A H. FRANCISCUS, Agent, Philadelphia, Pa. What Everybody Knows, viz: That from well galvanized will not rust. That a simple machine is better than a complicated one. That a Wringer should be sell adjusting, durable, and efficient .-That Thumb screws and Fastenings cause delay and trouble to regulate and keep in order. That wood soaked in hot water will swell, strink and split. That wood bearings for the shalt to run in will wear out. That the Putnam Wringer, with or without cog wheels, will not tear the clothes. That eog wheel regulators are not essential. That the Potnam Wringer has all the advantages, and not one of the disadvantages above named. That all who have tested it, pronounce it the best Wringer

ever made. That it will wring a THREAD or a BED QUILT without alteration. We might fill the paper with testimoni als, but insert only a few to convince the skeptical, if such there be; and we say to all, test Patnam's Wringer. Test it thoroughly with any and all others, and if not entirely satisfactory remrn it.

Putnam Manufacturing Co. Gentlemen-I know from practical experience that from well galvanized with zine will not oxidize or rust one particle .-The Putnam Wringer is as near perfect as possible, and I can cheerfully recommend it to be the best in use.

Respectfully yours, JOHN W. WHEELER, Many years experience in the galvanizing business, enable me to endorse the above statement to all particulars

JNO C. LEFFERTS, No. 100 Beekman St. New York, January, 1864. We have tested Putnam's Clothes Wringer by practical working, and know that it will do. It is cheap, it is simple, it requires no room whether at work or at rest; a child can operate it. It does its day thoroughly. It saves time and it saves wear and lear .-We earnestly advise all who have much washing to do, with all intelligent persons who may have any, to buy this Wringer. It will pay for itself in a year at most, HORACE GREELEY.
