

**HOSTETTER'S**  
CELEBRATED  
**STOMACH**  
**BITTERS.**

A PURE and powerful Tonic, corrective and alternative of wonderful efficacy in disease of the STOMACH, LIVER and BOWELS. Cures Dyspepsia, Liver complaint, Headache, General Debility, Nervousness, Depression of Spirits, Constipation, Colic, Intermittent Fevers, Cramps and Spasms, and all complaints of the Stomach, arising from Bodily Weakness, whether inherent in the system or produced by special causes.

Nothing that is not wholesome, genial and restorative in its nature enters into the composition of HOSTETTER'S STOMACH BITTERS. This popular preparation contains no mineral of any kind, no deadly botanical element; no fiery excitant; but it is a combination of the extracts of rare balsamic herbs and plants with the purest and mildest of all diffusible stimulants.

It is well to be forearmed against disease, and so far as the stomach system can be protected by human means against malaria, as engendered by an unwholesome atmosphere, impure water and other external causes, Hostetter's Bitters may be relied on as a safeguard.

In districts infested with Fever and Ague, it has been found infallible as a prophylactic and irresistible as a remedy and thousands who neglect to avail themselves of its protective qualities in advance, are cured by a very brief course of this marvelous medicine. Fever and Ague patients, after being pined with quinine for months in vain, until fairly saturated with that dangerous alkali, do not infrequently restored to health within a few days by the use of Hostetter's Bitters.

The weak stomach is rapidly invigorated and the appetite restored by this agreeable Tonic, and hence it works wonders in cases of Dyspepsia and in less confirmed forms of Indigestion. Acting as a gentle and painless aperient, as well as upon the liver, it also invariably relieves the Constipation superinduced by irregular action of the digestive and secretory organs.

Persons of feeble habit, liable to Nervous Attacks, Loss of Spirit and Fits of Languor, find prompt and permanent relief from the Bitters. The Testimony on this point is most conclusive, and from both sexes.

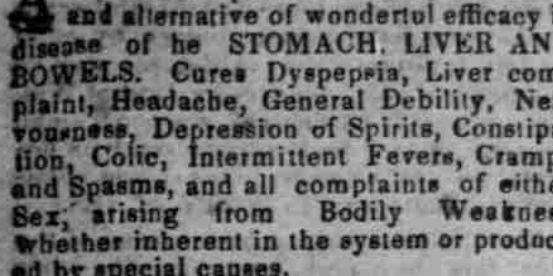

The agency of Bilious Colic is immediately removed by a single dose of the stimulant and by occasionally resorting to it, the return of the complaint may be prevented.

As a General Tonic, Hostetter's Bitters produce effects which must be experienced or witnessed before they can be fully appreciated. In cases of Constitutional Weakness, and Premature Decay and Debility, and Decrepitude arising from Old Age, it exercises the electric influence. In the convalescent stages of all diseases it operates as a delightful invigorant. When the powers of nature are relaxed, it operates to re-energize and re-establish them.

Last but not least, it is the Only Safe Stimulant, being manufactured from sound and innocuous materials, and entirely free from the acid elements present more or less in all the ordinary tonics and stomachics of the day.

No family medicine has been so universally, and it may be truly added, deservedly popular with the intelligent portion of the community, as Hostetter's Bitters.

Who can say that they are not frequently followed by those "Direful Diseases,"—**"INSANITY AND CONSUMPTION."** Many are aware of the cause of their suffering, but none will confess the Records of the Insane Asylums.

And melancholy Deaths by Consumption bear ample witness to the Truth of the assertion. The Constitution once effaced with Organic Weakness requires the aid of Medicine to strengthen and invigorate the System, which HELMHOLD'S EXTRACT BUCHU invariably does. A trial will convince the most skeptical.

In many Affections peculiar to Females the Extract Buchu is unequalled by any other remedy, as in Chlorosis or Retention, Irregularity, Painfulness, or Suppression of Customary Evacuations, Ulcerated or Scirrhous state of the Uterus, Leucorrhoea or Whites, Scanty, and in all complaints incident to the sex, whether arising from Indiscretion Habits or Dissipation, or in the Decline or Change of Life.

Thousands upon Thousands who have been the victims of Quacks, and who have paid heavy fees to be cured in a short time, have found they were deceived, and that the "poison" has, by the use of "powerful astringents," been dried up in the system, to break out in an aggravated form, and perhaps after Marriage.

Diseases of these Organs requires the aid of a Diuretic. Helmholt's Extract Buchu is the Great Diuretic, and is certain to have the desired effect in all diseases for which it is recommended. Evidence of the most reliable and responsible character will accompany the medicine.

**N. Y. WEEKLY NEWS.**

The cheapest and best New York Newspaper. Only one dollar per annum. Eight pages—forty columns. A complete record of events, Benjamin Wood, editor and proprietor. Published at No. 119 City Hall Square, Daily News Building, New York City.

THE NEW YORK WEEKLY NEWS is unrivaled in its ability and enterprise as a public organ.

EVERY DEPARTMENT is most efficiently conducted, so as to form a weekly record of events political, commercial, financial and literary, throughout the World. In addition to this it contains all the Domestic Intelligence of each week and full reports of every matter of public interest.

As a political Journal The Weekly News will be found on the side of the Constitution of the country as it was framed and established by the Fathers of the Republic, and will scan with care and fidelity every public act that may tend to the violation of the letter and spirit of that instrument of our liberties. It prefers the

**POLICY OF PEACE**  
to a ruinous and exhausting system of War. Insisting upon the truth of the principle embodied in the Declaration of Independence, that the just powers of the Government are derived from the consent of the governed, it urges the preservation of the fundamental principles of liberty, inviolate, as of more sacred importance than that national grandeur or consolidated power under despotic rule without the pale of established law. On all questions of national importance it is the inflexible champion of the rights of citizens, as guaranteed under the instruments by which they have decided to be governed. It therefore holds anxious purpose to sustain the Freedom of Speech and of the Press, with the view to protect the people from the encroaching dogmas of theorists who contemplate a modification of the democratic principles which to this time have been sustained against every effort to overthrow them.

The most careful attention is given to matters pertaining to Government the purpose of this newspaper is to protect the people from inconsiderate and rash legislation, and to hold our public servants to a strict accountability for their conduct while carrying on the machinery of power. To this end the most careful attention will be given to all Federal and Legislative laws, and a firm and impartial examination of every new political proposition may be expected as the only means of protecting the people from an abridgement of their rights.

**COMMERCIAL & MARKET REPORTS** are given in the most succinct yet complete manner. They contain particulars of notice for their fidelity and truth, and all those who desire to comprehend the exact financial condition of the country should not fail to examine the views which will be found in this department of the journal.

**THE FOREIGN CORRESPONDENCE** will be found especially interesting and instructive and being derived from some of the ablest minds in Europe must be read with the utmost avidity by those who desire to comprehend that diplomacy of the Governments of the Old World.

In all other respects THE WEEKLY NEWS will be found to meet the public demand. It is the special object of the Proprietor to render it a valuable and entertaining

**FAMILY NEWSPAPER.**  
pure in its moral influence, ennobling in its character, and satisfactory to that large class in the community who desire to see the Public Press treat all public questions with arguments expressed in courtesy and candor, thought, at the same time, with the spirit of the most unflinching truth.

By reference to the terms of The New York Weekly News it will be noticed that it is by far the cheapest newspaper in the world, and the Proprietor feels that he may invite those who approve of its principles and conduct to use their influence in adding to its present large circulation.
