

STAR OF THE NORTH

NEWS ABOUT TOWN & COUNTRY. BLOOMSBURG, PA. WEDNESDAY MORNING, OCT. 13, 1864.

PUBLIC SALE.—In another column will be the advertisement of W. H. Unangst, Fishersburg, offering all his personal property at public sale. It is valuable and reliable.

REPRESENTATIVE.—Our majority in the district over the Abolition candidate is three hundred and fifty-two. We do not think the soldiers' vote will change a result.

It is said that on the day of the election Fishersburg township there were squads of soldiers stationed at every intersection of cross road in the vicinity of the election polls. What the object was is unknown, unless to deter people from going to the polls.

See new advertisements in today's Star. Those wishing to purchase real estate and personal property will be particularly interested.

Lieut. Brockway paid his family and friends a short visit a few days since. His health is considerably improved. He was looking much better than when he was a month or so ago. Like most of the old veterans he supports Little Mac.

The young men of New York are organizing "White Boy" Clubs with the Douglas motto. This country was made by white men for white men and their posterity forever. Good boys! go ahead!

AUGUSTUS EVERHART offers for sale in today's Star one hundred and seventy acres, land belonging to the estate of Jacob Everhart, deceased, situated in Orange township. It is a desirable tract in a good state of cultivation, with new buildings. See advertisement.

A SUGGESTION TO THE DEMOCRATIC STANDARD COMMITTEE.—Would it not be well, in view of the importance of the November election, for you to raise a little money among Democrats by subscription, to certainly induce Messrs. Wilcox and Beckley to continue making Republican speeches? They served our cause most effectively up to Tuesday last, and may still do us much good.

Capt. B. H. HARRIS, by notice, has arrived home in leave of absence for a few days from his duty. He is enjoying tolerably good health, but considerably worn down through the long continued hard service. He is a faithful officer, and has seen much hard service. Success to the Captain.

THE FAIR.—The Columbia County Agricultural Fair held at this place last week was a fine affair for as far as we can see. There is a great many people in attendance, probably more than at any former exhibition. We were not on the ground, but have been informed that the articles on exhibition were not numerous, and of rather a inferior quality. The poor state of health seem to take no more interest in the society than to attend its exhibitions. They will not keep up an institution of this kind. They will get tired looking at nothing, and consequently the thing must naturally collapse. We don't pretend to say, by any means, that such will be the case with this society.

NEW VOLUME.—Our next issue will commence a new volume, the sixteenth. The present number completes the sixth volume of the Star under our control. It will be re-issued in January next since we embarked the publishing business, and we have cause to regret it although it has been existing else but a money-making business. We have managed to keep our paper going, maintained our family, avoided the Old Abe's drags, and have kept of Fort Mifflin, therefore we consider our lot among the fortunate. A man that can make a living these days for himself and family, and keep out of the army, is doing it. It is all that can be expected of any man in moderate circumstances, with all business, but there are many who eat themselves up. We would add inasmuch as the Star is about to enter its sixteenth year, those of our patrons who have not paid us for the fifteen months should not fail to come forward with their subscription, best pay for that year in advance, and one half dollar by complying with them, which are \$2.00, if paid in advance.

THAT GRANSTRATEGIC MOVE.— [See our republican.]

Capt. Sylvan and his friends in the Glory. [But the Coplin's friends did not retain their long.]

"Don't shoot us the Coon, 'I'll show you." [The King of Spades forty thousand men, marched up the hill and then marched down again.]

As was announced Dr. John's last paper, Sheriff Furman Robert C. Froot were arrested by Capt. Silver and his backers, for aiding two citizens of Hemlock township privilege of voting. These two citizens are, by the military, as deserter a day before the election; they helped in the township nearly two years past the day of their arrest. At Harrisburg the action of the Bloomsburg City was ignored, and the whole party was home. So much for so much! who cares? Try it again, Capt. Silver and other pimps of Bloomsburg!

COLUMBIA CO., ELECTION RETURNS. OFFICIAL.

HELD OCTOBER 11, 1864.

Table with columns: CONGRESS, ASSEMBLY, TOWNSHIPS, and various candidates like BEAVER, BENTON, BERWICK BOR., BLOOM, etc.

PROTECTOR'S MAJ. 1875. The balance of the County Ticket is elected without opposition, namely: SHERRIFF—SAMUEL SNYDER, COMMISSIONER—ALLEN MANN, AUDITOR—DANIEL SNYDER.

It seems that no Democratic tickets from this county have yet reached the army, of any amount. We have received letters at most daily from our soldier friends stating the fact that they had no tickets, and wished us to send them some for the Presidential Election. We shall do so.

The poor Abolition pimps of this town were very jubilant over the arrest of Sheriff Furman and Robert C. Froot. When they heard of the release (very much to their surprise) the smiles turned into angry looks, and taunting remarks into curses and threats. Hunt your holes you poor miserable scoundrels. We exonerate and respect the soldiers. They did no more than their duty as soldiers.

On Tuesday last Robt McHenry was brought home from Harrisburg, from his incarceration, suffering from the effects of inflammatory rheumatism. On the same day Elias McHenry, John Yorks, and Jos. Coleman, arrived home, released from Fort Mifflin. We will notice these things more fully in our next.

IMPORTANT TO LADIES.—Dr. Harvey's Female Pills have never failed in removing difficulties arising from obstruction, or stoppage of nature, or in restoring the system to perfect health when suffering from spinal affections, prolapsus, Uteri, the whites, or other weakness of the uterine organs. The pills are perfectly harmless on the constitution, and may be taken by the most delicate female without causing distress—the same time they act like a charm by strengthening, invigorating and restoring the system to a healthy condition and by bringing on the monthly period with regularity, no matter from what cause the obstruction may arise. They should however, NOT be taken during the first three or four months of pregnancy, though safe at any other time, as miscarriage would be the result. Each box contains 60 pills. Price \$1. Dr. Harvey's Treatise on diseases of Females, pregnancy, miscarriage, Barrenness, sterility, Reproduction, and abuses of Nature, and emphatically the ladies' Private Medical Adviser, a pamphlet of 64 pages sent free in any address. Six cents required to pay postage. The Pills and book will be sent by mail when desired, securely sealed, and prepaid by J. BRYAN, M. D. General Agent, No. 76 Cedar street, New York. FUTMAN CLOTHES WRINGER.

IT IS THE ONLY RELIABLE SELF-ADJUSTING WRINGER. No Wood-Work to get out of order. Thumb-screws to swell or split. No Tumb-screws to get out of order. Warranted with or without cog-wheels.

I took the first premium at fifty-seven State and County Fairs in 1863, and in 1864, and was awarded the best of Wringers, over made. Patented in the United States, England, Canada, and Australia. Agents wanted in every town, and in all parts of the world. Energetic Agents can make from three to ten Dollars per day.

Sample Wringers sent Express paid on receipt of price. No. 1, \$7.50. No. 2, \$8.50. No. 3, \$9.50. Manufactured and sold wholesale and retail, by THE FUTMAN MANUFACTURING CO., No. 13 Platt Street, N. Y. & Cleveland, O. A. H. FRANCISCUS, Agent, Philadelphia, Pa.

That iron well galvanized will not rust. That a simple machine is better than a complicated one. That a Wringer should be self-adjusting, durable, and efficient. That Thumb-screws and Fastenings cause delay and trouble to regulate and keep in order. That wood soaked in hot water will swell, shrink and split. That wood bearings for the shaft to run in will wear out. That the Futman Wringer, with or without cog wheels, will not tear the clothes. That cog-wheel regulators are not essential. That the Futman Wringer has all the advantages, and not one of the disadvantages above named. That all who have tested it, pronounce it the best Wringer or a BED-QUILT without alteration.

We might fill the paper with testimonials, but insert only a few to convince the skeptical, if such there be; and we say to all, test Futman's Wringer. Test it thoroughly with any and all others, and if not entirely satisfactory return it.

Futman's Manufacturing Co. Gentlemen—know from practical experience that iron well galvanized with zinc will not oxidize or rust one particle.—The Futman Wringer is as near perfect as possible, and I can cheerfully recommend it to be the best in use.

Respectfully yours, JOHN W. WHEELER, Cleveland, Ohio. Many years experience in the galvanizing business, enable me to endorse the above statement in all particulars. JNO. C. LEFFERTS, No. 100 Beekman St. New York, January, 1864.

We have tested Futman's Clothes Wringer by practical working, and know that it will do. It is cheap, it is simple, it requires no room whether at work or at rest; it can operate it. It does its duty thoroughly. It saves time and it saves wear and tear. We earnestly advise all who have much washing to do, with all intelligent persons who may have any, to buy this Wringer. It will pay for itself in a year, most.
