

THE OLD GUARD, A MONTHLY JOURNAL, DEVOTED TO LITERATURE, SCIENCE AND ART, AND THE PRINCIPLES OF 1776 AND '87. C. CHAUNCEY BURR, Editor.

This Magazine will continue to defend the principles of Government which guided our fathers in the foundation of the Republic. The spirit and doctrine of the two first volumes will be fully maintained in the third volume. We have no compromise to make with error—no parley with despotism. Democracy will be treated, not as a varying policy of cunning officers...

THE NEW YORK NEWS.

THE BEST PAPER IN THE WORLD. B. Wood, Ed. and Proprietor. Prospectus.

The Democracy of the North will commit a fatal error if they accept the result of the late Presidential election as an indication of the hand of Destiny in the next campaign. The future welfare of the republic depends upon the political zeal and activity of the Democracy during the year 1865.

The small majority of the popular vote that elected the Black Republican candidates, considered in view of the extraordinary resources of the Administration for corruption and complicity for ever, War Democracy has fulfilled its mission of disorganization, and like any other pestilence will be remembered only for the evil it has done.

The issue now before the people is the final struggle between Centralization and States' Rights, and no journal is Democratic that is not the devoted champion of States' Rights, the paramount principle of the Democratic faith.

The New York News needs no testimony beyond its plain unalterable record to substantiate its claim to being and having been the most earnest, able and consistent States' Rights Journal in the land. We have no excuses to invent for modifications of sentiment, nor have we to plead "expediency" in palliation of inconsistency.

Our path is the straight forward. Our columns are before the people, not a line in them that we would cancel nor sentiment that we would recall, not an assertion that requires an explanation, not a word that we regret to have uttered, not a principle advocated that we have not stood by and will stand by to the last.

At a glance at the columns of The News devoted to "Southern and Northern personal" will remark the extraordinary success that has attended our enterprise in that direction. We are in daily receipt of letters expressing the thanks of those who, through the medium of the "Personal" in The News, have been enabled to receive tidings from their friends and relatives in the South, and the best of many an exile and wanderer has been gladdened through that instrumentality by words of affection and hope from those mourned for as dead.

The Agricultural Department of The New York News renders it an invaluable companion and assistant to the farmer; and its Cattle, Market and Produce Reports are most reliable and full than those of any other journal.

HELMHOLD'S EXTRACT BUCHU. For Weakness arising from excesses, Habits of Dissipation, Early Indulgence of abuse, attended with the following symptoms:

Thousands upon Thousands who have been the victims of Quacks, and who have paid heavy fees to be cured in a short time, have found they were deceived, and their "poison" has by the use of the "erect astringents," been dried up in the system, to break out in an aggravated form, and perhaps after Marriage.

While some of the Cases, made out of the choicest woods, are finished in the simplest and chaste manner possible, others are adorned and embellished in the most costly and superb manner.

It is absolutely necessary to see the Family Machine in operation, so as to judge of its great capacity and beauty.

It is fast becoming as popular for family sewing as our Manufacturing machines are for manufacturing purposes.

The Branch Offices are well supplied with silk twist, thread, needles, oil, &c., of the very best quality.

INVALID SOLDIER NATIONAL HOME ENTERPRISE.

THE MIRROR OF THE REBELLION. The Most Complete and Magnificent War Exhibition Extant. Devoted to raise Funds for a National Home.

100,000 TICKETS, AT \$1 EACH. A DONATION OF \$34,720 in Valuable Property to the Ticket Holders.

JOSIAH PERHAM, Agent for the Proprietors, has the honor to announce a plan for creating a fund for the founding of a National Institution, to be a home for invalid, disabled, discharged soldiers.

The original number of Tickets issued for this object was 100,000, one third of which have been already disposed of in Boston, Mass. where the enterprise was first projected.

Each of the One Dollar Tickets is good for Four Admissions to the Mammoth MIRROR OF THE REBELLION, at 285 Broadway, New York City, or wherever else exhibited.

One half of the profits of the entire sale will be exclusively devoted and donated to the above named patriotic object.

According to the original advertised plan, a Mass Meeting of the ticket holder was held in Faneuil Hall, Boston, on Nov. 4th, and an adjourned meeting at the same place, on Dec., 15th. The following named gentlemen were elected a Board of Trustees, to receive the funds, which may accrue from the novel enterprise, and to appropriate the same to this object in accordance with the plans of the originator: Gen John S. Tyler, Boston; His Excellency Governor James V. Smith, of Rhode Island; Hon. Geo. Briggs of New York; His Excellency Gov. A. G. Curtin of Pennsylvania; Major Gen N. P. Banks, of Mass.; Major Gen. O. O. Howard of Maine, His Excellency Gov. Richard Yates, of Illinois.

To speedily accomplish this great object, every wise means will be used by the projector to effect the immediate sale of the tickets; and he calls upon the loyal and humane to assist earnestly in carrying this noble undertaking forward to a triumphant success.

Neither its importance, nor its feasibility, can be called in question. Let the people but respond in a spirit worthy of the project, and no obstacles shall delay its consummation.

Making no proposition in good faith, and ready to devote his whole energies to the great work, the projector firmly believes the tide of popular favor will flow in the desired direction, and accomplish the founding and insure the creation of a permanent National Institution, which shall be an asylum for the retired soldier, whose loss of health or limb is his diploma for heroic services performed in his country's cause, and which shall go down to the future generations a blessing to mankind and an enduring monument to the liberality of the loyal people.

By combining this enterprise with a public place of amusement of such well established high character and merit, the subscriber to the fund, while giving his money for the promotion of a great charitable design, may receive a full equivalent for the outlay in witnessing this splendid series of Paintings.

ATTARACTIVE BOUNTY TO PURCHASER. To effect the speediest possible sale of these tickets, so that unnecessary expense may be saved, and the National Home Fund proportionately increased, a further inducement is offered as a bounty to purchaser.

As soon as the tickets shall have been sold, in addition to one half the profits, as aforesaid, the following described property will be donated to the ticket holders, and placed in the hands of their Trustees, a distinct book, having been chosen for that purpose, at the mass meetings held as above stated, and which consists of the following gentlemen who, on receipt of the property, will dispose of the same, by lot, or otherwise, as the ticket holders in mass meeting may direct—there to be no violation of law in such disposal: Hon. C. O. Rogers, Hon. C. W. Slack, Gen. Robt. Cowdin, Col. J. W. Wright, John C. Haynes, Esq., of Boston, Joshua Webster Esq., of Mapleville, Mass.; Isaac S. Morse Esq., of Cambridge, Mass.

A National Home Ticket, costing one dollar, consists of five coupons, four of which are admissions to the Mirror, good at any time, and the other a certificate of an interest in the Enterprise, which the purchaser may retain.

The admission coupon may be used separately, or all at once, as suits the convenience of the purchaser.

WILSTAR'S BALSAM OF WILD CHERRY. So general has the use of this remedy become, and so popular is it everywhere, that it is unnecessary to recount its virtues. Its works speak for it, and find utterance in the abundant and voluntary testimony of the many who from long suffering and selected disease have by its use been restored to pristine vigor and health.

We can present a mass of evidence in proof of our assertions, that CANNOT BE DISCREDITED.

Testimony of Mr. JAMES GRIMES, a gentleman highly esteemed in Columbia Co. Pa., and one whose statement can be relied upon.

My Pleasantry, Col. co., Pa., May 21, 1860. Messrs. Sath W. Fowler & Co., Boston—

Gentlemen—About three years ago my daughter, now twelve years of age, was severely afflicted with a cold, a general irritation of the lungs followed, producing a hectic cough, which became almost constant, swelling of the temples and other indications of Consumption were also apparent, and her life was despaired of by her physician.
