THINGS ABOUT TOWN & COUNTRY.

BLOOMSBURG, PA.

WEDNESDAY FEBRUARY 22, 1865.

See our advertisements in to-day's Star.

SAMUEL BOGART, Esq. of Greenwood twp., advertises in to-day's Star valuable personal property. See advertisement.

The draft Commissioners at Troy made an error in apportioning the quota of this township. It will be gratifying to our people to learn that a significant correction is made. Our quota is only *sixty-nine*!

DEFEATED—In the Legislature last week, the joint resolutions pending in the House, requesting Congress to pass a law requiring the quota of each township to be filled from its bona fide residents was, after some discussion, defeated by a vote of 35 yeas to 40 nays.

There was to be no more drafting if the people would only re-elect Abraham Lincoln. So said the Abolition leaders last fall before the election. The Democratic press told its readers if Lincoln was re-elected there would be another draft before Spring. Which was right!

Petitions have been numerous signed and sent to the Member of the Legislature from this district, praying for an increase of Justice and Constables fees in the County of Columbia. A bill has been read in place and referred to the Judiciary Committee (local) looking to that object. Indications are that a general bill will pass, regulating all fees from Associate Judges down to Supervisors.

The present quota of this township is put down at *sixty-nine*. Why not make it one hundred—round numbers. We are for "prosecuting the war to the last man and the last dollar," said our Republican neighbors a few years ago. Now let them show their fidelity to the Union; they never had a better opportunity. We will pay any one of them five hundred dollars in greenbacks who will fight as a substitute for us.

The Missouri Legislature has passed a bill providing that a person whose husband or wife has been engaged in rebellion against the Government shall be entitled to a divorce on proper application to the courts. What a saintly set of people these Missouri "loyal" Yankees must be!—Could they now pass a resolution instructing St. Peter to lock the door of the celestial heaven against the diabolical rebels!

ON TUESDAY EVENING of last week a meeting of the people of Bloomsburg was held, at which the following resolution was adopted:

Resolved: That Col. JAMES G. FARRER and Mr. J. JONES be a committee to proceed at once to Troy and inquire into the condition of the enrollment and quotas of Columbia county and to act in conjunction with similar committees from other parts of the District, in respect to correcting the quotas of the whole district.

In conformity with this resolution the committee went to Troy on Wednesday last and returned on Saturday. Their labor was of no avail, to reduce the quotas. The wrong is in the quota assigned to the District, by the authorities at Washington. It is now proposed to send a committee to Washington to investigate the matter—whether such a committee will meet with like success is doubtful.

LIEUT. EVANS—We notice in looking over the war news of the New York Herald that **LIEUT. W. H. EVANS**, of this place, received a meritorious notice for his bravery and good conduct during the sharp engagement, a short time since, at Bachler's Run, in the neighborhood of Petersburg. **LIEUT. EVANS** is mentioned as having scaled the redoubt and planted the Stars and Stripes upon them, after several unsuccessful charges upon the rebel works. In this engagement he received a severe wound in the hand, by a rebel bullet passing through it. He is home on furlough for thirty days. This movement was made to feel General Lee's lines; to ascertain what amount of troops had sent down to Charleston to assist his forces there in holding the place against the Union forces under Gen. Sherman. **LIEUT. EVANS** belongs to the 210th P. V., which Regiment is attached to the 5th Corps. This corps is reported to have suffered the most severely in this late movement. The weather was very unfavorable and everything calculated to make the whole affair very unpleasant.

OUR QUOTA—On Monday last our citizens received information that the quota of Berwick Borough in the coming draft would be thirty—more than twice as many as under the call for 500,000 men! And it runs in about the same proportion in a majority of the districts in the county. This report had about the same effect upon the druggable portion of the community, that an explosion of a bombshell would have in the camp of an enemy. It was startling! The news spread like wild-fire. We had already, as we presumed, furnished our quota, or nearly so, and there was still a deficiency of *ninety*! The mutterings and curses against the authorities, were loud and deep, upon the disclosure of such glaring injustice. "Treason" was rampant. Resistance to such tyranny found advocates even among the "Loyal Leagues." Reason, however, prevailed, and the draft as occasion bore determined to see the thing out, cost what it may. They are offering as high as \$500 bounty to acceptable recruits, with a good prospect of succeeding in filling the quota. Father Abraham is "piling it up" just about as heavy as the people can stand. Look out for breakers!

Mrs. Maxwell's Testimonial.

New York, Dec. 23, 1862.

Knowing positively that Reeves' Ambrosia produced a beautiful head of hair for my Lizzie Shepherd, of Brooklyn, New York, I was induced, thereby, to use it thoroughly. I needed something for my hair, it being short and thin—had used one half dozen bottles when I could plainly notice an increase in its length, strength, and beauty. An experience of about two years has proved a complete success. My hair is now by measurement, four feet ten inches in length, nearly reaching the floor. I have allowed my photograph to proclaim the merits of Reeves' Ambrosia to the world.

MRS. WALLACE E. MAXWELL.

All enterprising Druggists have these Photographs and keep for sale, **REEVES' AMBROSIA** at 75 Cents per Bottle.

Druggists who may not have our preparation, will send it if applied to. Principal Depot, 62 Fulton Street, New York.
