WESLEY WIRT, Esqr., is absent for a few days, attending Court in Sultivan County.

Just So .- The Springfield Republican says, "the attempt of some of the administration papers to deny, cover up and excuse the recently discovered frauds upon the Government is monstrous. It is as ab. sord as it is wicked." Just so ! Almost as bad as the frauds themselves.

THE Sunday School Scholars of the M. E. Church of this place, gave an exhibition on Saturday evening last, at their Church; the proceeds of the exhibition we understand were applied to the Missionary cause.

In publishing the property of J. G. Noble in last week's STAR we gave more properly than the original levy set out The alteration has been duly made. Berwick Gozette will please compare.

Tus Abolitionists are doing all in their power to slander Majon Gen. George B. McCLELLEN. This popular General has the inside track for the next Presidency.—

"That's what's the matter." They fear opened his OLDESTABLISHEDTAILORING SALOON.

Jon Wose .- Any person wishing handbills printed, with neatness and dispatch. and upon reasonable terms, will do well by giving the Sran office a call. We are prepared and will engage to execute, any kind of a job this section of country may de-

Danier, W. Rossins, of this place, has just received a new stock of superior liquors which he will sell reasonable for cash. He keeps constantly on hand all kinds of liquors. Dan deals in an article fit to seil to the community.

Tuz Executors of the estate of Matthew McDowell, deceased, offer for sale several tracts of real estate, besides Nescopeck Bridge Stock, in the Star. Attention is directed to the advertisement.

Washington's birth day, the 22d of February, was observed in this place by the firing of cannon for some 30 or, 40 rounds. It was the work of some of our returned soldiers. The reports were heavy for so small a piece. Aside from this, the day passed as other days usually have done .-In the evening the young enjoyed themseives at Majon WM. B. Koons, participating in the exercises of a cotillion party.

Our Quota .- Our chizens are making an effort to raise bounty money enough to secure volunteers to fill the quota of the Borough. As we go to press the probabili ties are that they will be successful. We hope they may. Other localities would do well to make a similar effort. The Government is determined on having the men this time. - Berwick Gazette.

POST OFFICE APPOINTMENTS .- The Post Master General has lately made several changes in the Post Offices in this county, which seem proper and right. At the Forks, has been appointed vice Sylvester Pealer .-At Roaringcreek, Locust twp., Mr. Jacob YEAGER has received the office vice William Roat. These changes no doubt are for the better. There are several others in the co , which need straightening up, and not a thousand miles from this place.

No DRAFT IN BLOOM .- The citizens of this township have at last succeeded in avoiding the draft. The quota has been raised by volunteering; and the boys are already in the service. They received a bounty of \$250 each, besides the government bounty. which is \$402 for veterans and \$302 for raw recruits. This township's quota was 44, which is now made up and mustered Leave North'd. in service. Other townships are doing likewise. Scott, we are informed, has raised her quota.
