

THE OLD GUARD, A MONTHLY JOURNAL, DEVOTED TO LITERATURE, SCIENCE AND ART, AND THE PRINCIPLES OF 1776 and '87.

C. CHAUNCEY BURR, Editor.

This Magazine will continue to defend the principles of Government which guided our fathers in the foundation of the Republic. The spirit and doctrine of the two first volumes will be fully maintained in the third volume. We have no compromise to make with error—no party with despotism. Democracy will be treated, not as a varying policy of cunning office-seekers and spoil-hunters, but rather as an abiding principle of political economy and of popular liberty. All supporters of this revolutionizing, Abolition war, will be held as the enemies of the Democracy. We shall acknowledge no organization to be Democratic which does not honestly entertain and support the principles of the Kentucky and Virginia Resolutions of 1798 and the Dred Scott Decision of the Supreme Court, the one asserting State Sovereignty and the other White Supremacy. To preserve these honorable doctrines, the Democratic party was organized by the very founders of the Federal Government, and it remained true to them down to the late and dishonoring departure, at the commencement of this war. The Old Guard is an organ of Democracy as it was, before this cowardly surrender of principle and as it must be again, before it can redeem our country from the rule of faction and despotism. This year it has been enlarged to double its former size—that is, to ten pages, for the purpose of making it in all respects, as to style and matter a popular Literary and Family Magazine.

THE SINGER SEWING MACHINES.

OUR Letter A Family Sewing Machine is just gaining a world wide reputation. It is beyond doubt the best and cheapest and most beautiful of all Family Sewing Machines yet offered to the public. No other Family Sewing Machine has so many useful appliances for Hemming, Binding, Felling, Tucking, Gathering, Gauging, Braiding, Embroidering, Cording, and so forth. No other Family Sewing Machine has so much capacity for a great variety of work. It will sew all kinds of cloth, and with all kinds of thread. Great and recent improvements make our Family Sewing Machine most reliable, and most durable, and most certain in action at all rates of speed. It makes the intricate stitch, which is the best stitch known. Any one, even, of the most ordinary capacity, can see, at a glance how to use the Letter A Family Sewing Machine. Our Family Sewing Machines are finished in chaste and exquisite style.

The Folding Case of the Family Machine is a piece of cunning workmanship of the most useful kind. It protects the machine when not in use, and when about to be operated may be opened as a spacious and substantial table to sustain the work. While some of the Cases, made out of the choicest woods, are finished in the simplest and chiest manner possible, others are adorned and embellished in the most costly and superb manner.

It is absolutely necessary to see the Family Machine in operation, so as to judge of its great capacity and beauty. It is fast becoming as popular for family sewing as our Manufacturing machines are for manufacturing purposes. The Branch Offices are well supplied with silk twist, thread, needles, oil, etc., of the very best quality.
