PERSONS OF feeble habit, liable to Nervous
Attacks, Losses of Spirits and Fits of
Laziness, Head aches, and general debility
should take the Bitters. The testimony on this
point is most conclusive, and from both
sexes.
The agency of Bilious Colic is immedi-
ately assuaged by a single dose of the
stimulant and by occasionally resorting to
it, the return of the complaint may be pre-
vented.
As a General Tonic, Hostetter's Bitters
produces effects which must be experienced
or witnessed before they can be fully ap-
preciated. In cases of Constitutional Weak-
ness, and Premature Decay and Debility
and Degeneracy arising from Old Age, it
exercises the scientific influence. The
convalescent stages of all diseases, pre-
sented as a deplorable incident. When the
powers of nature are relaxed, it operates to
re-energize and re-establish them.
Last, but not least, it is the Only
Safe Stimulant, being manufactured from
sound and innocuous materials, and en-
tirely free from all deleterious ingredi-
ents, or any of the ordinary poisons, and
stomachic of the day.
No family medicine has been so univer-
sally, and it may be truly added, deserv-
edly popular with the intelligent portion
of the community, as Hostetter's Bitters.

THE GREAT
AMERICAN
TEA COMPANY,
51 VESSEY STREET, NEW YORK;
Since its organization, has created a new
era in the history of
Wholesale Tea in this Country.
They have introduced their selections of
TEAS, and are selling them at not over
TWO CENTS (20 Cents) per pound
above Cost,
Never deviating from the ONE PRICE
asked.
A other peculiarity of the Company is
that their Tea Taster not only devotes
his time to the selection of their TEAS
to quality, value, and particularly to the
particular localities of country, but he
helps the TEA buyer to choose out of their
enormous stock such TEAS as are best
adapted to his particular wants, and not
only this, but points out to him the best
advantage.

It is easy to see the incalculable advan-
tage a Tea Buyer has in this establishment
over all others.
It is a Judge of Tea or the Market,
if his time is valuable, he has all the bene-
fits of a well organized system of doing
business, of the immense capital, of the
judgment of a Professional Tea Taster,
and the knowledge of super-salesmen.
This enables all Tea buyers—no matter
if they are thousands of miles from this
market—to purchase on as good terms here
as the New York Merchants.
Parties can order Teas to be served by
us as well as though they came themselves,
being sure to get original packages, the
weights and tare; and the TEAS are war-
ranted as represented.
We issue a Price List of the Company's
Teas, which will be sent to all who order
it, comprising
Hyson, Young Hyson, Imper-
ial, Gunpowder, Twankay
and Skin.
OO LONG, SOUCHONG, ORANGE & HY-
SON PEKOE.
JAPAN TEA of every description, col-
lected and uncolored.
This list has each kind of Tea divided into
FOUR CLASSES, namely: CARGO, high
FIRST, second and third quality, and the prices
annexed to the CARGO are determined
to undersell the whole Tea trade.
We guarantee to sell ALL our Teas at not
over TWO CENTS (20 Cents) per pound
above cost, believing this to be attractive
to the many who have heretofore been
paying Excessive Prices.

THE NEW YORK WEEKLY NEWS.
The cheapest and best New York News-
paper. Only one dollar per annum. Eight
pages, forty columns. A complete record
of events. Benjamin Wood, editor and pro-
prietor. Published at No. 19 City Hall

THE NEW YORK WEEKLY NEWS
is unrivaled in stability and enterprise as a
public organ.
EVERY DEPARTMENT
is most efficiently conducted, so as to form
a weekly record of events political, com-
mercial, financial and literary, throughout
the World. In addition to this it contains
all the Domestic Intelligence of each week
and full reports of every matter of public
importance.

As a political Journal The Weekly News
will be found on the side of the Constitu-
tion of the country as it was framed and
established by the Fathers of the Republic,
and will see with care and fidelity every
public act that may tend to the violation of
the latter and spirit of the instrument of
our liberties. It prefers the
POLICY OF PEACE
to a ruinous and exhausting system of War.
Insisting upon the truth of the principle
embodied in the Declaration of Independ-
ence, that the just powers of the Govern-
ment are derived from the consent of the
governed, it urges the preservation of the
fundamental principles of Liberty, inviolate,
as of more sacred importance than national
grandeur or consolidated power under a
patriotic rule with the pale of established
law. On all questions of national impor-
tance it is the inflexible champion of the
rights of citizens, as guaranteed under the
Constitution, and it therefore boldly avows its
purpose to sustain the Freedom of Speech
and of the Press, with the view to protect
the people from the encroaching dogmas of
theorists who contemplate a modification
of the democratic principles which to this
time have sustained against every effort
to overthrow them. In all matters per-
taining to Government the purpose of the
new paper is to protect the people from in-
considerate and rash legislation, and to
hold our public servants to a strict account-
ability for their conduct while carrying out
the machinery of power. To this end the
most careful attention will be given to all
Federal and Legislative laws, and a firm
and impartial examination of every new
political proposition may be expected a-
gainst any means of protecting the people
from a change of their rights.

COMMERCIAL & MARKET REPORTS
are given in the most succinct yet complete
manner. They contain particular notice
for their fidelity and truth, and to all
who desire to comprehend the exact finan-
cial condition of the country should not
fail to examine the views which will be
found in this department of the journal.

THE FOREIGN CORRESPONDENCE
will be found especially interesting and in-
structive, and being derived from some of
the ablest minds in Europe must be read
with the utmost avidity by those who desire
to comprehend that diplomacy of the Gov-
ernments of the Old World.

In all other respects **THE WEEKLY**

mand. It is the special object of the Pro-
prietor to render it a valuable and enter-
