National Police Gazette.

THE GREAT CRIMINAL PAPER OF THE AGE

The Proprietors would call the attention of the public to the fact that this paper is now in the twentieth year of its publication, and that it is the only paper published in the United States containing accurate tance occurring in the world. Having a large Corps of Reporters and correspondents extending over the country, gives them unusual facilities for abraining correct information on subjects connected with their speciality. Each number is embellished with engravings of startling His Generals." events occurring in this great metropolis and other Cnies of the Union. It also contains from time to time, exact likenesses of thieves and other criminals, which enables citizens to guard themselves against depredations.

To citizen- and officers it is a invaluble as it contains every week an account of the doings of the thieves, their whereabouts and their plans and devices to entrap and despoil the u wary. THE NATIONAL POLICE GAZETTE

can do so by addressing GEO. W. MATSELL & CO.

3 Tryon Row, New York.

finalysis of the Massachussetts State THE CHEAPEST PAPER IN the WORLD THE extensive and comprehensive facilitles in its possession enables the Proprietor of the Weekly Herald to guarantee the latest and most reliable information possible to be obtained, not only from all parts of the United States, but from all parts

Its home correspondents, engaged at very heavy cost, and connected with each new naval and military expedition of the govdiate report in its columns. It costs the proprietor over one hundred thousand dollars per year to maintain its corps of correspondents in the field.

In its collation of Foreign News the Herald has for years held a high position, and it will endeavor in the future to maintain the stand it has assumed. It has special correspondents stationed in all of the principal cities of the world.

Its telegraphic arrangements extend to wherever the electric wires are stretched. When the Atlantic cable is laid, which feat will soon be accomplished, telegrams will be received from Europe and Asia, as well as from the United States. Then our readers will have the events of the week in all parts of the civilized world regularly and clearly laid before them.

The proprietor devotes a portion of the paper to literature. Eastion, Agriculture, the Mechanic Art, Sporting Matters, Busisness, Theatrical and Financial Reports. Caule Markets, General News, and teports of all events calculated to form an excellent metropolitan newspaper-a weekly photographic view of the events of the worldand all at a very low price.
