

BLOOMSBURG, PA.

WEDNESDAY MORNING, MAR. 23, 1864.

A LOAD OF DRY WOOD will be taken at this office on subscription to the STAR.

HORSE BILLS newly printed at this office give us a call. We work cheap for cash, and try to give general satisfaction.

Our Members at Harrisburg, Jackson and Ellis, have our thanks for Legislative favors.

The Court Advertisements for May Term are published in this week's Star.

We publish announcements of deaths free, but those accompanied with notices, &c., must be paid for at the rate of ten cents per line.

"Inquirer" is informed that when paid in gold or silver, we will take one dollar and fifty cents, in advance, for one year's subscription to the Star.

In another column of our paper will be seen the list of officers elected at our late township elections.

Wm. PRACON, salesman in McKelvy, Neal & Co's Store, has been appointed Notary Public by Gov. Curtin, for this place.

On Wednesday and Thursday evenings, of this week, the pupils of the Academy of this place, will give an exhibition in the Court House, the proceeds to be used for benevolent purposes. Mr. Beckley's School always presents something original, rich and rare, in their exercises. Don't forget to attend.

MAJ. GEN. SIGMUND has assumed command of the Department of Western Virginia. His headquarters are at Cumberland, Maryland.

Those of our patrons who are in arrears on subscription to the Star will oblige us by paying their indebtedness to this establishment between this and the 1st of April. We need and must have the money to meet our debts. We have laid out of our money in some instances too long—it must be paid.

REMOVAL.—Those of our subscribers who expect moving on the first of April, will please give us timely notice of their new locations, or their nearest Post office, stating at the same time the name of the office at which they have been receiving their paper so that the proper arrangements may be made on our books.

The Opposition in this township succeeded in electing their whole ticket, at our election on Friday last. Some of the Abolitionists are simple enough to claim the result a victory over the Democrats, when they have at least one hundred majority, in the township, nearly every Spring as well as at the General Elections. They are welcome to all the glory they can get out of this election. In the Fall Election, we will draw the strings on them a little tighter.

We devote a large portion of space this week, to the Address of the Democratic State Senators. It is a clear, full statement of the principles which guided them through the long contest; and fully justifies them in every step they took. Plainly proving at the same time that every position taken by the abolition members of the Senate were revolutionary, and contrary to all precedent.

LIEUT. ISAAC H. SEASHOLTZ, of the Pa. Cavalry, is on furlough, paying a visit to his parents and friends in this county. He enlisted in the "Iron Guards," from Catawissa, and was made 1st Lieutenant, in which Company he served some time. He looks first-rate, having served three years on the 1st day of April, and talks strongly of re-enlisting for another term of three years. His Regiment is attached to the 1st Division, 5th Corps.—Success to Isaac.

In answer to several inquiries about the price of our paper, we would state, to one and all: we take no \$1.50 subscriptions.—Owing to the late rise in the price of printing material, as well as the unusual high price of paper, we are compelled to take nothing less than \$1.75 in advance \$2.00 within the year, and \$2.50 if not paid until after the close of the year. Further, Teachers who formerly received our paper at \$1.00 a year, will, hereafter, comply with these terms.

IMPORTANT INFORMATION.—Col. J. G. Freetz keeps constantly on hand and for sale, at the Recorder's office in Bloomsburg, "The Constitution of the United States," and of the "State of Pennsylvania," in various styles, at prices to suit; also, sundry other democratic books, documents, and speeches; together with legal, note and cap paper, pens, ink and envelopes of all sizes and styles, as well as theological, poetical, Historical and miscellaneous books, cheap.

DEATH OF A SOLDIER.—On Tuesday of last week GEORGE W. BEADLEMAN, son of Jacob Beideman of this place, died in one of the Hospitals in Philadelphia. He enlisted in Col. Baker's California Regiment, which was organized in Philadelphia, and served in the capacity of Private for two years, when he received a promotion as COMMISSARY SERGEANT, the duties of which position he performed for nearly a year, making in all, his term of service, about three years. George was an intelligent, moral, and upright young man, in the 25th year of his age; by profession, a Printer, having served as an apprentice in this office. His remains were brought home, by his father, and interred in the Cemetery on Sabbath last, at this place, with the Honors of War, the furloughed and discharged soldiers of this place, under command of Lieut. STANLEY, participating in the exercises. Peace to his ashes.

Volunteers and Conscripts! To Soldiers or any others wishing to increase their income, there is no better way of doing so at this time, than from the sale of our Watches. They are warranted as Represented.

Particularly valuable for officers in the Army and travelers.—Frank Leslie's, February 21. "Practical, best and cheapest timepieces ever offered."—N. Y. Illustrated News, January 10. "Very pretty and durable Watches for the Army."—N. Y. Army & Navy Journ. [Government Organ], Aug. 20. "One of the oldest and most reliable houses in business."—Louisville Ky., Journal July 21.

MAGIC TIME OBSERVERS. Being a Hunting or Open Face Lady's or Gentleman's Watch Com ed, with Patent Self-Winding Improvement, a most Precious Novelty.

ONE OF THE PRETTIEST, MOST CONVENIENT, AND decidedly the best and cheapest time-piece for general and reliable use as ever offered. It has within it connected with its machinery, its own winding attachment, rendering a key entirely unnecessary. The cases of this Watch are composed of two metals, the outer one being of fine 16 carat gold. It has the improved ruby action lever movement, and is warranted an accurate time-piece. Price, superbly engraved, per case of half dozen, \$204. Sample Watches, in our Morocco Boxes, \$35.

Silver Watches! First Class Hunting Time-Pieces for accuracy of movement, beauty of material, and above all, cheapness in price, these watches must insure universal approbation.

An imitation so flawless that it can hardly be detected by the most experienced judges. The material being of two metals the outer one being Sterling Silver, while the inner one is German Silver, it cannot be recognized by cutting or heavy engraving, making it, not only in appearance, but in durability, the best resemblance of Solid Sterling Silvers in existence.

The sale of these Watches in the Army is a source of enormous profit, retailing, as they very readily do, at \$25 and upwards. Many hundred dollars can be made in a single day by any one of ordinary business tact.

AT WHOLESALE ONLY! In heavy hunting cases, beautifully engraved, white enamel dial, and fancy case hands, in good running order, by the half dozen, \$66. Sold only by the case of six!

Upon receipt of two dollars, as guarantee of good faith, we will send watches by express to any part of the local States, collecting balance of bill on delivery. This ensures buyers against fraud, giving them the best watches for the money required.

Soldiers in the distant States must remit Cash in advance, as the express companies prematurely refuse making collections in such dangerous localities. Remember, Cash in advance from within the army lines in rebel States! We Guarantee the safe delivery of all Watches, whether they are sent by mail or express.
