> The New York Day-Book. for 1864. White Men's Liberties--State Rights-Federal Union.

The New York Day-Book is an independent. Democratic Journal holding with the late Senator Douglas, that "this govern ment is made on the white basis, by white men, for the benefit of white men and their posterity forever." It is a large donble sheet, with farty eight columns of reading matter, and in all respect-whether for Markets, news, Literary or Agricultural information-is not inferior to any as a political or lamity newspaper. In its politie cal department, it grapples boldly with the real question before the American people, and presents the only philosophy of it which can resist the sweeping march of Abolitionism It is Democratic in the true sense of the term-the detender of the people's rights, but it is the upholder of no party chicanery or trickery. It is not only for peace, but it shows how, and how only, permanent peace can be obtained, and the glorious white man's government of Washington restored, viz : by the atter route, overthrow, and extermination of Abolitionism from American soil.

The Day Book is now the only weekty above house has lately been tefitted and political paper in New York city made up undergone a thorough repairing by the pro- exclusively for constry circulation. All the others are rehashed from the columns of the travelling custom as well as the local some daily paper, which renders it atmost with general satisfaction, His TABLE and impossible to give so complete and general BAR, are well supplied and will be careful- a summary of the news as in the other ly superintended. # PROSPECTUS OF "THE AGE,"

A NATIONAL DEMOCRATIC NEWSPAPER.

ESPECTULLY offers his professional services to the brenner & Co. 'The Age" will advocate Inter tadies & gentlemen of Blooms- the principles of the Demoratic party, and burg and visinity. He is prepared to attend will, therefore, necessarily favor the re-toto all the various operations in Dentisiry, ration of the Union as it was, and defend and is provided with the latest improved the Constitution of the United States, and

It will freely and fairly discuss all legitimate subjects of newspaper comment, in-Mineral plate and block teeth manufac - cluding, of course, and pre-eminently at tured and all operations on teeth-carefully this time, all questions connected with the existing unhappy condition of our country. It will fearlessly criticise the public acts ways on hand. All operations on the teeth of public servants and defend the legal and constitutional right of individual cutzens and of sovereign States, against assaults from any quarter.

It will seek to awaken the minds of the people to a proper sense of the actual condition of the Republic-to present to them, trothfully, the fearful perits in which we stand as a nation-to exhibit the magnitude of the task that lies before them, if they would check our downward progress-and to inspire them with patriolie determinaion to apply the remedy for our national ills. In belief, it will in all things, sim to be the faithful exponent of Democratic priuciples, and to render itself worthy to be an organ of the democratic party, under whose proof. Twice a month applied on boots auspices our country prospered so long and shoes, and once a month for harress and so well. The restoration of that party-the party of the Constitution and the Union-to power in the legislative and executive governmental branches of the State Directions for use .- Apply a few drops and of the Union, we believe to be neceson a sponge, rub it slowly over the leather, sary to avert anarchy, and the utter ruin of the Republic. To contribute to that restoration will be our highest aim.

The news, hierary, commercial and other departments, will receive due attention, and will be so conducted as to make "The Age" worthy of the support of the general reader.

The many difficulties now surrounding generous support, and to ask for "Tto Age" a liberal paironage and extended cis

The preparatory arrrangements warranted the issuing of the first number of the Daily Age in the month of March 1863, and
