

HOSTETTER'S STOMACH BITTERS.

A pure and powerful Tonic, corrects and alternative of watery effluvia in diseases of the STOMACH, LIVER and BOWELS. Cures Dyspepsia, Liver complaint, Headache, General Debility, Nervousness, Depression of Spirit, Constipation, Colic, Intermittent Fevers, Cramps and Spasms, and all complaints of either sex, arising from Bodily Weakness, whether inherent in the system or produced by special causes.

Nothing that is not wholesome, genial and restorative in its nature enters into the composition of HOSTETTER'S STOMACH BITTERS. This popular preparation contains no mineral of any kind, no deadly botanical element; no fiery excitant; but it is a combination of the extracts of rare balsamic herbs and plants, which possess a mild and delicate stimulant power.

It is well to be forearmed against disease, and, so far as the human system can be protected by human means against malarious, engendered by an unwholesome atmosphere, impure water and other external causes, Hostetter's Bitters may be relied on as a safeguard.

In districts infested with Fever and Ague, it has been found infallible as a preventive and irresistible as a remedy and thousands who resort to it enter apprehension of an attack, escape the scourge; and thousands who neglect to avail themselves of its protective influence, are cured by its every drop of this marvelous medicine.

The weak stomach is rapidly invigorated and the appetite restored by this agreeable Tonic, and hence it works wonders in cases of Dyspepsia and in less confirmed forms of Indigestion. Acting as a gentle and painless aperient, as well as upon the liver, it also invariably relieves the Constipation and general debility which attend the disordered and secretive organs.

Persons of feeble habit, liable to Nervous Attacks, Losses of Spirit and Fits of Languor, find prompt and permanent relief from the Bitters. The testimony on this point is most conclusive, and from both sexes.

The agency of Bilious Colic is immediately assuaged by a single dose of the stimulant and by occasionally resorting to it, the return of the complaint may be prevented.

As a General Tonic, Hostetter's Bitters produces effects which must be experienced or measured before they can be fully appreciated. In cases of Constitutional Weakness, and Premature Decay and Debility and Decrepitude arising from Old Age, it exercises the electric influence. In the convalescent stages of all diseases it operates as a delightful laxative. When the powers of nature are relaxed, it operates to re-energize and re-establish them.

Last, but not least, it is the Only Safe Stimulant, being manufactured from sound and innocuous materials, and entirely free from the acid elements present more or less in all the ordinary tonics and stomachics of the day.

No family medicine has been so universally and so truly adored, deservedly popular with the intelligent portion of the community, as Hostetter's Bitters. Prepared by **HOSTETTER & SMITH, Pittsburgh, Pa.** Sold by all Grocers and Storekeepers everywhere. Dec. 9, 1863.—13.

Who can say that they are not frequently followed by these "Dietetic Diseases," "INSANITY AND CONSUMPTION." Many are aware of the cause of their suffering, but none will confess the Records of the Insane Asylums. And melancholy Deaths by Consumption bear ample witness to the Truth of the assertion. The Constitution, once effected Organic Weakness requires the aid of Medicine to Strengthen and Invigorate the System, which HELMHOLD'S EXTRACT BUCHU invariably does. A trial will convince the most skeptical.

FEMALES—FEMALES—FEMALES. In many Affections peculiar to Females the Extract Buchu is unequalled by any other remedy, as in Chlorosis or Retention, Irregularity, Painfulness, or Suppression of Catamenia, Efficacy, Efficacy of Scirrhus of the Uterus, Leucorrhoea or Whites, Scirrhus, and for all complaints incident to the sex, whether arising from Indiscretion Habits or Dissipation, or in the Decline or Change of Life. The victims of Quacks, and who have paid heavy fees to be cured in a short time, have found they were deceived, and that the "poison" has, by the use of "powerful" astringents, been dried up in the system, to break out in an aggravated form, and perhaps after Marriage. Use Helmholt's Extract Buchu for all affections and diseases of the Urinary Organs, whether existing in Male or Female, from whatever cause originating and no matter of how long standing.

Diseases of these Organs requires the aid of a Diuretic. Helmholt's Extract Buchu is the Great Diuretic, and is certified to have the desired effect in all diseases for which it is recommended. N. Y. WEEKLY NEWS.

The cheapest and best New York Newspaper. Only one dollar per annum. Eight pages—forty columns. A complete record of events, Benjamin Wood, editor and proprietor. Published at No. 19 City Hall Square, Daily News Building, New York City.

THE NEW YORK WEEKLY NEWS is unrivaled in its ability and enterprise as a public journal, and in EVERY DEPARTMENT is most efficiently conducted, so as to form a weekly record of events political, commercial, financial and literary, throughout the World. In addition to this it contains all the Domestic Intelligence of each week and full reports of every matter of public interest.

As a political Journal The Weekly News will be found on the side of the Constitution of the country as it was framed and established by the Fathers of the Republic, and will scan with care and fidelity every public act which may tend to the violation of the letter and spirit of that instrument of our liberties. It prelates the POLICY OF PEACE

to a ruinous and exhausting system of War. Insisting upon the truth of the principle embodied in the Declaration of Independence that the just powers of the Government are derived from the consent of the governed, it urges the preservation of the fundamental principles of liberty, inviolate, as of more sacred importance than national grandeur or consolidated power under despotic rule than the pale of established law. On all questions of national importance it is the inflexible champion of the rights of citizens, as guaranteed under the instruments by which they have decided to be governed. It therefore boldly avows its purpose to sustain the Freedom of Speech and Press, with the view to protect the people from the encroaching designs of theorists who contemplate a modification of the democratic principles which to this time have been sustained against every effort to overthrow them. In all matters pertaining to Government the purpose of this journal is to give the people from inconsiderate and rash legislation, and to hold our public servants to a strict accountability for their conduct while carrying on the machinery of power. To this end the most careful attention will be given to all Federal and Legislative laws, and a firm and logical proposition of every new legislative proposal may be expected, as the only means of protecting the people from an abridgement of their rights.

COMMERCIAL & MARKET REPORTS are given in the most succinct yet complete manner. They claim particular notice for their fidelity and truth, and all those who desire to comprehend the exact financial condition of the country should not fail to examine the views which will be found in this department of the journal.

THE FOREIGN CORRESPONDENCE will be found especially interesting and instructive and being derived from some of the ablest minds in Europe must read with the utmost avidity by those who desire to comprehend that diplomacy of the Government of the Old World. In all other respects THE WEEKLY NEWS will be found to meet the public demand for an especial object of the Proprietor to render it a valuable and entertaining.

FAMILY NEWSPAPER, in its moral influence, enabling in its character, and satisfactory to that large class in the community who desire to see the Public Press treat all public questions with arguments expressed in courtesy and candor, though, at the same time, with the spirit due to the views which will be found in this department of the journal.

By reference to the terms of The New York Weekly News it will be noticed that it is by far the cheapest newspaper in the world, and the Proprietor feels that he may invite those who approve of its principles and conduct to use their influence in adding to its present large circulation.

WHITE MEN MUST

ONLY EIGHT columns of the only weekly paper for the million, and the only one for the country circulating and the news of the week, with the cable, produce, and other markets, carefully reported. The New York Day-Book, for 1864. What Men's Liberties—State Rights—Federal Union. The New York Day-Book is an independent, Democratic Journal, holding up the late Senator Douglas, as "this government is made on the white basis, by white men, for the benefit of white men, and their posterity forever." It is a large double sheet, with forty eight columns of reading matter, and in all respects—whether for Markets, news, Literary or Agricultural information—is not inferior to any as a political or family newspaper. In its political department, it grasped boldly with the question before the American people, and presents the only philosophy of which can resist the sweeping march of Abolitionism. It is Democratic in the true sense of the term—the champion of the people's rights, but it is the upholder of no party doctrine or sneaky. It is not only for those who are for the Union, but for those who are for the preservation of the Union, and the glorious white man's government of Washington restored; viz: by the other race, overthrow and extermination of Abolitionism from American soil.

The Day-Book is the only weekly political paper in New York city, made exclusively for country circulation. All the other papers published from the columns of some daily paper, which renders it almost impossible to give so complete and general a summary of the news as in the other case. Persons about subscribing should take this into consideration. The Day-Book, also, makes use of the colored papers circulated among the people, or abolitionism will never be put down. All who desire to refute the arguments of Abolitionists, should read The Day-Book. TERMS—One copy, one year, \$2 00; Three copies, one year, \$5 00; Five copies, one year, \$7 50; Ten copies, one year, \$14 00; Twenty copies, one year, and one to the getter up of the Club, \$24 00. Additional copies, each \$1 20.

The name of the post-office, county, and State, should in all cases, be plainly given in every letter. Payments always in advance, and all papers will be stopped when the time of subscription paid for expires. Address, VAN EVRIE, HORTON & CO., 162 Nassau st., New York.

Special Orders.—We desire this year to place before a million of northern readers the great doctrine "The Day-Book" (leader) on the question of the Races. We confidently believe if this Journal were placed in the hands of one half of the voters of the northern States, the election of 1864, and November, 1864, the Democracy could not fail to carry the next presidential election. We therefore make the following offer, not in the light of prizes, and not even because it will be profitable for us, can scarcely afford it—but solely to secure a wide dissemination of the views which we so profoundly believe will save our country. Clubs of Twenty.—For a club of 20, besides the extra paper now offered, we will send a copy of Dr. Van Evrie's great work on "Negroes and negro slavery," the third edition of which is just ready. Price One Dollar. Clubs of Fifty.—For a club of Fifty subscribers, at \$10, we will send an extra paper, and a complete set of our Anti Abolition Publications; the price of which, taken together, amount to \$2 75. Clubs of one Hundred.—In relation to Clubs of one hundred, we will say this: Whoever will send us one hundred subscribers at one time, the club to be sent to one address, and begin and end at the same time, will receive the papers at \$100. V. E. H. & CO. November 18, 1862.
