PURE and powerful Tonic, corrective and alternative of wondertol efficacy in disease of he STOMACH LIVER AND BOWELS. Cures Dyspepsia, Liver com-plaint, Headache, General Debility, Nervousness, Depression of Spirits, Constipa tion, Colic, Intermittent Fevers, Cramps and Spasms, and all complaints of either Sex, arising from Bodily Weakness whether inherent in the system or produced by special causes.

Nothing that is not wholesome genial, and restorative in its nature enters into the composition of HOSTETTER'S STOM-ACH BITTERS. This popular preparation contains no mineral of any kind, no deadly botanical element; no fiery excitant; but it is a combination of the extracts of rare balsanic berbs and plants with the purest and mildest of all diffusive stimulants.

It is well to be foreatmed an inst disease

and, so far as the human system can be protected by human means against malat es engendered by an unwholesome atmosphere, impure water and other external 40 00 California diamond rings causes, Hosterter's Bitters may be relied on as a safeguard.

In districts infested with Fever and Ague it has been found infallible as a preventive and irresistible as a remedy and thousands who resort to it under apprehension of an attack, escape the scourge; and thou-ands who neglect to avail themselves of its protective qualities in advance, are cured by a very brief course of this marvelous medicine. Fever and Ague patients, after being pl'ed with quinire for months in vain. pacil fairly saturated with that dangerous alk-loid, are not unfrequently restored to beaut within a few days by the use of Hostetter's Bitters.

The weak stomach is rapidly invigorated and the appetite restored by this agreeable Conic and hence it works wonders in cases of Dyspepsia and in less confirmed forms of Indigestion. Acting as a gentle and painless apperient, as well as upon the liver, it also invariably relieves the

As a General Tonic, Hostetter's Bitters produce effects which must be experienced or witnessed before they can be fully appreciated. In cases of Constitutional Weak. ness, and Premature Decay and Debility and Decrepitude ari ing from Old Age, it exercises the electric influence. In the convalescent stages of all diseases it operates as a delightful invigorant. When the powers of nature are relaxed, it operates to re enforce and re-establ sh them.

Last, but not least, it is the The Only Safe Stimulent, being manufactured from sound and innocuous materials, and entirely free from the acid elements present more or less in all the ordinary tonics and stomachies of the day.

No family medicine has been so universally, and, it may be truly added, deservedly popular with the intelligent portion of mmunity, as Hosterier's Bitters. Prepared by HOSTETTER & SMITH,
