

**HOSTETTER'S
CELEBRATED
STOMACH
BITTERS.**

A PURE and powerful Tonic, corrective and alternative of wonderful efficacy in disease of the STOMACH, LIVER and BOWELS. Cures Dyspepsia, Liver complaint, Headache, General Debility, Nervousness, Depression of Spirits, Constipation, Colic, Intermittent Fevers, Cramps and Spasms, and all complaints of either Sex, arising from Bodily Weakness whether inherent in the system or produced by special causes.

Nothing that is not wholesome, genial and restorative in its nature enters into the composition of HOSTETTER'S STOMACH BITTERS. This popular preparation contains no mineral of any kind, no deadly botanical element; no fiery excitant; but it is a combination of the extracts of rare balsamic herbs and plants with the purest and mildest of all medicinal substances. It is well to be forearmed against disease and, so far as the human system can be protected by human means against malaria, engendered by an unwholesome atmosphere, impure water and other external causes, Hostetter's Bitters may be relied on as a safeguard.

It is distinguished by Fever and Ague, it has been found infallible as a preventive and irresistible as a remedy and thousands who resort to it under apprehension of an attack, escape the scourge; and thousands who neglect to avail themselves of its protective qualities in advance, are cured by a very brief course of this marvelous medicine. Fever and Ague patients, after being pined with quinine for months in vain, until fairly saturated with that dangerous alkali, are not unfrequently restored to health within a few days by the use of Hostetter's Bitters.

The weak stomach is rapidly invigorated and the appetite restored by this agreeable Tonic, and hence it works wonders in cases of Dyspepsia and in less confined forms of Indigestion. Acting as a gentle and painless aperient, as well as upon the liver, it also invariably relieves the Constipation superinduced by irregular action of the digestives and secretory organs.

Persons of feeble habit, liable to Nervous Attacks, Loss of Spirit and Fits of Languor, find prompt and permanent relief from the Bitters. The Testimony on this point is most conclusive, and from both sexes.

The agony of Bilious Colic is immediately assuaged by a single dose of the stimulant and by occasionally resorting to it, the return of the complaint may be prevented.

As a General Tonic, Hostetter's Bitters produce effects which must be experienced or witnessed before they can be fully appreciated. In cases of Constitutional Weakness, and Premature Decay and Debility and Debility arising from Old Age, it exercises the electric influence. In the convalescent stages of all diseases it operates as a delightful invigorant. When the powers of nature are relaxed, it operates to re-enforce and re-establish them.

Last, but not least, it is the Only Safe Stimulant, being manufactured from sound and innocuous materials, and entirely free from the acid elements present more or less in all the ordinary tonics and stomachics of the day.

No family medicine has been so universally, and it may be truly said, deservedly popular with the intelligent portion of the community, as Hostetter's Bitters.

Prepared by HOSTETTER & SMITH, Pittsburgh.

N. Y. WEEK Y NEWS.

The cheapest and best New York Newspaper. Only one dollar per annum. Eight pages—four columns. A complete record of events, Benjamin Wood, editor and proprietor, Published at No. 19 City Hall Square, Daily News Building, New York City.

THE NEW YORK WEEKLY NEWS is unrivaled in its ability and enterprise as a public organ, and in

EVERY DEPARTMENT is most efficiently conducted, so as to form a weekly record of events political, commercial, financial and literary, throughout the World. In addition to this it contains all the Domestic Intelligence of each week and full reports of every matter of public interest.

As a political Journal The Weekly News will be found on the side of the Constitution of the country as it was framed and established by the Fathers of the Republic, and will scan with care and fidelity every public act that may tend to the violation of the letter and spirit of that instrument of our liberties. It prefers the

POLICY OF PEACE to a ruinous and exhausting system of War. Investing upon the truth of the principle enunciated in the Declaration of Independence, that the just powers of the Government are derived from the consent of the governed, it urges the preservation of the fundamental principles of liberty, inviolate, as of more sacred importance than national grandeur or consolidated power under despotic and despotic established law.

On all questions of national importance it is the inflexible champion of the rights of citizens, as guaranteed under the instruments by which they have decided to be governed. It therefore boldly avows its purpose to sustain the Freedom of Speech and of the Press, with the view to protect the people from the encroachments of theorists who contemplate a modification of the democratic principles which to this time have been sustained against every effort to overthrow them. In all matters pertaining to Government the purpose of this newspaper is to protect the people from impulsive and rash legislation, and to hold public servants to a strict accountability for their conduct while carrying out the machinery of power. To this end the most careful attention will be given to all Federal and Legislative laws, and a firm and impartial examination of every new political proposition may be expected as the only means of protecting the people from the errors of their representatives.

COMMERCIAL & MARKET REPORTS are given in the most succinct yet complete manner. They claim particular notice for their fidelity and truth, and all those who desire to comprehend the exact financial condition of the country should not fail to examine the views which will be found in this department of the journal.

THE FOREIGN CORRESPONDENCE will be found especially interesting and instructive and being derived from some of the ablest minds in Europe must be read with the most avidity by those who desire to comprehend that diplomacy of the Governments of the Old World.

In all other respects THE WEEKLY NEWS will be found to meet the public demand. It is the especial object of the Proprietor to render it a valuable and entertaining

FAMILY NEWSPAPER, pure in its moral influence, ennobling in its character, and satisfactory to that large class in the community who desire to see the Public Press treat all public questions with arguments expressed in courtesy and candor, thought, at the same time, with the spirit due to the themes discussed.

By reference to the terms of The New York Weekly News it will be noticed that it is by far the cheapest newspaper in the world, and the Proprietor feels that he may invite those who approve of its principles and conduct to use their influence in adding to its present large circulation.
