory to that large class in the community who desire to see the Public Press treat all public questions with arguments expressed in courtesy and candor, thought, at the same time, with the spirit due to the themes discussed.

By reference to the terms of The New York Weekly News it will be noticed that it is by far the cheapest newspaper in the world, and the Proprietor feels that he may invite those who approve of its principles and conduct to use their influence in adding to its present large circulation.

PROSPECTUS FOR 1864.

LIBERTY AND UNION NOW AND FOREVER.
THE EVENING POST.

This Journal, which is now in the sixty second year of its existence, is a thoroughgoing, independent and fearless advocate of genuine practical democracy. It maintains the equal right of all men to justice and freedom; it earnestly approves the war for the Union; it holds up the hands of our soldiers in the field; and it opposes peace at any price, whether offered, as at the South, or covertly sneaking as at the North. At the same time it is the enemy of all undue exercise of power, or all kinds of political jobbery and corruption, and insists upon economy in expenditures, and a strict adherence to the constitution.

Throughout the war it has advocated the most vigorous prosecution of it, but as the war draws to a close political questions take the ascendant. A more stupendous, difficult and interesting problem was never presented to any people, than that of the restoration of the revolting states to their allegiance. It will require all the statesmanship and wisdom of the nation to bring it to a satisfactory solution. On that point the "Evening Post" will take definite grounds, and endeavor to bring about a condition of universal freedom and real democracy. Pledged to no party, and looking only to the interest of the whole country, it will use whatever energy and influence in the defence of the great principles of human right and human elevation which lie at the foundation of our institutions.

It aims chiefly, however, at being a good newspaper. In its columns will be found a complete History of the war, all important political or State Documents entire, records of European Intelligence, and news from all parts of the world, accurate reports of financial and commercial matters, trustworthy Correspondence, and a carefully selected Literary Miscellany, comprising Poetry, Reviews of new Works, with literary extracts, Tales gossip and anecdotes.

WHITE MEN MUST RULE AMERICA.

THE CHEAPEST PAPER PUBLISHED. FORTY-EIGHT columns of reading matter per week for \$1 20 per year. The only New York Paper made up exclusively for country circulation; and, the news of the week, with foreign, produce, and other market, carefully reviewed.

The New York Day-Book for 1864. White Men's Liberties—State Rights—Federal Union. The New York Day-Book is an independent, Democratic Journal, holding with the late Senator Douglass, that "this government is made on the white man and their posterity forever." It is a large double sheet, with forty eight columns of reading matter, and in all respects—whether for Markets, news, Literary or Agricultural information—is not inferior to any as a political or family newspaper. In its political department, it grasps boldly and with real feeling before the American people, and presents the only philosophy of it which can resist the sweeping march of Abolitionism. It is Democratic in the true sense of the term—the defender of the people's rights, but it is the upholder of no party, chicaneur or trick system.

It is not only for the benefit of white men and permanent peace can be obtained, and glorious white man's government of Washington restored, viz: by the utter rout, overthrow, and extermination of Abolitionism from American soil.

The only weekly political paper in New York city made up exclusively for country circulation. All the columns are re-hashed from the columns of some daily paper, which renders it almost impossible to give so complete and general a summary of the news as in the other case. Persons about subscribing should take this into consideration. Democrats, also, must see to it that some paper are circulated among the people, or Abolitionism will never be put down. All who desire to refute the arguments of Abolitionists, should read The Day Book.

TERMS—One copy one year, \$2 00
Three copies one year, \$5 00; Five copies one year, \$7 50; Ten copies one year, \$12 00. One to the getter up of the club, \$24 00. Twenty copies one year, and one to the getter up of the Club, \$24 00. Additional copies each \$1 20.

The name of the post-office county, and State, should in all cases, be plainly given in every letter. Payments always in advance, and all papers will be stopped when the time of subscription paid for expires.

Address, VAN EVRINE, HOKTON & CO., 162 Nassau St., New York.

Special Orders.—We desire this year to place before a million of northern readers the great journal "The Day Book" teaches on the question of the Races. We confidently believe if this Journal were placed in the hands of one half of the voters of the northern States between this time and November, 1864, the Democrats could not fail to carry the next presidential election. We therefore make the following offers, not in the light of prizes, and not even because it will be profitable, for we can scarcely afford it—but solely to seem a wide dissemination of the views which we profoundly believe will save our country.

Clubs of Twenty.—For a club of 20, besides the extra paper now offered, we will send a copy of Dr. Van Evrine's great work on "Negroes and negro slavery," the third edition of which is just ready. Price One Dollar.

Clubs of Fifty.—For a club of Fifty subscribers, at \$10, we will send our extra paper, and a complete set of our Anti Abolition Publications, the price of which, taken together amount to \$2 75.

Clubs of One Hundred.—In relation to Clubs of one hundred, we will say this: Whoever will send us one hundred subscribers at one time, the club to be sent to one address, and begin and end at the same time, will receive the papers at \$100. November 18, 1863.

PROSPECTUS OF "THE AGE"
A NATIONAL DEMOCRATIC NEWSPAPER.

TO be published Daily and Weekly in the city of Philadelphia, by A. J. GLOSSBRENER & Co. It will freely and fairly discuss all legitimate subjects of newspaper comment, including, of course
