

STAR OF THE NORTH

THINGS ABOUT TOWN & COUNTRY BLOOMSBURG, PA.

WEDNESDAY MORNING, MAY 18, 1864.

See announcement of candidates in another column. Still they come.

The Lackawanna R. R. Bridge between Scranton and Hyde Park, has been destroyed by fire.

Rev G. W. Scott will preach in the Baptist Church of this place, on Sabbath next, at 10 o'clock in the morning and half-past 7 o'clock in the evening.

This Commissioners give notice in another column to the Tax-Collectors of Columbia county, that they desire them to settle up all back taxes for the year 1863 and previous years, on Saturday the 28th inst., otherwise collections will be enforced.

AGRICULTURE.—The Columbia County Agricultural, Horticultural and Mechanical Association will hold its annual meeting for the election of officers to serve for one year, on Saturday, May 21st 1864, at the Court House in Bloomsburg.

Hon. Wm. Ellwell, President Judge of our District, holds a Special Court at Pottsville this week. Last week he was engaged holding Court in Scrubury, Northumberland county, and next he will preside at this regular May Term, at Laporte, Sullivan county.

The Telegraph informs the country that General Butler has commenced to besiege Fort Darling. This may be possible as his army has been working itself step by step in that direction. Fort Darling is a difficult piece of work to capture, and in our opinion, until our army does take it, we cannot announce the taking of Richmond!

The grain crops down country look tolerably good. They are far ahead of ours in that portion of New Jersey we passed through last week. The farmers there cultivate less land than our Pennsylvanians and farm it better. It pays them well to do so. Their productions are chiefly for the Philadelphia market.

The Dentists in the region of the Susquehanna met in Danville, in Convention, on Wednesday, May 4th. They formed themselves into an organization, elected their officers, and appointed another meeting to be held on the second Monday in January next. We notice the name of our friend Dr. Hower in the proceedings. They are known as the "Susquehanna Dental Association."

FATAL ACCIDENT.—On Friday last Mr. Porter Zerler of Davidson township, Sullivan county, while engaged peeling logs, at the Creveling Mills, in Sugarloaf township Columbia county, met with a fatal accident by a large log rolling upon him, and crushing his head and body severely. There were no persons by when the accident happened, and when he was found, a short time after, his body was lifeless. He was an honest and industrious young man, aged about 22 years, leaving a mother, who was dependent upon him for support.

Tuesday night's papers give General Lee's loss in killed and wounded 30,000, and the Tribune has put our loss down at 50,000. These losses may not be correct, but we fear they are not any less. Some of the most desperate fighting of the war took place last week. Our boys had to fight against their equals in ability and courage; and against the Rebel's advantages in having entrenchments, breast works, and all manner of defences, for our soldiers to encounter. Nearly every foot of ground has been contested.

Butter is still selling at a high figure in this place. This is the only country town we know of where the article has been put up beyond the reach of the poorer class of people. There is no occasion for this. The article being scarce, is no reason for Merchants should try to out-strip each other in paying such a high price. They would receive just as much by paying a reasonable price. It is not only the case in this one article, but so with every article of produce a family is obliged to consume. Potatoes 75 cts., Butter, 40 cts., (a few cts. lower just now) eggs 20 cts., ham 20 cts., sugar ranging from 18 to 22 cts., and molasses \$1.25 per gallon. These are a few of the many articles now selling beyond a reasonable figure. But these are the good Lucknow times promised the poor people.

ADJUTANT COLEMAN, of Col. Ent's Regiment, writes to his father, at this place, giving an account of their march to the front, and of the first, second and third day's fighting, in which their Regiment participated. On the third day Adjutant Coleman was taken off the field sick, suffering from the effects of a severe sore on one of his legs, and not having sufficiently recovered from his late illness; he was conveyed from place to place in the Ambulance for several days, after which he was sent on to Washington, with the wounded. He remains in the regiment having suffered severely from the death of Samuel Goshall, a comrade. The casualties, generally, of the Regiment, he is unable to give, as continued from day to day till removed from the front. The regiment took place in the seven days' fight at and near Spotsylvania. He states that the 9th Regiment for home on the 5th, 11th were to leave on the 5th, but the fighting continued, and he thinks a great many of our brave boys were killed and many a poor fellow was wounded.

U. S. 10-40 BONDS.

These Bonds are issued under the Act of Congress of March 8th, 1864, which provides that all Bonds issued under this Act shall be EXEMPT FROM TAXATION by or under any state or municipal authority. Subscriptions to these Bonds are received in United States notes or notes of National Banks. They are TO BE RECEIVED IN COIN, at the pleasure of the Government, at any period not less than ten nor more than forty years from their date, and until their redemption FIVE PER CENT. INTEREST WILL BE PAID IN COIN, on Bonds of not over one hundred dollars annually and on all other Bonds semi-annually. The interest is payable on the first days of March and September in each year.

Subscribers will receive either Registered or Coupon Bonds, as they may prefer. Registered Bonds are recorded on the books of the U.S. Treasurer, and can be transferred only on the owner's order—Coupon Bonds are payable to bearer, and are more convenient for commercial uses. Subscribers to this loan will have the option of having their Bonds drawn in part from March 1st, by paying the accrued interest in coin—(or in United States notes, or the notes of National Banks, adding fifty per cent. for premium,) or receive their drawing interest from the date of subscription and deposit. As these Bonds are EXEMPT FROM MUNICIPAL OR STATE TAXATION,

their value is increased from one to three per cent. per annum, according to the rate of tax levied in various parts of the country. At the present rate of premium on gold they pay OVER EIGHT PER CENT INTEREST in currency, and are of equal convenience as a permanent or temporary investment. It is believed that no securities offer so great inducements to lenders as the various descriptions of U. S. Bonds. In all other forms of indebtedness, the faith or ability of private parties or stock companies, or separate communities only is pledged for payments, while for the debts of the United States the whole property of the country is held to secure the payment of both principal and interest in coin.

These Bonds may be subscribed for in sums from \$50 up to any magnitude, on the same terms, and are thus made equally available to the smallest lender and the largest capitalist. They can be converted into money at any moment, and the holder will have the benefit of the interest. It may be useful to state in this connection that the total Funded Debt of the United States on which interest is payable in coin, on the 31st day of March, 1864, was \$768,965,000. The interest on this debt for the coming fiscal year will be \$45,937,126, while the customs revenue in gold for the current fiscal year, ending June 30th, 1864, has been so far at the rate of over \$100,000,000 per annum.

It will be seen that even the present gold revenues of the Government are largely in excess of the wants of the treasury for the payment of gold interest, while the recent increase of the tariff will doubtless raise the annual receipts from customs on the same amount of importations, to \$150,000,000 per annum. Instructions to the National Banks acting as loan agents were not issued from the United States Treasury until March 20th, but in the first three weeks of April the subscriptions averaged more than TEN MILLIONS A WEEK.

Subscriptions will be received by all National Banks which are depositaries of public money, and all RESPECTABLE BANKS AND BANKERS throughout the country, (acting as agents of the National Depositary Banks,) will furnish further information on application and AFFORD EVERY FACILITY TO SUBSCRIBERS. May 4, 1864.—2m.

PERHAM'S INVALID SOLDIER NATIONAL HOME ENTERPRISE. 585 BROADWAY NEW YORK. THE MIRROR OF THE REBELLION. The Most Complete and Magnificent War Exhibition Extant. Devoted to raising Funds for a National Home. 100,000 TICKETS, AT \$1 EACH. A DONATION OF \$34,720 in Volante Property to the Ticket Holders.

JOSIAH PERHAM, Agent for the Proprietors, has the honor to announce a plan for creating a fund for the founding of a National Institution, to be a home for invalid, disabled, discharged soldiers. The original number of Tickets issued for this object was 100,000, one third of which have been already disposed of in Boston, Mass., where the enterprise was first projected. Each of the One Dollar Tickets is good for Four Admissions to the Mammoth MIRROR OF THE REBELLION, at 585 Broadway, New York City, or wherever else exhibited. One half of the profits of the entire sale will be exclusively devoted and donated to the above named patriotic object. According to the original advertised plan, a Mass Meeting of the ticket holders was held in Faneuil Hall, Boston, on Nov. 4th, and an adjourned meeting at the same place on Dec. 18th. The following named gentlemen were elected as a Board of Trustees, to receive the funds which may accrue from the novel enterprise, and to appropriate the same to this object in accordance with the plan of the originator: Gen. John S. Tyler, Boston; his Excellency Governor James V. Smith, of Rhode Island; Hon. Geo. Briggs of New York; his Excellency Gov. A. G. Curtis of Maine; Major Gen. N. P. Banks, of Mass.; Major Gen. O. O. Howard of Maine; his Excellency Gov. Richard Yates, of Illinois.

To speedily accomplish this great object, every wise means will be used by the projector to effect the immediate sale of the tickets; and he calls upon the loyal and humane to assist earnestly in carrying this noble undertaking forward to a triumphant success. Neither its importance, nor its feasibility, can be called in question. Let the people but respond in a spirit worthy of the project, and no obstacles shall delay its consummation. Making the proposition in good faith, and ready to devote his whole energies to the great work, the projector firmly believes the tide of popular favor will flow in the desired direction, and accomplish the founding and erection of a permanent National Institution, which shall be an asylum for the retired soldier, whose loss of health or limb is his diploma for heroic services performed in his country's cause, and which shall go down to the future generations a blessing to mankind and an honor to our country in witnessing this splendid series of Paintings.

By combining this enterprise with a public place of amusement of such well established high character and merit, the subscriber to the fund, while giving his money for the promotion of a great charitable design, may receive a full equivalent for the outlay in witnessing this splendid series of Paintings. ATTRACTIVE BOUNTY TO PURCHASER. To effect the speediest possible sale of these tickets, so that unnecessary expense may be saved, and the National Home Fund proportionately increased, a further inducement is offered as a bounty to purchasers. As soon as the tickets shall have been sold, in addition to one half the profits, as aforesaid, the following described property will be donated to the ticket holders, and placed in the hands of their Trustees, a distinct board having been chosen for that purpose, at the mass meeting held as above stated, and which consists of the following gentlemen who, on receipt of the property, will dispose of the same, by lot, or otherwise, as the ticket holders in mass meeting may direct—there to be no violation of law in such disposal: Hon. C. Rogers, Hon. C. V. Stuck, Gen. Robt. Cowdin, Col. A. J. Wright, John C. Haynes, Esq., of Boston, Joshua Webster Esq., of Mapleview, Mass., Isaac S. Morse Esq., of Cambridge, Mass. SCHEDULE OF DONATION PROPERTY To which the Ticket-holders will be entitled. One general residence in the City of Roxbury, Mass., valued at \$10,000. Three Fine lots, val. at \$500 each, 1,500. Five poor-forties, val. at \$200 each, 1,000. Five Gold Watches, at \$100 each, 500. Fifty Gold Watches, at \$40 each, 2,500. Two shares in the Boston and Worcester Railroad, at \$130 each, 260. Two Sewing Machines, at \$50 each, 100. Total, \$34,720. One notice will be given of the next mass meeting of the ticket holders which will take place in New York City. A National Home Ticket, costing one dollar, consists of five coupons, four of which are admissions to the Mirror, good at any time, and the other a certificate of an interest in the Enterprise, which the purchaser retains. The admission coupon may be used separately, or all at once, as suits the convenience of the purchaser. All communications on the subject, and all orders for tickets by mail, or express, should be directed to JOSIAH PERHAM, Agent, 585 Broadway, New York City. Persons taking an active interest in this charitable undertaking, by getting up clubs, will receive eleven tickets for every ten dollars sent. Jan. 20, 1864.
