

HOSTETTER'S CELEBRATED STOMACH BITTERS.

A pure and powerful Tonic, or a safe and effective remedy in all cases of the STOMACH, LIVER AND BOWELS. Cures Dyspepsia, Liver complaint, Headache, General Debility, Nervousness, Depression of Spirits, Constipation, Colic, Intermittent Fevers, Cramps and Spasms, and all complaints of the Stomach, arising from Bilious Weakness, whether inherent in the system or produced by special causes.

Nothing that is not wholesome, genial and restorative in its nature enters into the composition of HOSTETTER'S STOMACH BITTERS. This popular preparation contains no mineral of any kind, no deadly poisons, no narcotic, no opium, no alcohol, but is a combination of the extracts of rare balsamic herbs and plants with the purest and mildest of all diffusive stimulants.

It is well to be forearmed against disease and, so far as the human system can be protected by human means against malady, Hostetter's Bitters may be relied on as a safeguard.

In districts infested with Fever and Ague, it has been found infallible as a preventive and irrefragable as a remedy and thousands who resort to it under apprehension of an attack, escape the scourge; and thousands who neglect to avail themselves of its protective qualities in advance, are cured by a very brief course of this marvelous medicine. Fever and Ague patients, after being plagued with quinine for months in vain, until fairly saturated with that dangerous antidote, are not unfrequently restored to health within a few days by the use of Hostetter's Bitters.

The weak stomach is rapidly invigorated and the appetite restored by this agreeable Tonic, and hence it works wonders in cases of Dyspepsia and in less confirmed forms of Indigestion. Acting as a gentle and painless aperient, as well as upon the liver, it also invariably relieves the Constipation superinduced by irregular action of the digestive and secretive organs.

Persons of feeble habit, liable to Nervous Attacks, Loss of Sleep and Fits of Languor, find prompt and permanent relief from the Bitters. The testimony on this point is most conclusive, and from both sexes.

The agency of Bilious Colic is immediately assuaged by a single dose of the stimulant and by occasionally resorting to it, the return of the complaint may be prevented.

As a General Tonic, Hostetter's Bitters produces effects which must be experienced or witnessed before they can be fully appreciated. In cases of Constitutional Weakness, and Premature Decay and Debility and Deprivation arising from Old Age, it exercises the electric influence in the convalescent stages of all diseases it operates as a delightful invigorant. When the powers of nature are relaxed, it operates to re-enforce and re-establish them.

And, but not least, it is the Only Safe Stimulant, being manufactured from sound and innocuous materials, and entirely free from the acid elements present in more or less in all the ordinary tonics and "stomachics" of the day.

No family medicine has been so universally, and it may be truly added, deservedly popular with the intelligent portion of the community, as Hostetter's Bitters.
