OUR Letter A Family Sewing Machine is tast gaining a world-wide reputation. It Family Sewing Machine has so many use-In appliances for Hemming, Binding, Felling, Tocking, Gathering, Guaging, Braiding Embroidering, Cording, and so forth. No other Family Sewing Machine has so much capacity for a great variety of work. It will sew all kinds of cloth, and with all kinds of thread. Great and recent improvements make our Family Sewing Machine most reliable, and most durable, and most certain in action at all rates of speed. It makes the interlocked stitch, which is the best stitch known. Any one, even of the most ordinary capacity, can see, at a glance how to use the letter A Family Sewing Machine. Our Family Sewing Machines are finished in chaste and exquisite style.

The Folding Case of the Family Machine is a piece of conning workmanship of the most useful kind. It protects the machine when not in use, and when about to be operated may be opened as a spacious and substantial table to sustain the work. While some of the Cases, made out of the choicest woods, are finished in the simplest and chastest manner possible, others are adorned and embelished in the most costly and superb manner.

It is absolutely necessary to see the Family Machine in operation, so as to judge of its great capacity and beauty. It is last becoming as popular for family sewing as our Manufacturing machines are

for manufacturing purposes. The Branch Offices are well supplied with silk twist, thread, needles, oil, etc., of the very best quality. Send for a Pamphlet.
