

**HOSTETTER'S CELEBRATED STOMACH BITTERS.**

A PURE and powerful Tonic, corrective and alterative of wonderful efficacy in all cases of **STOMACH LIVER AND BOWELS**. Cures Dyspepsia, Liver complaint, Headache, General Debility, Nervousness, Depression of Spirits, Constipation, Colic, Intermittent Fevers, Cramps and Spasms, and all complaints of either Sex, arising from **Biliousness**. Weakness, whether inherent in the system or produced by special causes.

Nothing that is not wholesome, genial and restorative in its nature enters into the composition of **HOSTETTER'S STOMACH BITTERS**. This popular preparation contains no mineral or kindred material, and is entirely free from any deleterious element; no fiery excitant; but it is a combination of the extracts of rare balsamic herbs and plants with the purest and mildest of all diffusive stimulants.

It is well to be forewarned against disease, and so far as the human system can be protected by human means against malarial fevers, and other ailments, which are engendered by an unwholesome atmosphere, impure water and other external causes, Hostetter's Bitters may be relied on as a safeguard.

In districts infested with **Fever and Ague**, it has been found infallible as a preventive and irresistible as a remedy, and thousands who resort to it under the impression of an attack, escape the scourge; and thousands who neglect to avail themselves of its protective qualities in advance, are cured by a very brief course of this marvelous medicine. Fever and Ague patients, after being pined with quinine for months in vain, finally saturated with that dangerous alkali, are not unfrequently restored to health within a few days by the use of Hostetter's Bitters.

The weak stomach is rapidly invigorated and the appetite restored by this agreeable Tonic, and hence it works wonders in cases of Dyspepsia and in less confirmed forms of Indigestion. Acting as a gentle and painless aperient, as well as upon the liver, it also invariably relieves the Constipation superinduced by irregular action of the digestive and secretive organs.

Persons of feeble habit, liable to **Nervous Attacks**, **Losses of Spirits** and **Pits of Languor**, find prompt and permanent relief from the Bitters. The Testimony on this point is most conclusive, and from both sexes.

The agony of **Bilious Colic** is immediately assuaged by a single dose of the stimulant and by occasionally resorting to it, the return of the complaint may be prevented.

As a General Tonic, Hostetter's Bitters produce effects which can be fully appreciated. In cases of Constitutional Weakness, and Premature Decay and Debility and Deceitful arising from Old Age, it exercises the electric influence. In the consequent state of all diseases, it operates as a faithful invigorant. When the powers of nature are relaxed, it operates to re-enforce and re-establish them.

Last, but not least, it is the **Only Safe Stimulant**, being manufactured from sound and innocuous materials, and entirely free from the acid elements present more or less in all the ordinary tonics and stomachics of the day.

No family medicine has been so universally, and it may be truly said, deservedly popular with the intelligent portion of the community, as Hostetter's Bitters.

Prepared by **HOSTETTER & SMITH**, Pittsburgh, Pa. Sold by all Druggists, Grocers and Storekeepers everywhere.

**N. Y. WEEKLY NEWS.**

The cheapest and best New York Newspaper. Only one dollar per annum. Eight pages—forty columns. A complete record of events, Benjamin Wood, editor and proprietor. Published at No. 19 City Hall Square, Daily News Building, New York City.

THE NEW YORK WEEKLY NEWS is unrivaled in its ability and enterprise as a public journal, and in

EVERY DEPARTMENT is most efficiently conducted, so as to form a weekly record of events, political, commercial, financial and literary, throughout the World. In addition to this it contains all the Domestic Intelligence of each week and full reports of every matter of public interest.

As a political Journal The Weekly News will be found on the side of the Constitution of the country as it was framed and established by the Fathers of the Republic, and will scan with care and fidelity every public act that may tend to the violation of the letter and spirit of that instrument of our liberties. It prefers the

**POLICY OF PEACE** to a ruinous and exhausting system of War. Insisting upon the truth of the principle that the just powers of the Government are derived from the consent of the governed, it urges the preservation of the fundamental principles of liberty, inviolate, as more sacred importance than national grandeur or consolidated power under despotic and tyrannical rule of established law. On all questions of national importance it is the inflexible champion of the rights of citizens, as guaranteed under the instruments by which they have decided to be governed. It therefore boldly avows its purpose to sustain the Freedom of Speech and the rights of the press, to protect the people from the encroaching designs of theorists who contemplate a modification of the democratic principles which to this time have been sustained against every effort to overthrow them. In all matters pertaining to Government the purpose of this newspaper is to protect the people from the influence of bad legislation, and to hold our public servants to strict accountability for their conduct while carrying out the machinery of power. To this end the most careful attention will be given to all Federal and Legislative laws, and a firm and impartial examination of every new proposal may be expected as the only means of protecting the people from an abridgement of their rights.

**COMMERCIAL & MARKET REPORTS** are given in the most succinct yet complete manner. They claim particular notice for their fidelity and truth, and all those who desire to comprehend the exact financial condition of the country should not fail to examine the views which will be found in this department of the journal.

**THE FOREIGN CORRESPONDENCE** will be found especially interesting and instructive and being derived from some of the ablest minds in Europe meet with the utmost avidity by those who desire to comprehend that diplomacy of the Governments of the Old World.

In all other respects THE WEEKLY NEWS will be found to meet the public demand. It is the especial object of the Proprietor to render it a valuable and entertaining

**FAMILY NEWSPAPER**, pure in its moral influence, ennobling in its character, and satisfactory to that large class in the community who desire to see the Public Press treat all public questions with arguments expressed in courtesy and candor, and without the least taint of party spirit due to the themes discussed.

By reference to the terms of The New York Weekly News it will be noticed that it is by far the cheapest newspaper in the world, and the Proprietor feels that he may invite those who approve of its principles and its policy to use their influence in adding to its present large circulation.

**PERHAM'S INVALID SOLDIER NATIONAL HOME ENTERPRISE.**

575 BROADWAY NEW YORK. THE MIRROR OF THE REBELLION. The Most Complete and Magnificent War Exhibition Extant. Devoted to raising Funds for a National Union.

100,000 TICKETS, AT \$1 EACH. A DONATION OF \$34,720 in Valuable Property to the Ticket Holders.

**JOSHUA PERHAM, Agent for the Proprietors**, has the honor to announce a plan for raising a fund for the founding of a National Institution, to be a home for invalid, disabled, discharged soldiers.

The original number of Tickets issued for this object was 100,000, one third of which have been already disposed of in Boston, Mass. where the enterprise was first projected.

Each of the One Dollar Tickets is good for Four Admissions to the Mammoth MIRROR OF THE REBELLION, at 585 Broadway, New York City, of whatever value exhibited.

One half of the profits of the entire sale will be exclusively devoted and donated to the above named patriotic object.

According to the original advertised plan, a Mass Meeting of the ticket holders was held in Faneuil Hall, Boston, on Nov. 4th, and an adjourned meeting at the same place on Dec. 15th. The following gentlemen were elected to form a Board of Trustees, to receive the funds which may accrue from the novel enterprise, and to appropriate the same to this object in accordance with the plans of the originator: Gen John S. Tyler, Boston; his Excellency Governor James Y. Smith, of N. H.; Gen. Geo. B. Frisbie, of N. Y.; his Excellency Gov. A. G. Clinton of Pennsylvania; Major Gen N. P. Banks, of Mass.; Major Gen O. O. Howard of Maine; his Excellency Gov. Richard Yates, of Illinois.

To speedily accomplish this great object, every means will be used by the Proprietors to effect the immediate sale of the tickets, and he calls upon the loyal and humane to assist earnestly in carrying this noble undertaking forward to a triumphant success.

Neither its importance, nor its feasibility, can be called in question. Let the people but respond in a spirit worthy of the project, and no obstacles shall delay its consummation.

Making the proposition in good faith, and ready to devote his whole energies to the great work, the projector firmly believes the tide of popular favor will flow in the desired direction, and accomplish the founding and secure the creation of a permanent National Institution, which shall be an asylum for the retired soldier, whose loss of health or limb is his diploma for heroic services performed in his country's cause, and which shall go down to the future generations a blessing to mankind and an enduring monument to the liberality of the loyal people.

By commencing this enterprise with a public place of amusement of such well established high character and merit, the subscriber to the fund, while giving his money for the promotion of a great charitable design, may receive a full equivalent for the outlay in witnessing this splendid series of Paintings.

**ATTRACTIVE BOUNTY TO PURCHASERS.** To effect the speediest possible sale of these tickets, so that unnecessary expense may be saved, and the National Home Fund proportionately increased, a further inducement is offered as a bounty to purchasers.

As soon as the tickets shall have been sold, in addition to one half the profits, as aforesaid, the following described property will be donated to the ticket holders, and placed in the hands of their Trustees, a distinct board having been chosen for that purpose, at the mass meetings held as above stated, and which consists of the following: Tickets by the amount of the property, will dispose of the same, by lot, or otherwise, as the ticket holders in mass meeting may direct—there to be no violation of law in such disposal: Hon. C. O. Rogers, Hon. C. W. Slack, Gen. Bobt Cowdin, Col. A. J. Wright, John C. Haynes, Esq., of Boston, Joshua Webster Esq., of Marblehead, Mass.; Isaac S. Morse Esq., of Cambridge, Mass.
