

STAR OF THE NORTH

THINGS ABOUT TOWN & COUNTRY.

BLOOMSBURG, PA.

WEDNESDAY, NOVEMBER 2, 1864.

See award list of Agricultural Society in another column of to day's STAR.

The Columbia county soldiers are still making more arrests; principally deserters. The straggling political prisoners has abated slightly.

A. B. TATE has taken control of the local Department of the Columbia Democrat. He has the ability to make it an interesting department.

The Democracy of Montour will hold a grand mass meeting in Danville, on Thursday, the 3d inst. Hon. SAMUEL CLAY, of Maine, will positively be present and address the meeting. Go and hear him.

The mails have not brought us any great amount of war news, for the past few days. It is difficult to tell what advantage our arms have gained or whether any at all. Grant is preparing for another "flank movement".

The man who desires this Union dissolved, the country destroyed, and the negro placed on an equality with the white man, will vote for Abraham Lincoln.

We would announce that M. & E. W. Wyncoop will commence their next term of Select School at their rooms on Third St., on Monday the 7th inst. They keep a good school.

Every intelligent, sensible man, who has any regard for his Government, desires the Union again restored, and is anxious to lend his efforts towards a permanent, honorable and lasting peace, will vote on the 8th day of November for Geo. B. McClellan.

Messrs. A. SAVAGE & Co., of Danville, are in town, and will furnish good acceptable substitutes for one year, two or three, at reasonably low figures. Those of our friends who are drafted, and desire putting in a substitute, would do well by giving them a call, at their office over F. Fox's Restaurant.

Col. Wm. BARRON, of Muncy, will address a grand mass meeting, at R-harburg, on Saturday evening next. He will also address a meeting at Jerseytown on the evening of the same day. He is an able and fearless speaker. Go and hear him. He is a speaker of wide spread reputation, and draws a crowd wherever he goes.

E. H. LITTLE, esq., has appointed a series of meetings in Columbia county, which are being held this week. This county is good for 1500 maj. for Mac. The Abolition party are holding school-house meetings in the county. They cannot raise the excitement for Old Abe. Their candidate is a miserable excuse of a man; has no qualifications whatever for the office of President, the position he now disgraces.

There is quite a large number of patrons of our books who have not paid us for the last volume of the STAR. They will oblige us by squaring up all old subscriptions. Those owing two and four years' subscriptions will find their accounts presently left in the hands of a licensed officer for collection. The printing business will not afford us the time and expense of running around during

DRAFT.—The drafted men in the late drawing, from Montour county, commenced reporting at this place on Monday last, the time appointed by the District Marshal. This county commences to report this week. There were only eleven townships drafted in this county, the other thirteen having put in their quotas. There are some substitutes being put in, at figures ranging from \$650 to \$900. The substitute brokers are on hand.

The Democrats of this place have paid as much, if not more money in proportion to their number and means, as have the Abolitionists of this town, "for the benefit of our sick and wounded soldiers." And when Lieut. Dunn, of the Republican can be induced to pay money for that or any other purpose without being threatened the withdrawal of patronage will be time enough for him to talk about paying to Christian Commissioners. Mighty little money he pays toward such things; he'd sooner take it from them.

A certain officer from this town, now in front of Petersburg or Richmond, had an interview not long since, with a couple of Rebel officers, while on flag of truce, when the Rebels said: "If you elect Lincoln the war will last four years more; but if McClellan is elected we cannot fight long, our men will become so disorganized that we cannot keep them together; they will desert, throw down their arms, etc." This was said to an officer from this town, which officer afterward denied to his men that the Rebel officers had made use of such language; because no (Lincoln's officer) found that the conversation was making McClellan votes.

These people can shape themselves for another heavy draft, directly on the heels of the present one, if Lincoln is re-elected. There is no question about that; we will surely have it. Enough has leaked out, through Lincoln's officials at Washington, to satisfy the whole country of that fact, unless the people are blind to these things, and are determined to run the country along into the jaws of slavery and utter ruin.

If you want to enter the service, put down a name at a large price, of say heavy wages for Old Abe, the cause of all this. Know the cause and the war.

U. S. 7-30 LOAN.

The Secretary of the Treasury gives notice that subscriptions will be received for Coupon Treasury Notes, payable three years from Aug. 15th, 1864, with semi-annual interest at the rate of seven and three tenths per cent. per annum, principal and interest both to be paid in lawful money.

These notes will be convertible at the option of the holder at maturity, into six per cent. gold bearing bonds, payable not less than five nor more than twenty years from their date, as the Government may elect. They will be issued in denominations of \$50, \$100, \$500, \$1,000 and \$5,000, and all subscriptions must be for fifty dollars or some multiple of fifty dollars.

The notes will be transmitted to the owners free of transportation charges as soon after the receipt of the original Certificates of Deposit as they can be prepared.

As the notes draw interest from August 15th, persons making deposits subsequent to that date must pay the interest accrued from date of note to date of deposit.

Parties depositing twenty five dollars and upwards for these notes on any one time will be allowed a commission of one quarter of one per cent, which will be paid by the Treasury Department upon the receipt of a bill for the amount, certified to by the officer with whom the deposit was made. No deductions for commissions must be made from the deposits.

Special Advantages of this Loan. It is a National Saving Bank, offering a higher rate of interest than any other, and the best security. Any savings bank which pays its depositors in U. S. Notes, considers that it is paying in the best circulating medium of the country, and it cannot pay in anything better, for its own assets are either in government securities or in notes or bonds payable in government paper.

It is equally convenient as a temporary or permanent investment. The notes can always be sold for within a fraction of their face and accumulated interest, and are the best security with banks as collateral for discounts.

Convertible into a Six per cent. 5-20 Gold Bond. In addition to the very liberal interest on the notes for three years, this privilege of conversion is now worth about three per cent. per annum, for the current rate for 5-20 Bonds is not less than nine per cent. premium, and before the war the premium on six per cent. United States Stocks was over twenty per cent. It will be seen that the actual profit on this loan, at the present market rate, is not less than ten per cent. per annum.

Its Exemption from State or Municipal Taxation. But aside from all the advantages we have enumerated, a special act of Congress exempt all Bonds and Treasury Notes from local Taxation. On the average, this exemption is worth about two per cent. per annum, according to the rate of taxation in various parts of the country.

It is believed that no securities offer so great inducements to lenders as those issued by the government. In all other forms of indebtedness, the faith or ability of private parties, or stock companies, or separate communities, only, is pledged for payment, while the whole property of the country is held to secure the discharge of all the obligations of the United States.

While the government offers the most liberal terms for its loans, it believes that the very strongest appeal will be the loyalty and patriotism of the people.

Duplicate certificates will be issued for all deposits. The party depositing must endorse upon the original certificate the denomination of notes required, and whether they are to be issued in blank or payable to order. When so endorsed it must be left with the officer receiving the deposit, to be forwarded to the Treasury department.

Subscriptions will be received by the Treasurer of the United States, at Washington, the several Assistant Treasurers and designated Depositories, and by the

First National Bank of Bloomsburg, Pa. And all National Banks which are depositories of public money, and all respectable Banks and Bankers throughout the country will give further information and afford every facility to subscribers.

PETNAM CLOTHES WRINGER.

IT IS THE ONLY RELIABLE SELF-ADJUSTING WRINGER. No Wood Work to swell or split—No Thwart-screws to get out of order—Warranted with or without cog-wheels.

I took the first premium at fifty-seven States and County Fairs in 1863, and without any exception, the best Wringer ever made. Patented, the best Wringer ever made, in England, Canada, and Australia. Agents in every town, and in all parts of the world. Energetic Agents can make from three to ten Dollars per day.

Sample Wringers sent Express paid on receipt of price. No. 2, \$6 50. No. 1, \$7 50. No. F, \$8 50. No. A, \$9 50. Manufactured and sold, wholesale and retail, by THE PETNAM MANUFACTURING CO., No. 13 Platt Street, N. Y., and Cleveland, O. A. H. FRANCIS, Agent, Philadelphia, Pa.

What Everybody Knows, viz: That iron will galvanize will not rust. That a simple machine is better than a complicated one. That a Wringer should be self adjusting, durable, and efficient.—That Tooth-screws and Fastenings cannot delay and trouble to regulate and keep in order. That wood soaked in hot water will swell, shrink and split. That wood bearings for the shaft to run in will wear out. That the Petnam Wringer, with or without cog wheels, will not tear the clothes. That cog wheel regulators are not essential. That the Petnam Wringer has all the advantages, and not one of the disadvantages above named. That all who have tested it, pronounce it the best Wringer ever made. That it will wring a THREAD or a BED QUILT without alteration.

We might fill the paper with testimonials, but insert only a few to convince the skeptical, if such there be; and we say to ourly worthy and all others, and if not entirely satisfactory, return it. Putnam Manufacturing Co. Gentlemen—I know from practical experience that iron well galvanized with zinc will not oxidize or rust one particle.—The Putnam Wringer is as near perfect as possible, and I can cheerfully recommend it to be the best in use.

Respectfully yours, JOHN W. WHEELER, Cleveland, Ohio.

Many years experience in the galvanizing business, enable me to endorse the above statement in all particulars. JNO C LEFFERTS, No. 100 Beekman St. New York, January, 1864.

We have tested Putnam's Clothes Wringer by practical working, and know that it will do. It is cheap, it is simple, it requires no room whether at work or at rest; it can operate it. It does its duty thoroughly. It saves time and it saves wear and tear.—We earnestly advise all who have much washing to do, with all intelligent persons who may have any, to buy the Wringer. It will pay for itself in a year at most. HORACE GREELEY. July 6, 1864.—1y.

WISTAR'S BALSAM OF WILD CHERRY.

One of the oldest and most reliable remedies in the world for Coughs, Colds, Whooping Cough, Bronchitis, Difficulty of Breathing, Asthma, Hoarseness, Sore Throat, Croup, and every Affection of the THROAT, LUNGS and CHEST, including even Consumption.

WISTAR'S BALSAM OF WILD CHERRY. So general has the use of this remedy become, and so popular is it everywhere, that it is unnecessary to recount its virtues. Its works speak for it, and find attestation in the numerous and solitary testimonies of many who from long suffering and settled disease have by its use been restored to pristine vigor and health. We can present a mass of evidence in proof of our assertions, that CANNOT BE DISCREDITED.

Testimony of Mr. JAMES GRIMES, a gentleman highly esteemed in Columbia Co. Pa. and one whose statement can be relied upon.

Mr. Pleasant, Col. ex. P., May 21 1860 Messrs. Seth W. Fowler & Co., Boston.

Gentlemen—About three years ago, our daughter, now twelve years of age, was severely afflicted with croup. A general irritation of the lungs followed, producing a hectic cough, which became almost constant, swelling of the temples, and other indications of Consumption were also apparent, and her life was despaired of by her physician. At this critical moment we were induced to give Dr. Wistar's Balsam of Wild Cherry a trial, and after she had taken one bottle we found her so much relieved that it was thought unnecessary to continue its use. Since that time we have used the Balsam in our family in cases of Coughs and Colds, and believe it to be a superior remedy for all diseases of the Lungs.

Yours with respect JAMES GRIMES, FROM JESSE SMITH Esq., President of the Morris County Bank, Morristown, N. J.

Having used Dr. Wistar's Balsam of Wild Cherry for about fifteen years, and having realized its beneficial results in my family, it affords me great pleasure in recommending it to the public as a valuable remedy in cases of weak lungs, colds, coughs, &c., and a remedy which I consider to be entirely innocent, and may be taken with perfect safety by the most delicate in health.

FROM HON JOHN E SMITH, A distinguished Lawyer in Westminster, Md.

I have on several occasions used Dr. Wistar's Balsam of Wild Cherry for severe colds, and always with decided benefit. I know of no preparation that is more efficacious or more deserving of general use.

The Balsam has also been used, with excellent effect, by J. B. Elliott, Merchant, Hall's Cross Roads, Md. WISTAR'S BALSAM OF WILD CHERRY. None genuine unless signed "I BUTTS," on the wrapper.
