

# HOSTETTER'S STOMACH BITTERS.

A PURE and powerful Tonic, corrects and restores to the human system the diseased condition of the STOMACH, LIVER AND BOWELS. Cures Dyspepsia, Liver complaint, Headache, General Debility, Nervousness, Depression of Spirits, Constipation, Colic, Intermittent Fevers, Cramps and Spasms, and all complaints of either Sex, arising from Bodily Weakness whether inherent in the system or produced by special causes.

Nothing that is not wholesome, genial and restorative in its nature enters into the composition of HOSTETTER'S STOMACH BITTERS. This popular preparation contains no mineral of any kind, no deadly botanical element; no fiery excitant; but it is a combination of the extracts of rare Balsamic herbs and plants with the purest and mildest of all diffusive stimulants.

It is well to be forearmed against disease, and so far as the human system can be protected by human means against malaria, as engendered by an unwholesome atmosphere, impure water and other external causes, Hostetter's Bitters may be relied on as a safeguard.

In districts infested with Fever and Ague, it has been found infallible as a preventive and as a remedy. In less common malarial cases, it is equally efficacious in the treatment of an attack, escape the scourge; and thousands who neglect to avail themselves of its protective qualities in advance, are cured by a very brief course of this marvelous medicine.

Persons of feeble habit, liable to Nervous Attacks, Loss of Spirit and Fit of Languor, find prompt and permanent relief from the Bitters. The testimony on this point is most conclusive, and from both sexes.

The agency of Bilious Colic is immediately assuaged by a single dose of the stimulant and by occasionally resorting to it, the return of the complaint may be prevented.

As a General Tonic, Hostetter's Bitters produce effects which must be experienced or witnessed before they can be fully appreciated. In cases of Constitutional Weakness, and Premature Decay and Debility, it exercises the electric influence. In the convalescent stages of all diseases it operates as a delightful invigorant. When the powers of nature are relaxed, it operates to re-enforce and re-establish them.

THE NEW YORK WEEKLY NEWS is unrivaled in its ability and enterprise as a public journal, and in EVERY DEPARTMENT is most efficiently conducted, so as to form a weekly record of events political, commercial, financial and literary, throughout the World. In addition to this it contains all the Domestic Intelligence of each week and full reports of every matter of public interest.

As a political Journal The Weekly News will be found on the side of the Constitution of the country as it was framed and established by the Fathers of the Republic, and will scan with care and fidelity every public act that may tend to the violation of the letter and spirit of that instrument of our liberties. It prefers the POLICY OF PEACE

to a ruinous and exhausting system of War. Insisting upon the truth of the principle embodied in the Declaration of Independence, it opposes all measures which are derived from the consent of the governed, it urges the preservation of the fundamental principles of liberty, inviolate, as of more sacred importance than national grandeur or consolidated power under despotic rule without the pale of established laws. On all questions of national importance it is the inflexible champion of the rights of citizens, as guaranteed under the instruments by which they have elected to be governed. It therefore boldly avows its purpose to sustain the Freedom of Speech and of the Press, with the view to protect the people from the encroaching dogmas of theorists who contemplate a modification of the democratic principles which to this time have been sustained against every effort to overthrow them.

In all matters pertaining to Government the purpose of this newspaper is to protect the people from inconsiderate and rash legislation, and to obtain for the people a strict accountability for their conduct while carrying on the machinery of power. To this end the most careful attention will be given to all Federal and Legislative laws, and a firm and impartial examination of every new political proposition may be expected as they are introduced to the consideration of the people from an abridgement of their rights to this time have been sustained against every effort to overthrow them.

## WHITE MEN MUST RULE AMERICA.

THE CHEAPEST PAPER PUBLISHED. FORTY-EIGHT columns of reading matter per week for \$1 20 per year. The only New York Paper made up exclusively for country circulation; and in the time of the week, with the cattle, produce, and other market, carefully reported.

The New York Day-Book for 1864. White Men's Liberties—State Rights—Federal Union. The New York Day-Book is an independent, Democratic Journal, holding with the late Senator Douglas, that "this government is made on the white basis, by white men, for the benefit of white men and their posterity forever." It is a large double sheet, with forty eight columns of reading matter, and its respect—whether for Markets, news, Literary or Agricultural information—is not inferior to any as a political or family newspaper. In its political department, it grapples boldly with the real question before the American people, and presents the only philosophy of it which can result in complete and general Abolitionism. It is Democratic in the true sense of the term—the defender of the people's rights, but it is the upholder of no party, and its policy is not party policy.

The Daily Book is now the only weekly political paper in New York City made up exclusively for country circulation. All the others are re-hashed from the columns of some daily paper, which renders it almost impossible to give a complete and general summary of the news as in the other case. Persons about subscribing should take this into consideration. Democrats, also, must see to it that sound papers are circulated among the people, or abolitionism will never be put down. All who desire to refute the arguments of Abolitionists, should read "The Day Book."

TERMS.—One copy, one year, \$2 00; Three copies, one year, \$5 00; Five copies, one year, \$7 50; Ten copies, one year, and one to the getter up of the club, \$14 00; Twenty copies, one year, and one to the getter up of the Club, \$24 00. Additional copies, each \$1 20. The name of the post-office, county, and State, should in all cases, be plainly given in every letter.

Payments always in advance, and all papers will be stopped when the time of subscription paid for expires. Address: VAN EVRIE, HORTON & CO., 162 Nassau St., New York.

Special Orders.—We desire this year to place before a million of northern readers the great doctrine of "The Day Book" teaches on the question of the Races. We confidently believe if this Journal were placed in the hands of one half of the voters of the northern States between this time and November, 1864; the Democratic could not fail to carry the next Presidential election. We therefore make the following offers, not in the light of prizes, and not even because it will be profitable, for we can scarcely afford it—but solely to secure a wide dissemination of the views which we profoundly believe will save our country.

Clubs of Twenty.—For a rub of 20, besides the extra paper now offered, we will send a copy of Dr. Van Evrie's great work on "negroes and negro-slavery," the third edition of which is just ready. Price One Dollar.

Clubs of Fifty.—For a club of Fifty subscribers, at \$10, we will send one extra paper, and a complete set of our Anti Abolition Publications; the prices of which, taken together, amount to \$27.

Clubs of One Hundred.—In relation to Clubs of one hundred, we will say this: Whoever will send us one hundred subscribers at one dollar each, will be sent to our address, and begin and end at the same time, will receive the paper at \$100. November 18, 1863.
