The New York Day-Book is an independent, Democratic Journal, holding with the late Senator Douglas, that "this govern ment is made on the white basis, by white men, for the benefit of white men and JOSIAH PERHAM, Agent for the Pro- their posterity forever." It is a large douprietors, has the honor to announce a plan | ble sheet, with forty eight columns of readfor creating a fund for the founding of a ing matter, and in all respects-whether for Markets, news, Literary or Agricultural information-is not inferior to any as a political or family newspaper. In its political department, it grapples boldly with the real question before the American people, and presents the only philosophy of it which can resist the sweeping march of Abolitionism. It is Democratic in the true sense of the term-the defender of the people's rights, but it is the upholder of no party chicanery of trickery. It is not only for peace, but it shows how, and how only, permanent peace can be obtained, and this glorious white man's government of Washington restored, viz: by the utier route, overthrow, and extermination of Abolitions ism from American soil.
