# STOMACH BITTERS

PURE and powerful Tonic, corrective A and alternative of wondertal efficacy in BOWELS. Cures Dyspepsia, Liver complaint, Headache, General Debility. Ner openess, Depression of Spirits, Constipa tion, Colic, Intermittent Fevers, Cramps and Spasms, and all complaints of either Sex, arising from Bodily Weakness whether inherent in the system or produced by special causes.

Nothing that is not 'wholesome, genial and restorative in its nature enters into ACH BITTERS. This popular preparation contains no mineral of any kind, no deadly hotanical element; no fiery excitant; bu it is a combination of the extracts of rare balsamic herbs and plants with the purest and mildest of all diffusive stimulants.

It is well to be forearmed against disease and, so far as the human system can be protected by human means against malad ee engendered by an unwholesome atmosphere impure water and other external causes, H steiter's Bitters may be relied on as a safeguard.

it has been found infallible as a preventive and irresistible as a remedy and thousands who resort to it under apprehension of an attack, escape the scourge; and thousands who neglect to avail themselves of its protective qualities in advance, are cured by a very brief course of this marvelous medicine. Fever and Ague patients, after being pl'ed with quinice for months in vain. until fairly saturated with that dangerous alk-loid, are not unfrequently restored to heand within a few days by the use of Hostetter's Bitters.

The weak stomach is rapidly invigorated Tonic, and hence it works wonders in ca- on the Face, Pallid Countenance. Constipation superinduced by irregular Patient may expire.

Persons of feeble habit, liable to Nervous guor, and prompt and permaennt relief fering, but none will confess the Records from the Bitters. The Testimony on this of the In-ame Asylums.

produce effects which must be experienced or witnessed before they can be fully appreciated. In cases of Constitutional Weakness, and Premature Decay and Debility and Decrepitude arising from Old Age, it exercises the electric influence. In the convalescent stages of all diseases it operates as a delightful invigorant. When the powers of nature are relaxed, it operates to re enforce and re-establish them.

Last, but not least, it is the The Only Safe Stimulent, being manufactured from sound and innocuous materials, and entirely free from the acid elements present more or less in all the ordinary tonics and etomachies of the day.

No family medicine has been so univereally, and, it may be truly added, deservedly popular with the intelligent portion of the community, as Hostetter's Bitters.

other markets, carefully reported. The New York Day-Book, for 1864. White Men's Liberties-State Rights-Fed-

The New York Day-Book is an indepentent, Democratic Journal, holding with the late Senator Douglas, that "this govern ment is made on the white basis, by white men, for the benefit of white men and their posterity forever." It is a large dogble sheet, with forty eight columns of reading matter, and in all respects-whether for Markets, news, Literary or Agricultural information-is not inferior to any as a political or family newspaper. In its political department, it grapples boldly with the real question before the American people, and presents the only philosophy of it which can resist the sweeping march of Abolitionism. It is Democratic in the true sense of the term-the defender of the people's rights, but it is the upholder of no pary chicanery or trickery.
