A and alternative of wonderto' efficacy in centre and pier tables, detashns, plaint, Headache, General Debility, Nerrousness, Depression of Spirits, Constipa tion, Colic, Intermittent Fevers, Cramps and Spasms, and all complaints of either Sex, arising from Bodily Weakness whether inherent in the system or producet by special causes.

. Nothing that is not whol some, genial and restorative in its nature enters into ACH BITTERS. This popular preparation contains no mineral of any kind, no deadly botanical element; no fiery excitant; but It is a combination of the extracts of rare balsanio berbs and plants with the purest and mildest of all diffusive stimulants.

It is well to be forearmed against disease and, so far as the homan system can be projected by human means against mala- A GOOD AND DURABLE TIME-PIECE d es engendered by an unwholesome atmosphere, impure water and other external causes, Hosterter's Bitters may be relied on as a safeguard.

In districts infested with Fever and Ague. it has been found infallible as a preventive and irresistible as a remedy and thousands who resort to it under apprehension of an attack, escape the scourge; and thousands who neglect to avail themselves of its protective qualities in advance, are cored by a very brief course of this marvelous medicine. Fever and Ague patients, after being pl'ed with quinire for months in vain. until fairly saturated with that dangerous alk-loid, are not unfrequently restored to heavin within a few days by the use of Hostetter's Bitters.

The weak stomach is rapidly invigorated and the appetite restored by this agreeable Tonic, and bence it works wonders in cases of Dyspepsia and in less confirmed forms of Indigestion. Acting as a gentle and painless apperient, as well as upon the liver, it also invariably relieves the Constipation superinduced by irregular action of the digestives and secretive or-

In cases of Constitutional Weakness, and Premature Decay and Debility and Decrepitude arising from Old Age, it exercises the electric infinence. In the convalencent stages of all diseases it operates as a delightful invigorant. When the powers of nature are relaxed, it operates to re enforce and re-establ sh them.

Last, but not least, it is the The Only Safe Stimulent, being manufactured from sound and innocuous materials, and entirely free from the acid elements present more or less in all the ordinary tonics and etomachies of the day.

No family medicine bas been so universally, and, it may be truly added, deservedly popular with the intelligent portion of the community, as Hostetter's Bitters. Prepared by HOSTETTER & SMITH

White Men's Liberties -- State Rights -- Federal Union. The New York Day-Book is an independent. Democratic Journal, holding with the late Senator Douglas, that "this govern ment is made on the white basis, by white pattment is placed on the most finished men, for the benefit of white men and and perfect system that experience can de- their posterity forever." It is a large dowble sheet, with forty eight columns of reading matter, and in all respects-whether for Markets, news, Literary or Agricultural information-is not inferior to any as a poi litical or family newspaper. In its politie cal department, it grapples boldly with the real question before the American people, and presents the only philosophy of which can resist the sweeping march of Abolitionism. It is Democratic in the true sense of the term-the defender of the people's rights, but it is the upholder of no party chicanery or trickery. It is not only for peace, but it shows how, and how only, permanent peace can be obtained, and this glorious white man's government of Washington restored, viz: by the utter route, overthrow, and extermination of Abolition-

ism from American soil. The Day Book is now the only weekly political paper in New York city made no others are rehashed from the columns of some daily paper, which renders it almost impossible to give so complete and general rooms, will always be properly attended. al-o, must see to it that sound papers are.
