It will freely and fairly discuss all legin imate subjects of newspaper comment, in-Mineral plate and block teeth manufacs conding, of courses and pre-eminently at inred and all operations on teeth carefully this time, all questions connected with the existing unhappy condition of our country. It will formessly, criticise the public acts

ways on hand. All operations on the teeth of public servants and defend the legal and constitutional right of individual citizens Residence and Office, a few doors above and of sovereign States, against assaults from any quarter.

It will seek to awaken the minds of the people to a proper sense of the actual condivion of the Republic-to present to them, insulfally, the fearful perits in which we stand as a nation-to exhibit the magnitude of the task that Des before them, if they would check our downward progress-and to inspire them with patriotic determinaion to apply the remedy for our national ills. In helief, it will in all hings, aim to be fying and softening the Leather. It makes the faithful exponent of Democratic prina polish like natent leather ; will not rub eides, and to render itself worthy to be an off with water, nor stain the finest white organ of the democratic party, under whose silk, and makes leather perfectly\* waterproof. Twice a month applied on boots auspices our country prospered so long and shoes, and once as month for barness and so well. The restoration of that paris sufficient. If the leather becomes dir y is-the party of the Constitution and the wash it off with clean water and the polish Union-to power in the legislative and executive governmental branches of the State will re-appear. Warranted as represented. Directions for use .- Apply a few drops and of the Union, we believe to be neceson a sponge, rub it slowly over the leather, sary to avert anorchy, and the otter ruin of the Republic. To contribute to that restor

ration will be our highest aim. The news, literary, commercial and other departments, will receive due attention, and will be so conducted as to make "The Age" worthy of the support of the gener L reader.
