

STAR OF THE NORTH

BLOOMSBURG, PA.

WEDNESDAY MORNING, MAR. 9, 1864.

A LOAD OF BAY WOOD will be taken at this office on subscription to the Star.

Read advertisement, in another column of the Star, of splendid new books, for sale cheap.

Mrs. FANNIE K. WEAVER will make public vendue of her personal property, at her residence, on Rock Street, Bloomsburg, on Friday next.

Hon. John C. Ellis has our renewed thanks for documentary favors. Mr. E. is a faithful and worthy member, and soundly democratic.

The roads at present are in a horrible condition. We have not seen them so bad in a long time. Certain places it is almost impossible to get through with a loaded team.

The time for paying the Government bounty to volunteers has been extended to the first of April next. In consequence of this the draft will not be made on the 10th inst. as was ordered.

THE FIRST NATIONAL BANK OF BLOOMSBURG, commenced operations on Monday last. Capital \$50,000. This institution will be quite a convenience to our business men.

On Sunday morning last Mr. Jacob Diehl, of this place, lost one of his best horses—a fine, valuable iron-gray horse. We drove the horse on Saturday just previous to his death, when the animal appeared lively and in good condition.

We notice several townships in this county are still at work raising their quotas of volunteers to avoid the Draft. Local bounty paid is \$250. This with the bounty paid to veterans by the Government will amount to \$652.

The Northumberland County Democrat has lately added some three hundred new names to its subscription list,—the effects of the mobbing, which it received a short time ago, by the soldiers, instigated by the Abolitionists of that place.

JOHN CHAMBERLIN, of the "Iron Guards," but doing duty in the SIGNAL CORPS of the Army of the Potomac, arrived home at this place, on a furlough, a few days since, looking first-rate. He is one of the first volunteers from Bloomsburg, and son of John M. Chamberlin, Esq.

JOHN WOOD—Any person wishing hand-bills printed, with neatness and dispatch, and upon reasonable terms, will do well by giving the Star office a call. We are prepared and will engage to execute, any kind of a job this section of country may demand.

The Local Senate, of this place, is in full blast every Wednesday evening. To hear its members discussing certain measures one would come to the conclusion that the "fire-eaters" of the South and the "Abolitionists" of the North were at work. There are some very good Union men belonging to this institution as well as some very bad ones.

The Administrator, HIRAM K. KLINE, of Thomas Linger's Estate, sold the last tract of land of said estate, on Saturday the 5th inst., to Wm. Loxe, inn-keeper at Epy, Columbia county. The land is situated in Orange township, and in a pretty fair state of cultivation. The tract contains ninety four acres.

The Township Elections will take place, in this county, on Friday the 18th inst.—This is a matter of considerable importance, to see that good and competent men are selected to perform the duties pertaining to our local offices. A Constable, Judge, Overseer, School Directors, Supervisors, and a number of other officers, are to be made by ballot. In this township Oer-eer is quite an important matter, as well as is the selection of Supervisors. Our streets and alleys need looking after. They never were in a more wretched condition than they appear to be in this Spring. Under the supervision of the late men who had control of that matter they did not improve but retrograded.

We bear a great deal of complaint in certain portions of this county about the non-arrival of newspapers. We have frequently been written to on this subject, and are beginning to get tired of listening to this old complaint. Abraham Lincoln has a lot of Postmasters in this county whom we should suppose know their duty, but we most egregiously fail to perform it, in many instances. We could, if we thought it would do any good, name several offices, in this county, where we direct papers to every week, at which offices our paper does not arrive one half of the time, or at least it is not delivered to the patrons when they call. There is a Club of that staunch Democratic newspaper, known as the New York Daily Worker, taken at the Still Water office, this county, which is not received every other week. Single papers, of the same Democratic faith, seem to get through, but the large package very frequently fails. Now, where lies the fault? Is it with the Postmaster, at New York, Philadelphia, Bloomsburg, or where? There evidently is some Abolition Postmaster detaining and suppressing newspapers on the line! He should be ferreted out and banished to the Isle of St. Domingo, for a term of years, or at least till he learned not to violate the laws of his country. This matter of knowingly and wilfully violating post office laws, is no small affair, when justice can be meted out to the offenders. Friends, be on your guard, we'll desert the guilty person in the course of time.

PERHAM'S INVALID SOLDIER NATIONAL HOME ENTERPRISE.

585 B ROADWAY NEW YORK. THE MIRROR OF THE REBELLION. The Most Complete and Magnificent War Exhibition Ever. Devoted to raising Funds for a National Home.

100,000 TICKETS, AT \$1 EACH. A DONATION OF \$34,720 in Value's Property to the Ticket Holders.

JOSIAH PERHAM, Agent for the Proprietors, has the honor to announce a plan for creating a fund for the founding of a National Institution, to be a home for invalid, disabled, discharged soldiers.

The original number of Tickets issued for this object was 100,000, one third of which have been already disposed of in Boston, Mass. where the enterprise was first projected.

Each of the One Dollar Tickets is good for Four Admissions to the Mammoth MIRROR OF THE REBELLION, at 55 Broadway, New York City, or wherever else exhibited.

One half of the profits of the entire sale will be exclusively devoted and donated to the above named patriotic object.

According to the original advertised plan, a Mass Meeting of the ticket holders was held in Faneuil Hall, Boston, on Nov. 4th, and an adjourned meeting at the same place on Dec. 16th. The following named gentlemen were elected as a Board of Trustees, to receive the funds which accrue from the novel enterprise, and to appropriate the same to this object in accordance with the plans of the originator: Gen. John S. Tyler, Boston; his Excellency Governor James V. Smith, of Rhode Island; Hon. Geo. Briggs of New York; his Excellency Gov. A. G. Curtin of Pennsylvania; Major Gen. N. P. Banks, of Mass.; and Gen. O. O. Howard of Maine; his Excellency Gov. Richard Yates, of Illinois.

To speedily accomplish this great object, every wise means will be used by the projector to effect the immediate sale of the tickets; and he calls upon the loyal and patriotic to assist earnestly in carrying this noble undertaking forward to a triumphant success.

Neither its importance, nor its feasibility can be called in question. Let the people but respond in a spirit worthy of the project, and no obstacles shall delay its consummation.

Making the proposition in good faith, and ready to devote his whole energies to the great work, the projector firmly believes the tide of popular favor will flow in the desired direction, and accomplish the founding and insure the creation of a permanent National Institution, which shall be an asylum for the retired soldier, whose loss of health or limb is his diploma for heroic services performed in his country's cause, and which shall go down to the future generations a blessing to mankind and an enduring monument to the liberality of the loyal people.

By committing this enterprise with a public place of amusement of such well established high character and merit, the subscriber to the fund, while giving his money for the promotion of a great charitable design, may receive a full equivalent for the outlay in witnessing this splendid series of Paintings.

ATTRACTIVE BOUNTY TO PURCHASER.

To effect the speediest possible sale of these tickets, so that unnecessary expense may be saved, and the National Home Fund proportionately increased, a further inducement is offered as a bounty to purchaser. As soon as the tickets shall have been sold, in addition to one half the profits, as aforesaid, the following described property will be donated to the ticket holders, and placed in the hands of their Trustees, a distinct board having been chosen for that purpose, at the mass meetings held as above stated, and which consists of the following gentlemen who, on receipt of the property, will dispose of the same, by lot, or otherwise, as the ticket holders in mass meeting may direct—there is no violation of law in such disposal: Hon. O. H. Ames, Hon. C. W. Slack, Gen. Gott. Cowdin, Col. A. J. Wright, John C. Hayes, Esq., of Boston, Joshua Webster Esq., of Middleville, Mass., Isaac S. Morse Esq., of Cambridge, Mass.

THE SINGER SEWING MACHINES.

OUR Letter A Family Sewing Machine is just gaining a world-wide reputation. It is beyond doubt the best and cheapest and most beautiful of all Family Sewing Machines yet offered to the public. No other Family Sewing Machine has so many useful appliances for Hemming, Binding, Felling, Tucking, Gathering, Goazing, Braiding, Embroidering, Cording, and so forth. No other Family Sewing Machine has so much capacity for a great variety of work. It will sew all kinds of cloth, and with all kinds of thread. Great and recent improvements make our Family Sewing Machine most reliable, and most durable, and most certain in action at all rates of speed. It makes the intricate stitch, which is the best stitch known. Any one even of the most ordinary capacity, can see, at a glance how to use the Letter A Family Sewing Machine. Our Family Sewing Machines are finished in taste and exquisite style.

The Folding Case of the Family Machine is a piece of cunning workmanship of the most useful kind. It protects the machine and keeps it in order, and when it is to be operated may be opened as a spacious and substantial table to sustain the work. While some of the Cases, made out of the choicest woods, are finished in the simplest and cheapest manner possible, others are adorned and embellished in the most costly and superb manner.

It is absolutely necessary to see the Family Machine in operation, so as to judge of its great capacity and beauty. It is fast becoming as popular for family sewing as our Manufacturing machines are for manufacturing purposes.

The Branch Offices are well supplied with silk, twist, thread, needles, oil, etc., of the very best quality. Send for a Pamphlet. THE SINGER MANUFACTURING CO., 438 Broadway, N. Y. PHILADELPHIA OFFICE,
