**HOSTETTER'S DECELRATED STOMACH BITTERS.**  
A pure and powerful Tonic, corrects and restores in its nature enters into the composition of HOSTETTER'S STOMACH BITTERS. This popular preparation contains as mineral of any kind, no deadly botanical element; no fiery excitant; but it is a combination of the extracts of rare balsamic herbs and plants with the purest and mildest of all diffusive stimulants.

Nothing that is not wholesome, genial and restorative in its nature enters into the composition of HOSTETTER'S STOMACH BITTERS. This popular preparation contains as mineral of any kind, no deadly botanical element; no fiery excitant; but it is a combination of the extracts of rare balsamic herbs and plants with the purest and mildest of all diffusive stimulants.

Persons of feeble habit, liable to Nervous Attacks, Languid Spirits and Fits of Languor, find prompt and permanent relief from the Bitters. The testimony on this point is most conclusive; and from both sexes.

The agony of Bilious Colic is immediately assuaged by a single dose of the stimulant and by occasionally resorting to the return of the complaint may be prevented.

As a General Tonic, Hostetter's Bitters produce effects which must be experienced or witnessed before they can be fully appreciated. In cases of Constitutional Weakness, and Premature Decay and Debility, and decrepitude arising from Old Age, it excites the electric influence. In the convalescent stages of all diseases it operates as a delightful invigorant. When the powers of nature are relaxed, it operates to re-energize and re-establish them.

Last, but not least, it is the Only Safe Stimulant, being manufactured from sound and innocuous materials, and entirely free from the acid elements present more or less in all the ordinary tonics and stomachics of the day.

No family medicine has been so universally, and it may be truly added, deservedly popular with the intelligent portion of the community, as Hostetter's Bitters, prepared by **HOSTETTER & SMITH, Pittsburgh, Pa.**

It is easy to see the incalculable advantage a Tea Buyer has in this establishment over all others.  
He is a Judge of Tea, or the Market, in this time is valuable, he has all the benefits of a well organized system of doing business of an immense capital, of the judgement of a Professional Tea Taster, and the knowledge of a superior salesmen.

**HOLIDAY PRESENTS!**  
Magic Time Observers.  
Being a Hunting or Open Face or Lady's or Gentleman's Watch Combined, with Patent Self-Winding Improvement, a most Pleasing Novelty.  
One of the prettiest, most convenient, and decidedly the best and cheapest time-piece for general retail, and for office use, and has within it and connected with its machinery, its own winding attachment rendering a key entirely unnecessary. The cases of this Watch are composed of two metals, the outer one being fine 16 carat gold. It has the improved ruby action lever movement, and warranted an accurate time piece. Price, superbly engraved, per case half dozen, \$204. Sample Watches, in neat Morocco boxes, \$35.

**SILVER WATCHES.**  
First Class Hunting Time-pieces for accuracy of movement, beauty of material, and, above all, cheapness in price, these watches must insure universal approbation.  
An imitation so faultless that it can hardly be detected by the most experienced judges. The material being of two metals, the outer one first quality Sterling Silver, while the inner one is German Silver, it cannot be recognized by cutting or heavy engraving, making it, not only in appearance, but in durability, the best resemblance of Solid Sterling Silver in existence.

The sale of these Watches in the army is a source of enormous profit, retailing, as they very readily do, at \$25 and upwards. Many hundred dollars can be made in a single day by any one of ordinary business tact.

**AT WHOLESALE ONLY!** In heavy hunting cases, beautifully engraved, white enamel dial, and fancy cut hands, in good running order, by the half dozen, \$66. Sold only by the case of six.

**N. Y. WEEKLY NEWS.**  
The cheapest and best New York Newspaper. Only one dollar per annum. Eight pages—forty columns. A complete record of events, Benjamin Wood, editor and proprietor. Published at No. 19 City Hall Square, Daily News Building, New York City.

**THE NEW YORK WEEKLY NEWS** is unrivaled in its ability and enterprise as a public journal, and in

As a political Journal The Weekly News will be found on the side of the Constitution of the country as it was framed and established by the Fathers of the Republic, and will scan with care and fidelity every public act that may tend to the violation of the latter and spirit of that instrument of our liberties. It prefers the

**POLICY OF PEACE**  
to a ruinous and exhausting system of Warfare; it insists upon the truth of the principle embodied in the Declaration of Independence; it is in favor of the Government derived from the consent of the governed; it urges the preservation of the fundamental principles of liberty, inviolate, as of more sacred importance than national grandeur or consolidated power under despotic rule without the pale of established law. On all questions of national importance it will inflexibly champion the rights of citizens, as guaranteed under the instruments by which they have decided to be governed. It therefore boldly avows its purpose to sustain the Freedom of Speech and of the Press, with the view to protect the people from the encroaching dogmas of despotic rule, and to effect a modification of the democratic principles which, in this time have been sustained against every effort to overthrow them. In all matters pertaining to Government the purpose of this newspaper is to protect the people from inconsiderate and rash legislation, and to secure the public mind a strict accountability for their conduct while exercising the machinery of power. To this end the most careful attention will be given to all Federal and Legislative laws, and a firm and impartial examination of every new political proposition may be expected.

It is in favor of protecting the people from an abridgement of their rights, and of the machinery of power. To this end the most careful attention will be given to all Federal and Legislative laws, and a firm and impartial examination of every new political proposition may be expected.

By reference to the terms of The New York Weekly News it will be noticed that it is by far the best newspaper in the world, and the Proprietor feels that he may invite those who approve of its principles and conduct to use their influence in adding to its present large circulation.

**LIBERTY AND UNION NOW AND FOREVER.**  
**THE EVENING POST.**  
THIS Journal, which is now in the sixty second year of its existence, is a thoroughgoing, independent and fearless advocate of genuine practical democracy. It maintains the equal right of all men to justice and freedom; it earnestly approves the war for the Union; it holds up the hands of our brave soldiers in the field; and it opposes to reason the shape, whether open, as at the South, or covert or sneaking, as at the North. At the same time it is the enemy of all undue exercise of power, or all kinds of political jobbery and corruption, and insists upon economy in expenditures, and a strict adherence to the Constitution.

It has advocated the most vigorous prosecution of it, but as the war draws to a close political questions take the ascendant. A more stupendous, difficult and interesting problem was never presented to any people, than that of the restoration of the revolting states to the Union. It will require all the statesmanship and wisdom of the nation to bring it to a satisfactory solution. On that point the "Evening Post" will take definite grounds, and endeavor to bring about a condition of universal freedom and real democracy. Pledged to no party, and looking only to the welfare of the whole country, it will use whatever energy and influence in the defence of the great principles of human right and human elevation which lie at the foundation of our institutions.

It aims chiefly, however, at being a good newspaper. In its columns will be found a complete History of the war, all important political and State Documents, all Proceedings of Legislative bodies, Summaries of European Intelligence, and news from all parts of the world, accurate reports of financial and commercial matters, trustworthy Correspondence, and a carefully selected Literary Miscellany, comprising every extract of new Works, with literary extracts, Tales, gossip and anecdotes in which every reader will discover something to his taste.

**WHITE MEN MUST RULE AMERICA.**  
THE CHEAPEST PAPER PUBLISHED.  
**FORTY-EIGHT** columns of reading matter per page for \$1 20 per year. The only New York Paper made up exclusively for country circulation; and, the new of the week, with the cable, produce, and other markets, carefully reported.  
**The New York Day-Book for 1864**  
White Men's Liberties—State Rights—Federal Union.

The New York Day-Book is an independent, Democratic journal, holding with the late Senator Douglas, that "this government is made on the white basis, by white men, for the benefit of white men and their posterity forever." It is a large double sheet, with forty-eight columns of reading matter, and in all respects a better political or family newspaper. In its political department, it grapples boldly with the real questions before the American people, and presents the only philosophy of it which can resist the sweeping march of Abolitionism. It is Democratic in the true sense of the term—the defender of the people's rights, but it is the upholder of no party theory or trickery. It is not only for peace, but it shows the way to permanent peace can be effected, and the glorious white man's government of Washington restored, viz: by the quiet route, overthrow and extermination of Abolitionism from American soil.

The Day-Book is now the only weekly political paper in New York city made up exclusively for country circulation. All the others are re-hashed from the columns of some daily paper, which renders it almost impossible to give so complete and general a summary of the news as in the other case. Persons about subscribing should take this into consideration. Democrats, also, must see to it that their papers are circulated among the people, and Abolitionism will never be put down. All who desire to relate the arguments of Abolitionists, should read The Day-Book.

**Special Orders.**—We desire this year to place before a million of northern teachers the great doctrine "The Day-Book" teaches on the question of the Races. We confidently believe if this Journal were placed in the hands of one half of the voters of the northern States between this time and November, 1864, the Democrats could not get up in the year, and the Union would be restored. We therefore make the following offers, not in the light of prizes, and not even because it will be profitable, for we can scarcely afford it—but solely to secure a wide dissemination of the views which we profoundly believe will save our country.

**Clubs of Twenty.**—For a club of 20, besides the extra paper just offered, we will send a copy of Dr. Van Evrie's great work on "Negroes and negro slavery," the third edition of which is just ready. Price One Dollar.

**Clubs of Fifty.**—For a club of Fifty subscribers, at the same rate as the smaller paper, and a complete set of our Anti Abolition Publications, the prices of which, taken together, amount to \$2 75.

**Clubs of One Hundred.**—In relation to Clubs of one hundred, we will say this: Whoever will send us one hundred subscribers at one time, the club to be sent to one address, and began and kept at the same time, will receive the papers at \$100.

**PROSPECTUS OF "THE AGE,"**  
A NATIONAL DEMOCRATIC NEWSPAPER.  
TO be published Daily and Weekly in the city of Philadelphia, by A. J. Glossbrenner & Co., will advocate the principles of the Democratic party, and will, therefore, necessarily favor the restoration of the Union as it was, and defend the Constitution of the United States, and that of this Commonwealth.

It will freely and fairly discuss all legitimate subjects of honest public concern, including, of course, and pre-eminently at this time, all questions connected with the existing unhappy condition of our country. It will fearlessly criticize the public acts of public servants and defend the legal and constitutional right of individual citizens and of sovereign States, against assaults from any quarter.

It will seek to awaken the minds of the people to a proper sense of the actual condition of the Republic—to present to them, truthfully, the fearful perils in which we stand as a nation—to exhibit the magnitude of the task that lies before them, and they would check our downward progress, and to inspire them with the courage and determination to remedy for our national ills. In brief, it will in all things, aim to be the faithful exponent of Democratic principles, and to render itself worthy to be an organ of the democratic party, under whose auspices our country prospered so long and so well. The restoration of that party—the party of the Constitution and the Union—to power in the legislative and executive governmental branches of the State and of the Union, we believe to be necessary to avert anarchy, and the utter ruin of the Republic. To contribute to that restoration will be our highest aim.

The news, literary, commercial and other departments, will receive due attention, and will be so conducted as to make "The Age" worthy of the support of the general reader.

The many difficulties now surrounding an enterprise of the magnitude of that which the undersigned are engaged, require them to appeal to the public for generous support, and to ask for "The Age" a liberal patronage and extended circulation.

The preparatory arrangements warranted the issuing of the first number of the Daily Age in the month of March 1863, and the Weekly was commenced soon after.
