

THINGS ABOUT TOWN & COUNTRY. BLOOMSBURG, PA.

WEDNESDAY MORNING, JUNE 15, 1864. The County Commissioners advertise a bridge letting in another column of the Star.

The drafted men of Bloom township are notified, we understand, to report at this place, on the 23d inst.

We hear accounts of those having been frost several places in this county, on Monday morning last, but no damage is known to have been done to the fruit or grain crops.

On Thursday evening there will be a special meeting of the Democratic Association of this place. A full attendance is desired as important business will be transacted.

Success—Henry Stone, of Abington, for months laboring under despondence, hangs himself last Saturday. He was found in the woods about half a mile from the house. He leaves a family—Record of the Times.

GOLD MARKET—The re-nomination of Mr. Lincoln has had a bad effect on the Gold market. The next day after his nomination at Baltimore, gold ran up to \$138, the highest figure yet known.

Hon. Geo. D. Jackson will please accept our thanks for a copy of "Important General Laws," passed at the last session of the Legislature. It embraces the Revenue, Militia, Appropriation and Appointment Acts.

In another column of the Star will be seen the names of the fifty per cent, as taken off the last draft, by order of Captain Manville, Provost Marshal of this District. An alteration in the original Act forbids the drawing of this excess over and above the regular quota. These men need not report.

PHILIP KNOWLES, of Bonion, caught a trout in Fishingcreek, near that place, not long since, measuring in the neighborhood of 16 inches, and weighed 1 pound and 15 ounces. He sold it for one dollar and twenty-five cents. This was an extraordinary trout and remarkably well sold.

On Monday last the Treasurer of this county, David C. McHenry, exposed to public view certain tracts of seated and unseated lands for arrears of State, County, Road, School and Poor Taxes, for the years 1862 and 1863. The sale took place at the Court House. The number of tracts sold were not very numerous.

Mr. Isaac Lewis, of Sugarloaf, this county, lost a fine mare, on Wednesday last, worth on his way home from this place, near Bernard Ammerman's, in Fishingcreek. The animal complained the evening previous, but on the following morning it was thought she had recovered sufficiently to be taken home.

We unintentionally neglected to notice in our last, the death of Wm. S. TOWNSHEND, of the 106th Regiment, P. Y., who died in one of the Hospitals at Philadelphia, on Monday, the 30th of May last. His remains were brought to Light Street, his home, where they were interred, on the following Sabbath after his demise, with military honors, by returned veteran soldiers both of Light Street and this place.

J. F. FEENE, Esq., has our thanks for a copy of his little work, entitled "Notes on the Constitution of the United States, with explanations of the most eminent Statesmen and Jurists." It contains historical and explanatory notes on every article. The work is well prepared, by the able and talented author, C. CHATSWORTH BURN, who wrote the "History of the Union and the Constitution." Published by J. F. Feene, No. 26 Ann Street, New York. Price, 25 cents per copy.

The friends of Captain CHARLES G. JACKSON will be pleased to learn that he has been heard from. He was wounded in the left leg, on the second day's fight, in the present campaign, after which he was taken prisoner, and at present is lying in one of the army's hospitals, at Gordonsville, Virginia. He is the oldest son of M. W. Jackson, of Berwick, and Captain in Col. Sam'l Bowman's Regiment, the old gallant 84th Pennsylvania Volunteers. This Regiment has suffered severely in all the late battles, losing their Lieutenant-Colonel on the second or third day's fighting, with a heavy percentage of line officers, in proportion to the number of men.

Dr. JACOB HORTON, of New Berlin, Union county, Pa., sent us a few copies of a little tract, written and published by himself, entitled, "The Slaves' Covenant by the Bible, or Prohibited by the Constitution of the United States?" These tracts are offered for sale at 10 cents apiece. They are well worth the money and a person's time to set down and read one of them. The entire little work is supported by scriptural evidence, and of that character which is hard to misunderstand. The Dr. claims to be trying to convert the North and South into measures concerning the Slavery question as viewed and upheld by the Bible and protection of the Constitution, for which he has repeatedly been the object of censure and a great deal of abuse by both the Radicals of the South and the Abolitionists of the North. Any person wishing to purchase his little tract can be accommodated by calling at the Star office.

The "Iron Guard" are expected here to-day, (Wednesday). Our citizens have made preparations to give them a handsome reception. Their ranks have become thinned by the many hard fought battles, through which they have victoriously passed, and the deprivations and hardships incident to war. We will give them a more extended notice in our next.

PRICE & MILLER, of Centerville, are sole Agents for the sale of BLISS & DAVIS's patented improved self-heating Smoothing Irons, in Columbia and Lenoire counties. We shall speak of this improvement in our next.

U. S. 10-40 BONDS.

These Bonds are issued under the Act of Congress of March 8th, 1864, which provides that all Bonds issued under this Act shall be EXEMPT FROM TAXATION by or under any state or municipal authority. Subscriptions to these Bonds are received in United States notes or notes of National Banks. They are TO BE REDEEMED IN COIN, at the pleasure of the Government, at any period not less than ten nor more than forty years from their date, and until their redemption FIVE PER CENT INTEREST WILL BE PAID IN COIN, on Bonds of not over one hundred dollars annually and on all other Bonds semi-annually. The interest is payable on the first days of March and September in each year.

Subscribers will receive either Registered or Coupon Bonds, as they may prefer. Registered Bonds are recorded on the books of the U. S. Treasurer, and can be transferred only on the owner's order—Coupon Bonds are payable to bearer, and are more convenient for commercial uses.

Subscribers to this loan will have the option of having their Bonds draw interest from March 1st, by paying the accrued interest in coin—or in United States notes, or the notes of National Banks, adding fifty per cent, for premium, or receive their drawing interest from the date of subscription and deposit. As these Bonds are Exempt from Municipal or State Taxation,

their value is increased from one to three per cent per annum, according to the rate of tax levied in various parts of the country. At the present rate of premium on gold they pay OVER EIGHT PER CENT INTEREST in currency, and are of equal convenience as a permanent or temporary investment.

It is believed that no securities offer so great inducements to lenders as the various descriptions of U. S. Bonds. In all other forms of indebtedness, the faith or ability of private parties or stock companies or separate communities only is pledged for payment, while for the debts of the United States the whole property of the country is held to secure the payment of both principal and interest in coin.

These Bonds may be subscribed for in sums from \$50 up to any magnitude, on the same terms, and are thus made equally available to the smallest lender and the largest capitalist. They can be converted into money at any moment, and the holder will have the benefit of the interest.

It may be useful to state in this connection that the total Funded Debt of the United States on which interest is payable in gold, on the 3d day of March, 1864, was \$768,965,000. The interest on this debt for the coming fiscal year will be \$45,937,126, while the customs revenue in gold for the current fiscal year, ending June 30th, 1864, has been so far at the rate of over \$100,000,000 per annum.

It will be seen that even the present gold revenues of the Government are largely in excess of the wants of its treasury for the payment of gold interest, while the recent increase of the tariff will doubtless raise the annual receipts from customs on the same amount of importations, to \$150,000,000 per annum.

Instructions to the National Banks acting as loan agents were not issued from the United States Treasury until March 26, but in the first three weeks of April the subscriptions averaged more than TEN MILLIONS A WEEK.

Subscriptions will be received by all National Banks which are depositaries of public money, and all RESPECTABLE BANKS AND BANKERS throughout the country, (acting as agents of the National Depository Banks,) will furnish further information on application and AFFORD EVERY FACILITY TO SUBSCRIBERS.

Subscriptions will be Received by the First National Bank of Danville, Pa. May 4, 1864—2m.

WALLOW two or three hogheads of "Buck's" "Cough Bitters," "Sarsaparilla," "Nervous Antidotes," &c., &c., and after you are satisfied with the result, then try one box of OLD DR. BUCHAN'S ENGLISH SPECIFIC PILLS—and be restored to health and vigor in less than thirty days. They are purely vegetable, pleasant to take, prompt and salutary in their effects on the broken-down and shattered constitution. Old and young can take them with advantage. Imported and sold in the United States only by JAS. S. BUTLER, General Agent, Station D, Bible House, New York.

P. S.—A box sent to any address on receipt of price—which is One Dollar—post free. March 16, 1864—3m.
