

HOSTETTER'S CELEBRATED STOMACH BITTERS.

A pure and powerful Tonic, corrective and alternative of wonderful efficacy in disease of the STOMACH, LIVER AND BOWELS. Cures Dyspepsia, Liver complaint, Headache, General Debility, Nervousness, Depression of Spirits, Constipation, Colic, Intermittent Fevers, Cramps and Spasms, and all complaints of either Sex, arising from Bodily Weakness, whether inherent in the system or produced by special causes.

Nothing that is not wholesome, genial and restorative in its nature enters into the composition of HOSTETTER'S STOMACH BITTERS. This popular preparation contains no mineral of any kind, no deadly botanical elements, no violent stimulants, no opium, no alcohol, and no other external causes. Hostetter's Bitters may be relied on as a safeguard.

It is well to be forearmed against disease and, so far as the human system can be fortified by means against malady, Hostetter's Bitters is the best. It is a combination of the most powerful and purest of all diffusive stimulants.

It is well to be forearmed against disease and, so far as the human system can be fortified by means against malady, Hostetter's Bitters is the best. It is a combination of the most powerful and purest of all diffusive stimulants.

The weak stomach is rapidly invigorated and the appetite restored by this agreeable Tonic, and hence it works wonders in cases of Dyspepsia and in less confirmed forms of Indigestion. Acting as a gentle and painless aperient, as well as upon the liver, it also invariably relieves the Constipation, superinduced by irregular action of the digestive and secretory organs.

Persons of feeble habit, liable to Nervous Attacks, Losses of Spirits and Fits of Languor, find prompt and permanent relief from the Bitters. The testimony on this point is most conclusive, and from both sexes.

The agency of Bilious Colic is immediately assuaged by a single dose of the stimulant and by occasionally resorting to it, the return of the complaint may be prevented.

As a General Tonic, Hostetter's Bitters produces effects which must be experienced or witnessed before they can be fully appreciated. In cases of Constitutional Weakness, and Premature Decay and Debility and Decrepitude arising from Old Age, it exercises the electric influence. In the convalescent stages of all diseases it operates as a delightful invigorant. When the powers of nature are relaxed, it operates to re-enforce and re-establish them.

The Great AMERICAN TEA COMPANY,

51 VESSEY STREET, NEW YORK;

Since its organization, has created a new era in the history of

Wholesaling Teas in this Country. They have introduced their selections of TEAS, and are selling them at not over TWO CENTS (.02 Cent) per pound above Cost.

Never deviating from the ONE PRICE principle.

Another peculiarity of the Company is that their Tea Taster not only devotes his time to the selection of their TEAS as to quality, value, and particular styles for particular localities of country, but he helps the TEA buyer to choose out of their enormous stock such TEAS as are best adapted to his particular wants, and not only this, but points out to him the best bargains.

It is easy to see the incalculable advantage a Tea Buyer has in this establishment over all others.

It is a Judge of Tea or the Market, if his time is valuable, he has all the benefits of a well organized system of doing business, and the capital of the company is a Professional Tea Taster, and the knowledge of superior salesmen. This enables all Tea buyers—no matter if they are thousands of miles from this market—to purchase on as good terms here as the New York Merchants.

Parties can order Teas to be served by us as well as though they came themselves, being sure to get original packages, true weights and sizes, and the TEAS are warranted as represented.

We issue a Price List of the Company's Teas, which will be sent to all who order it, comprising

N. Y. WEEKLY NEWS.

The cheapest and best New York Newspaper. Only one dollar per annum. Eight pages—forty columns. A complete record of events. Benjamin Wood, editor and proprietor. Published at No. 19 City Hall Square, Daily News Building, New York City.

THE NEW YORK WEEKLY NEWS is unrivaled in its ability and enterprise as a public organ, and a repository of public interest.

EVERY DEPARTMENT is most efficiently conducted, so as to form a weekly record of events, political, commercial, financial and literary, throughout the World. In addition to this it contains all the Domestic Intelligence of each week and full reports of every matter of public interest.

As a political Journal The Weekly News will be found on the side of the Constitution of the country as it was framed and established by the Fathers of the Republic, and will scan with care and fidelity every public act that may tend to the violation of the letter and spirit of that instrument of our liberties. It prefers the

POLICY OF PEACE to a ruinous and exhausting system of War. Insisting upon the truth of the principle embodied in the Declaration of Independence, that the just powers of the Government are derived from the consent of the governed, it urges the preservation of the fundamental principles of liberty, inviolate, and the maintenance of peace as a national grandeur or consolidated power under despotic rule without the pale of established law. On all questions of national importance it is the inflexible champion of the rights of citizens, as guaranteed under the instruments by which they have elected to be governed. It therefore boldly avows its purpose to sustain the Freedom of Speech and of the Press, with the view to protect the people from the encroaching dogmas of theorists who contemplate a modification of the democratic principles which to this time have been sustained against every effort to overthrow them. In all matters pertaining to Government the purpose of this newspaper is to protect the people from inconsiderate and rash legislation, and to hold our public servants to a strict accountability for their conduct while carrying out the machinery of power. To this end, the most careful and accurate record will be given to all Federal and Legislative laws, and a firm and impartial examination of every new political proposition may be expected as the only means of protecting the people from an abridgement of their rights.

COMMERCIAL & MARKET REPORTS are given in the most succinct yet complete manner. They claim particular notice for their fidelity and truth, and all those who desire to comprehend the exact financial condition of the country should not fail to examine the views which will be found in this department of the journal.

THE FOREIGN CORRESPONDENCE will be found especially interesting and instructive and being derived from some of the ablest minds in Europe must be read with the utmost avidity by those who desire to comprehend that diplomacy of the Governments of the Old World.

In all other respects THE WEEKLY NEWS will be found to meet the public demand. It is the special object of the Proprietor to render it a valuable and entertaining.

FAMILY NEWSPAPER, pure in its moral influence, enabling in its character, and satisfactory to that large class in the community who desire to see the Public Press treat all public questions with arguments expressed in courtesy and candor, thought, at the same time, with the spirit due to the themes discussed.

By reference to the terms of The New York Weekly News it will be noticed that it is by far the cheapest newspaper in the world, and the Proprietor feels that he may invite those who approve of its principles and conduct to use their influence in adding to its present large circulation.

PROSPECTUS FOR 1864. LIBERTY AND UNION NOW AND FOREVER. THE EVENING POST.

THIS Journal, which is now in the sixty second year of its existence, is a thoroughgoing, independent and fearless advocate of genuine practical democracy. It maintains the equal right of all men to justice and freedom; it earnestly approves the war for the Union; it holds up the hands of our brave soldiers in the field; and it opposes treason in all shapes, whether open, as at the South, or covert or sneaking, as at the North. At the same time it is the enemy of all undue exercise of power, of all kinds of political jobbery and corruption, and insists upon economy in expenditure, and a strict adherence to the constitution.

Throughout the war it has advocated the most vigorous prosecution of it, but as the war draws to a close political questions take the ascendancy. A more stupendous, difficult and interesting problem was never presented to any people, than that of the restoration of the revolting states to their allegiance. It will require all the statesmanship and wisdom of the nation to bring it to a satisfactory solution. On that point the Evening Post will take no ground, and endeavor to maintain about a condition of universal freedom and real democracy. Pledged to no party, and looking only to the interest of the whole country, it will use whatever energy and influence in the defense of the great principles of human right and human elevation which lie at the foundation of our institutions.

It aims chiefly, however, at being a good newspaper. In its columns will be found a complete History of the war, all important political or State Documents, reports, Proceedings of Legislative bodies, Summaries of European Intelligence, and news from all parts of the world, accurate reports of financial and commercial matters, most worthy Correspondence, and a carefully selected Literary Miscellany, comprising Poetry, Reviews of new Works, with literary extracts, Tales, gossip and anecdotes—the whole forming an excellent variety of reading for every reader who desires something of his kind.
