C. CHAUNCEY BURR, Estros.

This Magazine will continue to defend the principles of Government which guided our fathers in the foundation of the public. The spirit and doctrine of the two first volumes will be fully maintained in the third volume. We have no compromises to make with error-no parley with despoism. Democracy will be treated not as a varying policy of ennning officeseekers and speil hunters, but rather as an abiding principle of political economy and of popular liberty. All supporters of this revolutionizing, Abolition war, will be held as the enemies of the Democracy. A general irritation of the lungs followed, producing a nectic cough, which became almost con stant. swelling of the temples and othe indications of Consumption were also apparent, and her life was despaired of br ber physician. At this critical moment we were induced to give Dr. Wistar's Balsam of Wild Cherry a trial, and after she had taken one bottle we found her so much relieved that it was thought numeressary to continue us use.
