The army news is not of much interest the past few days. A synopsis will be found in this paper of what has been done in the different departments the past week. The Army of the Potomac is still commanded by that heroic and gallant officer whose name is MADEIRA. McCLELLAN, GRANT, and BURNS are the best Generals ever in command at the Federal arms. So far as taking Richmond is concerned, McClellan is best and shoulders above all others.

DAVID LOWENBERG, of this place, was appointed Delegate to the Chicago Democratic Convention, which assembles on the 4th of July next. The list of Delegates to that Convention, as appointed by our late State Convention, will be found on the first page of to-day's STAR. COL. JOHN F. MEANS, of Bradford, is the other Delegate with MR. LOWENBERG from this Congressional District. They are both McCLELLAN men.

A FEW WEEKS SINCE, we gave notice to those knowing themselves in arrears, on subscription and advertising, to come forward and pay us, in order that we might be able to meet our debts on the 1st of April. The 1st has passed and gone, and sorry to say, but few have responded to our request. There are several hundred on our books owing us from ONE DOLLAR UP TO TEN, which if collected together would relieve us of all our pecuniary difficulties so necessary in publishing a newspaper. Sustain the Democratic press and you do your part in preserving the principles and measures that which our country prospered more than a century in such a degree second to no other in the world.

THE BROADWAY REPORTER and the Columbia County Republican are piecing into HENRY W. TRACY, M. C., kind of canine fashion; one snaps at him and then the other snaps at him; and so they continue to keep it up. But in spite of their snarling and snapping, he seems to be inside of the ring with the party in power at Washington. These two rigger organs would have their readers believe that he belonged with the "Copper-heads" or the Democratic party, but they neglect showing their followers that he votes with the administration party upon every radical measure.

INFORMATION WANTED.—Mrs. Elizabeth Jones, of Williamsport, is desirous of obtaining information relative to her son, Henry R. Jones, a young man aged about nineteen years. He was formerly a brakeman on the P. & E. Railroad, and has disappeared under such circumstances as to cause his mother to fear that some violence has been done him. He was last heard of at Report. Any information concerning him would be thankfully received by his aged mother, and the press will do her a kindness by passing this notice around.

585 B BROADWAY NEW YORK.

MIRROR OF THE REBELLION.

The Most Complete and Magnificent War Exhibition Extant.

Devised to raise Funds for a National Home. 100,000 TICKETS, AT \$1 EACH.

A DONATION OF \$34,720 in Valuable Property to the Ticket Holders.

JOSIAH PERHAM, Agent for the Project, has the honor to announce a plan for creating a fund for the founding of a National Institution, to be a home for invalid, disabled, discharged soldiers.

The original number of Tickets issued for this object was 100,000, one third of which have been already disposed of in Boston, Mass. where the tickets were first proposed.

Each of the One Dollar Tickets is good for Four Admissions to the Mammoth MIRROR OF THE REBELLION, at 585 Broadway, New York City, or wherever else exhibited.

One half of the profits of the entire sale will be exclusively devoted and donated to the above named patriotic object.

According to the original advertised plan, a Mass Meeting of the ticket holders, was held in Faneuil Hall, Boston, on Nov. 5th, and an adjourned meeting at the same place on Dec. 16th.

The following named gentlemen were elected as a Board of Trustees, to receive the funds which may accrue from the novel enterprise, and to appropriate the same to this object in accordance with the plans of the originator.

Gen. John S. Tyler, Boston; his Excellency Governor James V. Smith, of Rhode Island; Hon. Geo. Briggs of New York; his Excellency Gov. A. G. Curtin of Pennsylvania; Major Gen. N. P. Banks, of Mass.; Major Gen. O. Howard of Maine; his Excellency Gov. Richard Yates, of Illinois.

To speedily accomplish this great object, every wise means will be used by the projector to effect the immediate sale of the tickets; and he calls upon the loyal and humane to assist earnestly in carrying this noble undertaking forward to a triumphant success.

Neither its importance, nor its feasibility can be called in question. Let the people but respond in a spirit worthy of the project, and no obstacles shall delay its consummation.

Making the proposition in good faith, and ready to devote his whole energies to the great work, the projector firmly believes in accordance with the same, to this end, the desired direction, and accomplish the founding and secure the creation of a permanent National Institution, which shall be an asylum for the retired soldier, whose loss of health or limb is his diploma for heroic services performed in his country's cause, and which shall go down to the future generations as a blessing to mankind, and an enduring monument to the liberality of the loyal people.

By comparing this enterprise with a public place of amusement of such well established high character and merit, the subscriber to the fund, while giving his money for the promotion of a great charitable design, may receive a full equivalent for the outlay in witnessing this splendid series of Paintings.

ATTRACTIVE BOUNTY TO PURCHASERS OF CHASES.

To effect the speediest possible sale of these tickets, so that unnecessary expense may be saved, and the National Home Fund proportionately increased, a further inducement is offered as a bounty to purchasers.

As soon as the tickets shall have been sold, in addition to one half the profits, as stated in the following described property will be donated to the ticket holders, and placed in the hands of their Trustees, a distinct board having been chosen for that purpose, at the mass meetings held as above stated, and which consists of the following gentlemen who, on receipt of the property, will dispose of the same, lot for lot or otherwise, as the ticket holders, in mass meeting may direct—there to be no violation of law in such disposal: Hon. C. O. Rogers, Hon. C. W. Slack, Gen. Bobt. Cowdin, Col. A. J. Wright, John C. Hayes, Esq. of Boston, Joshua Webster Esq. of Cambridge, Mass., Isaac S. Morse Esq. of Cambridge, Mass.
