

# HOSTETTER'S CELEBRATED STOMACH BITTERS.

A pure and powerful Tonic, or  
An alternative of wonderful efficacy in  
cases of the STOMACH, LIVER AND  
OWELS. Cures Dyspepsia, Liver Com-  
plaint, Headache, General Debility, Ner-  
vousness, Depression of Spirits, Constipa-  
tion, Colic, Intermittent Fevers, Cramps  
and Spasms, and all complaints of either  
Sex, arising from Bodily Weakness  
whether inherent in the system or produced  
by special causes.

Nothing that is not wholesome, genial  
and restorative in its nature enters into  
the composition of HOSTETTER'S STOMACH  
BITTERS. This popular preparation  
contains no mineral of any kind, no deadly  
chemical element, no fiery excitant; but  
it is a combination of the extracts of rare  
herbs and plants with the purest and  
mildest of all diffusive stimulants.

It is well to be forewarned against disease  
and, so far as the human system can be  
protected by human means against mal-  
ladies, Hostetter's Bitters may be relied  
on as a safeguard.

It cures indigestion with Fever and Ague,  
it has been found infallible as a preventive  
and irresistible as a remedy and thousands  
who resort to it under apprehension of an  
attack, escape the scourge; and thousands  
who neglect to avail themselves of its pro-  
tective qualities, are cured by a  
very brief course of this marvelous medi-  
cine. Fever and Ague patients, after be-  
ing pined with quinine for months in vain,  
unfailingly saturated with that dangerous  
alkaloid, are not infrequently restored to  
health within a few days by the use of  
Hostetter's Bitters.

The weak stomach is rapidly invigorated  
and the appetite restored by this agreeable  
Tonic, and hence it works wonders in  
cases of Dyspepsia and in less confirmed  
forms of Indigestion. Acting as a gentle  
and painless aperient, as well as upon  
the liver, it also invariably relieves the  
Constipation superinduced by irregular  
action of the digestive and secretory or-  
gans.

Persons of feeble habit, liable to Nervous  
Ataxia, Loss of Spirits and Fits of Lan-  
guor, find prompt and permanent relief  
from the Bitters. The Testimony on this  
point is most conclusive, and from both  
sexes.

The agony of Bilious Colic is immedi-  
ately assuaged by the single dose of the  
stimulant and by occasionally resorting to  
it, the return of the complaint may be pre-  
vented.

As a General Tonic, Hostetter's Bitters  
produces effects which must be experi-  
enced or witnessed before they can be fully  
appreciated. In cases of Constitutional Weak-  
ness, and Premature Decay and Debility  
and Despondency arising from Old Age, it  
excites the electric influence. In the  
convalescent stages of all diseases it op-  
erates as a delightful invigorant. When the  
powers of nature are relaxed, it operates to  
re-energize and re-establish them.

Last, but not least, it is the The Only  
Safe Stimulant, being manufactured from  
sound and innocuous materials, and en-  
tirely free from the acid elements present  
more or less in the ordinary tonics and  
stimulants of the day.

No family medicine has been so univer-  
sally, and it may be truly added, de-  
servedly popular with the intelligent portion  
of the community, as Hostetter's Bitters.

TEAS, and are selling them at not over  
**TWO CENTS (.02 CENTS) per pound**

Another peculiarity of the Company is  
that their Tea Taster not only devotes  
his time to the selection of their TEAS  
as to quality, value, and particular styles for  
particular localities of country, but he  
helps the TEA buyer to choose out of their  
enormous stock such TEAS as are best  
adapted to his particular wants, and not only  
this, but points out to him the best bur-  
gains.

It is easy to see the incalculable advan-  
tage a Tea Buyer has in this establishment  
over all others.

if his time is valuable, he has all the bene-  
fits of a well organized system of doing  
business, of an immense capital, of the  
judgement of a Professional Tea Taster,  
and the knowledge of superior salesmen.

This enables all Tea buyers—no matter  
if they are thousands of miles from this  
market—to purchase on as good terms here  
as the New York Market.

Parties can order Teas will be served by  
us as well as though they came themselves  
being sure to get original packages, true  
weights and tares; and the TEAS are war-  
ranted as represented.

followed by these "Direful Diseases."  
"INSANITY AND CONSUMPTION."—  
Many have been the cause of their suf-  
fering, but none will confess the Records  
of the Insane Asylums.

Thousands upon Thousands who have  
been the victims of Quacks, and who have  
paid heavy fees to be cured in a short

heavy engraving, making it, not only in

## N. Y. WEEKLY NEWS.

The cheapest and best New York News-  
paper. Only one cent per annum. Eight  
pages—four columns. A complete record  
of events, Benjamin Wood, editor and pro-  
prietor. Published at No. 19 City Hall  
Square, Daily News Building, New York  
City.

**THE NEW YORK WEEKLY NEWS** is  
unrivalled in its ability and enterprise as a  
public journal, and in  
**EVERY DEPARTMENT**  
is most efficiently conducted, so as to form  
a weekly record of events political, com-  
mercial, financial and literary, throughout  
the World. In addition to this it contains  
all the Domestic Intelligence of each week  
and full reports of every matter of public  
interest.

As a political Journal The Weekly News  
will be found on the side of the Constitu-  
tion of the country as it was framed and  
established by the Fathers of the Republic,  
and will scan with care and fidelity every  
public act that may tend to the violation of  
the letter and spirit of that instrument of our  
liberties. It prefers the

**POLICY OF PEACE**  
to a ruinous and exhausting system of War.  
Insisting upon the truth of the principle  
embodied in the Declaration of Indepen-  
dence, that the just powers of the Govern-  
ment are derived from the consent of the  
governed, it opposes the preparation of the  
fundamental principles of liberty, and as  
of more sacred importance than national  
grandeur or consolidated power under des-  
potic rule without the pale of established  
law. On all questions of national impor-  
tance it is the inflexible champion of the  
rights of citizens, as guaranteed under the  
instruments by which they have decided to  
be governed. It therefore boldly avows its  
purpose to sustain the Freedom of Speech  
and of the Press, with the view to protect  
the people from the encroaching dogmas of  
theorists who contemplate a modification of  
the democratic principles which to this  
time have been sustained against every ef-  
fort to overthrow them.

In all matters per-  
taining to Government the purpose of the  
newspaper is to protect the people from in-  
considerate and rash legislation, and to  
hold our public servants to a strict account-  
ability for their conduct while carrying on  
the machinery of power. To this end the  
Federal and Legislative laws, and a firm  
and impartial examination of every new  
political proposition may be expected as  
the only means of protecting the people  
from an abridgement of their rights.

**COMMERCIAL & MARKET REPORTS**  
are given in the most succinct yet complete  
manner. They claim particular notice  
for their fidelity and truth, and all those  
who desire to comprehend the exact finan-  
cial condition of the country should not  
fail to examine the views which will be  
found in this department of the journal.

**THE FOREIGN CORRESPONDENCE**  
will be found especially interesting and in-  
structive and being derived from the most  
able minds in Europe must be read  
with the most avidity by those who desire  
to comprehend that diplomacy of the Gov-  
ernments of the Old World.

In all other respects THE WEEKLY  
NEWS will be found to meet the public de-  
mand. It is the special object of the Pro-  
prietor to render it a valuable and enter-  
taining.

**FAMILY NEWSPAPER,**  
pure in its moral influence, enabling in  
its character, and satisfactory to that large  
class in the community who desire to see  
the Public Press treat all public questions  
with arguments expressed in courtesy and  
candor, though, at the same time, with the  
spirit due to the themes discussed.

By reference to the terms of The New  
York Weekly News it will be noticed that  
it is by far the cheapest paper in the  
world, and the Proprietor feels that he may  
invite those who approve of its principles  
and conduct to use their influence in adding  
to its present large circulation.

The Folding Case of the Family Ma-  
chine is a piece of cunning workmanship  
of the most useful kind. It protects the ma-  
chine when not in use, and when about to  
be operated may be opened as a spacious  
and substantial table to sustain the work.  
While some of the Cases, made out of the  
cheapest woods, are finished in the sim-  
plest and cheapest manner possible, others  
are adorned and embellished in the most  
costly and superb manner.

It is absolutely necessary to see the Fam-  
ily Machine in operation, so as to judge of  
its great capacity and beauty.

It is fast becoming as popular for family  
sewing as our Manufacturing machines are  
for manufacturing purposes.

The Branch Offices are well supplied with  
silk, twist, thread, needles, oil, etc., of the  
very best quality.

cation. A work of 400 pages, and  
30 colored engravings. DR. HUNTER'S  
"VADEMECUM," an original and popula-  
rization on Man and Woman, their Phys-  
iology, Functions, and Sexual Disorders of  
every kind, with Never-Failing Remedies  
for their speedy cure. The practice of  
Dr. HUNTER has long been, and still is,  
unbounded, but at the earnest solicitation  
of numerous persons, he has been induced  
to extend his medical usefulness through the  
medium of his "VADEMECUM." It is  
a volume that should be in the hands of

secret vices, or as a guide for the allevia-  
tion of one of the most awful and destruc-  
tive scourges ever visited mankind. One  
copy, securely enveloped, will be forward-

**Old Things Become New,**  
The undersigned would beg leave to in-  
form his old friends, and "the rest of man-  
kind," that he has lately returned from the  
service of his country, and again re-  
opened his OLD RESTAURANT, and  
ED TAILORING SALOON,  
with a view of making up entire new gar-  
ments, as well as mending old ones, for all  
mankind, [and any body else,] who may  
favor him with their work in his line.  
He is prepared to do work NEAT, FASH-  
IONABLE and SUBSTANTIAL, and hopes  
by so doing, and strict attention to business  
to merit and receive a due share of patron-  
age. But remember, that the times are  
tough, and something to live upon,  
he therefore hopes and trusts, that when  
he has done his part, his customers will  
do theirs, by furnishing the "ready John,"  
or ready trade. For truly the "Laborer  
is worthy of his hire."
