JOHN DUNN encourages arrests, no matter how they are made, or who they are, only so they are Democrats. He delights in seeing his neighbors dragged off and lodged in some Fort.

CITIZENS OF COLUMBIA COUNTY ARRESTED.—On Wednesday morning of last week the "Army of the Fishergreek" made some seventy arrests, and on the evening of the same day forty-five of the number were sent to Harrisburg, under military guard.

The following named persons are among the prisoners: Daniel McHenry, Treasurer of Columbia County; Rohr McHenry, one of our County Commissioners; Dyer L. Chapin, Merchant of New Columbus; James McHenry, Merchant of Cambria, Luzerne County; William Appleman, Esq., and Mont. Cole, Esq., of Sugarloaf; George Herleman, of Jackson; Wm. E. Barrett, M. D., of Cambria, Luzerne county; John J. Stiles, Landlord, and Hiram Everett, Merchant, in Benton, this county. These men have been arrested and dragged away from their homes for, they know not what. They were not found assembled in arms as has been reported abroad, but at their respective homes. They were summarily arrested and taken from their country, as hundreds of other men have been, throughout the State, without sufficient cause, and may, after some months, be released without trial or even knowing who are their accusers. No more civil, law-abiding, honest, and upright set of people can be found in this county, than just these people the abolitionists have seen fit to break their vengeance upon. What the charges are, if any, against these people, we have not been informed. If they are arrested upon charges manufactured by some of their abolition friends, we would ask for them a speedy trial by the United States Court, as per act of Congress, and give "all whom it may concern" an opportunity to come forward and substantiate the charges. These people are men of property, of liberal means, and should the authorities not be able to give them an immediate trial, in the name of common justice grant them the privilege of entering bail for their appearance. In many of the cases it would be perfectly safe and proper to take their own recognizances. But if they are held and to be tried under military authority, and not turned over to the Courts as is provided, then we have no more to say at present but abide the workings of time.

The impression has gone abroad that these men had congregated, were in arms, threatening resistance to any further advance of the Federal army, and were actually captured as prisoners of war in a fight or skirmish, which was not the case. They were arrested each and every one, early in the morning, by squads of soldiers, at their respective homes before leaving their houses. Many of them were brought away without a coat on their backs. When they were brought through this place some of them were shivering with cold and suffering with hunger, not having had any thing to eat since the evening before. These people are not accustomed to such treatment. The Lincoln administration are fastening the iron fetters and tighter upon the people. The liberties of the people are being taken away step by step. These things cannot always continue in this way—the people must and will be a charge! They are determined to get rid of Abolitionism, conscription, taxation, and despotism, on the 4th of March next. Those saggan slaves at Washington will be cleaned out, in spite of all the Clergy! They preached and prayed for blood-letting until they persuaded the people to try, and now the people are determined that this depletion shall be stopped, and by the party only that can save the country—the Democratic party!

Court has not yet adjourned. There is not much business doing this Term. The Traverse Jurors were dismissed on Monday. It was found that there would be no business to come before them. The Grand Jurors were discharged on Tuesday. The bringing of a lot of soldiers into our county and the pending draft has interfered materially with the business of this Term.—We will give a synopsis of the proceedings in our next.

FISHINGCREEK TOWNSHIP is not so disloyal after all. We understand that the patriotic and loyal township of Catawissa filled its quota chiefly with men from Fishingcreek township. As bad as they have been reported to be they are not too bad or disloyal to fill the quota of an Abolition township. Out upon such patriotism!

In the Republican cannot produce any better reasons for re-electing Lincoln, than it contained last week, it had better abandon its candidate. Lincoln having commenced and continued this war over three years, should have the privilege of closing it, especially when a victory is so near at hand, is among the chief causes set out by these Abolition organs why the people should re-elect him. Lincoln has continued a vigorous prosecution of this war for nearly four years, to complete a job which he told the people could be done in three months, and to-day the rebellion is no nearer an end than it was two years ago. To talk about Lincoln having the rebellion nearly subdued, crushed and strangled, is foolishness, more especially when it comes from men who are presumed to know something.—We wish it was so, and our country once more at peace. But so long as the war is prosecuted for the freedom of the negro, we need not expect a speedy termination of it; and we have very great doubts as to our ability to conquer the South upon that issue. Such a victory is not on record, where a determined set of people of the number of the South, have ever been subdued, by a like number of the North or even more. Any man who votes for Lincoln this Fall votes for more taxes, further conscriptions, and four years more war. This is plainly to be seen.

THOMAS DUNN encourages arrests, no matter how they are made, or who they are, only so they are Democrats. He delights in seeing his neighbors dragged off and lodged in some Fort. He and his whole Abolition party are doing what they can to have us arrested, although he insinuatingly says we are not of sufficient importance. The Abolitionists would have us taken away and lodged in some bastille, simply because we publish a Democratic paper, tell them some stubborn facts, do not support old Abe or the war, but support McClellan, the man who is destined to defeat LINCOLN, the shoddy candidate.

The "Army of the Fishergreek," we understand, has moved a little farther north, in the direction of Phepaxville, some dozen or more miles from Benton, their former place of encampment. There has been no fighting. The Fort is still undiscovered, with those brass pieces, about which the timid Abolitionists have had so much talk. Those who talked the loudest about the Fort are the ones that should be made find it.

A PORTION of the Abolition party want a substitute for A. Lincoln. They think most any kind of a change would be for the better. The Democracy will make a change for them, with LITTLE MAC, in the course of a couple of months.

The political prisoners taken from this county are in Fort Mifflin, near Philadelphia. We call them political prisoners, because we have no evidence of their having committed treason, but are known to be Democrats of the old Jeffersonian stamp.

It is an easy matter to become a martyr. All that is necessary is to support the Constitution, the Union as it was, and oppose old Abe's usurpations and emancipation proclamations. This will insure your name on the roll of martyrs. Suppose Thomas Dunn try it.

As active and intelligent boy is wanted at this office to learn the printing business. One between the ages of 17 and 18 preferred.

We have learned, since writing our article on the arrests made in this county, that Dr. Barrett, of Cambria, is not among the prisoners, but is still a free man.

BLANKS! BLANKS! BLANKS!! DEEDS, SUBMIONS, EXECUTIONS, SUBPENAS of proper desirable forms, for sale at the office of the "Star of the North."

U. S. 7-30 LOAN.

The Secretary of the Treasury gives notice that subscriptions will be received for Coupon Treasury Notes, payable three years from Aug. 15th, 1864, with semi-annual interest at the rate of seven and three-tenths per cent. per annum,—principal and interest both to be paid in lawful money.

These notes will be convertible at the option of the holder at maturity, into six per cent. gold bearing bonds, payable not less than five nor more than twenty years from their date, as the Government may elect. They will be issued in denominations of \$50, \$100, \$500, \$1,000 and \$5,000, and all subscriptions must be for fifty dollars or some multiple of fifty dollars.

The notes will be transmitted to the owners free of transportation charges as soon after the receipt of the original Certificates of Deposit as they can be prepared. As the notes draw interest from August 15th, persons making deposits subsequent to that date must pay the interest accrued from date of note to date of deposit.

Parties depositing twenty five dollars and upwards for these notes at any one time will be allowed a commission of one quarter of one per cent, which will be paid by the Treasury Department upon the receipt of a bill for the amount, certified to by the officer with whom the deposit was made. No deductions for commissions must be made from the deposit.

Special Advantages of this Loan. It is a National Saving Bank, offering a higher rate of interest than any other, and the best security. Any savings bank which pays its depositors in U.S. Notes, considers that it is paying in the best circulating medium of the country, and it cannot pay in anything better, for its own assets are either in government securities or in notes or bonds payable in government paper.

It is equally convenient as a temporary or permanent investment. The notes can always be sold for within a fraction of their face and accumulated interest, and are the best security with banks as collaterals for discounts.

Convertible into a Six per cent. 5-20 Gold Bond. In addition to the very liberal interest on the notes for three years, this privilege of conversion is now worth about three per cent. per annum, for the current rate for 5-20 Bonds is not less than nine per cent. premium, and before the war the premium on six per cent. United States Stocks was over twenty per cent. It will be seen that the actual profit on this loan, at the present market rate, is not less than ten per cent. per annum.

Its Exemption from State or Municipal Taxation. That iron well galvanized will not rust. That a simple machine is better than a complicated one. That iron well galvanized will not rust. That a simple machine is better than a complicated one. That iron well galvanized will not rust.

WISTAR'S BALSAM OF WILD CHERRY.

One of the oldest and most reliable remedies in the world for Coughs, Colds, Whooping Cough, Bronchitis, Difficulty of Breathing, Asthma, Hoarseness, Sore Throat, Croup, and every Affection of the THROAT, LUNGS and CHEST, including even Consumption.

WISTAR'S BALSAM OF WILD CHERRY. So general has the use of this remedy become, and so popular is it everywhere, that it is unnecessary to recount its virtues. Its works speak for it, and find evidence in the abundant and voluntary testimony of the many who from long suffering and settled disease have by its use been restored to pristine vigor and health. We can present a mass of evidence in proof of our assertions, that CANNOT BE DISCREDITED.

Testimony of Mr. JAMES GRIMES, a gentleman highly esteemed in Columbia Co. Pa., and one whose statement can be relied upon. Mt. Pleasant, Col. Co., Pa., May 21, 1860. Messrs Seth W. Fowler & Co., Boston—

Gentlemen—About three years ago our daughter, now twelve years of age, was severely afflicted with croup. A general irritation of the lungs followed, producing a hectic cough, which became almost constant; swelling of the temples and other indications of Consumption were also apparent, and her life was despaired of by her physicians. At this critical moment we were induced to give Dr. Wistar's Balsam of Wild Cherry a trial, and after she had taken one bottle we found her so much relieved that it was thought unnecessary to continue its use. Since that time we have used the Balsam in our family in cases of Coughs and Croup, and have found it to be a superior remedy for all diseases of the Lungs.

Yours with respect JAMES GRIMES. FROM JESSE SMITH, Esq., President of the Morris County Bank, Morristown, N. J. Having used Dr. Wistar's Balsam of Wild Cherry for about fifteen years, and having realized its beneficial results in my family, it affords me great pleasure in recommending it to the public as a valuable remedy in cases of weak lungs, colds, coughs, &c., and a remedy which I consider to be entirely innocuous, and may be taken with perfect safety by the most delicate in health.

FROM HON. JOHN E. SMITH, A distinguished lawyer in Westminster, Md. I have on several occasions used Dr. Wistar's Balsam of Wild Cherry for severe colds, and always with decided benefit. I know of no preparation that is more efficacious or more deserving of general use. The Balsam has also been used with excellent effect by J. B. Elliott, Merchant, Hall's Cross Roads, Md. WISTAR'S BALSAM OF WILD CHERRY. None genuine unless signed "J. BUTTS," on the wrapper.
