**N. Y. WEEKLY NEWS.**

The cheapest and best New York Newspaper. Only one dollar per annum. Eight pages—forty columns. A complete record of events, Benjamin Wood, editor and proprietor. Published at No. 19 City Hall Square, Daily News Building, New York City.

THE NEW YORK WEEKLY NEWS is unrivaled in its ability and enterprise as a public organ, and in

EVERY DEPARTMENT is most efficiently conducted, so as to form a correct record of events political, commercial, financial and literary, throughout the World. In addition to this it contains all the Domestic Intelligence of each week and full reports of every matter of public interest.

As a political Journal The Weekly News has been from the first, framed and established by the Fathers of the Republic, and will scan with care and fidelity every public act that may tend to the violation of the letter and spirit of that instrument of our liberties. It prefers the

POLICY OF PEACE to a ruthless and exhausting system of War. Insisting upon the truth of the principle embodied in the Declaration of Independence, that the just powers of the Government are derived from the consent of the governed, it urges the preservation of the fundamental principles of liberty, inviolate, as of more sacred importance than national grandeur or consolidated power under despotic rule without the pale of established law. On all questions of national importance it is the inflexible champion of the rights of citizens, as guaranteed under the instruments by which they have pledged to be governed. It therefore boldly avows its purpose to sustain the Freedom of Speech and of the Press, and to resist every effort of the people from the encroaching dogmas of theorists who contemplate a modification of the democratic principles which to this time have been sustained against every effort to overthrow them. In all matters pertaining to the Government the paper is held to hold our public servants to a strict accountability for their conduct while carrying on the machinery of power. To this end the most careful attention will be given to all Federal and legislative laws, and a firm and impartial examination of every new judicial proposition may be expected as the only means of protecting the people from an abridgement of their rights.

COMMERCIAL & MARKET REPORTS are given in the most succinct yet complete manner. They claim particular notice for their fidelity and truth, and all those who desire to comprehend the exact financial condition of the country should not fail to examine the views which will be found in this department of the journal.

THE FOREIGN CORRESPONDENCE will be found especially interesting and instructive and being derived from some of the ablest minds in Europe must be read with the utmost avidity by those who desire to comprehend that diplomacy of the Governments of the Old World.

In all other respects THE WEEKLY NEWS will be found to meet the public demand. It is the especial object of the Proprietor to render it a valuable and entertaining

FAMILY NEWSPAPER, pure in its moral influence, ennobling in its character, and satisfactory in its large class in the community who desire to see the Public Press treat all public questions with arguments expressed in courtesy and candor, thought, at the same time, with the spirit due to the themes discussed.

By reference to the terms of The New York Weekly News it will be noticed that it is by far the cheapest newspaper in the world, and the Proprietor feels that he may invite those who approve of its principles and conduct to use their influence in adding to its present large circulation.

**PROSPECTUS FOR 1864.**

**LIBERTY AND UNION NOW AND FOREVER.**  
**THE EVENING POST.**

THIS Journal, which is now in the sixty second year of its existence, is a thorough going, independent and fearless advocate of genuine practical democracy. It maintains the equal right of all men to justice and freedom; it earnestly approves the war for the Union; it holds up the hands of our brave soldiers in the field; and it opposes reason in all shapes, whether open, as the South's overt or sneaking as at the north. At the same time it is the enemy of all undue exercise of power, or all kinds of political jobbery and corruption, and insists upon economy in expenditures, and a strict adherence to the constitution.

Throughout the war it has advocated the most vigorous prosecution of it, but as the war draws to a close political questions take the ascendant. A more stupendous, difficult and interesting problem was never presented to any people, than that of the restoration of the revolting states to their allegiance. It will require all the statesmanship and wisdom of the nation to bring it to a satisfactory solution. On that point the "Evening Post" will take definite grounds, and endeavor to bring about a condition of universal freedom and real democracy. Pledged to no party, and favoring only to the interest of the whole country, it will use whatever energy and influence in the defence of the great principles of human right and human elevation which lie at the foundation of our institutions.

It aims chiefly, however, at being a good newspaper. In its columns will be found a complete History of the war, all important political or State Documents entire, Proceedings of Legislative bodies, Summaries of European Intelligence, and news from all parts of the world, accurate reports of financial and commercial matters, trustworthy Correspondence, and all carefully selected Literary Miscellany, comprising Poetry, Reviews of new Works, with literary extracts, Tales gossip and anecdotes—the whole forming an excellent variety in which every reader will discover something to his taste.
