THE GREAT TEA COMPANY,

51 VESEY STREET, NEW YORK; Since its organization, has created a new era in the history of the Tea trade.

Wholesaling Tea in this Country. They have introduced their selections of TEAS, and are selling them at not over TWO CENTS (20 Cents) per pound above Cost. Never deviating from the ONE PRICE asked.

Another peculiarity of the Company is that their Tea Taster not only devotes his time to the selection of their TEAS as to quality, value, and purity, but he also takes into consideration the localities of country, but he helps the TEA buyer to choose out of their enormous stock such TEAS as are best adapted to his particular wants, and not only this, but points out to him the best bargains.

It is easy to see the incalculable advantage a Tea Buyer has in this establishment over all others. If he is a Judge of Tea, or the Market, if his time is valuable, he has all the benefits of a well organized system of doing business of an immense capital, of the judgment of a First-class Tea Taster, and the knowledge of superior salesmen.

This enables all Tea buyers to matter if they are thousands of miles from this market to purchase on as good terms here as the New York Merchants. Parties can order Teas to be served by us as well as though they came themselves, and we will deliver to them, at the same weight and rates; and the TEAS are warranted as represented. We issue a Price List of the Company's Teas, which will be sent to all who order it, comprising

THE NEW YORK DAY BOOK FOR 1864.

Forty-eight columns of reading matter per week for \$1 20 per year. The only New York Paper made up exclusively for country circulation, and the news of the week, with the latest produce, and other markets, carefully reported.

The New York Day-Book for 1864. While Men's Literature—State Rights—Federal Union. The New York Day-Book is an independent, Democratic Journal, holding with the line Senator Douglas, that "his government is made on the white basis, by white men, for the benefit of white men, and their posterity forever." It is a large double sheet, with forty-eight columns of reading matter, and in all respects—whether for Markets, news, Literature or Agricultural information—is not inferior to any as a political or family newspaper. In its political department, it grapples boldly with the real question before the American people, and presents the only philosophy of it which can resist the sweeping march of Abolitionism. It is Democratic in the true sense of the term, not in the order of the people's rights, but in the upholder of no party, it is neither of no party, it is not only for peace, but it shows how, and how only, permanent peace can be obtained, and this glorious white man's government of Washington, destroyed, and the order of the people, overthrown, and extermination of Abolitionism from American soil.

The Day Book is now the only weekly political paper in New York city made up exclusively for country circulation. All the others are rebuffed from the columns of some daily paper, which render it almost impossible to give so complete and general a summary of the news as in the other case. Persons about subscribing should take this into consideration. Democrats, who must see to it that sound papers are circulated among the people, or Abolitionism will never be put down, or the desire to isolate the arguments of Abolitionists, should read The Day Book.

TERMS:—One copy, one year, \$2 00; Three copies on year, \$5 00; Five copies, one year, \$7 50; Ten copies, one year, \$14 00; and one to the editor of the club, \$14 00; Twenty copies, one year, and one to the editor of the club, \$24 00. Additional copies, each \$1 20.

The name of the post-office, county, and State, should in all cases, be plainly given in every letter. Payments always in advance, and all bills will be accepted when the time of subscription paid for expires.

VAN EVRIE, HOKTON & CO., 1612 Nassau St., New York.

We therefore make the following offer, not in the daily papers, and not even because it will be profitable, for we can scarcely afford to—bait solely to secure a wide dissemination of the views which we profoundly believe will save our country.

Clubs of Twenty.—For a club of 20, besides the extra paper, we will send, we will send a copy of Dr. Van Evrie's great work on "Negroes and negro slavery." The third edition of which is just ready. Price One Dollar.
