WEDNESDAY, APRIL 12, 1865.

THE County Commissioners will commence holding their appeals on the 4th of May, and continue them from place to place until they travel over the whole county. See advertisement.

Senect School,-We would direct the at tention of our patrons to the advertisement of Miss Larchia who proposes to com-

Gold was quoted in our daily exchanges fast evening at \$1.49. We do not expect to see the quotation get much, if any scarcely, below that; on account of there being such a large amount of paper "promises to pay" in circulation.

Prices are coming down, al hough there ore certain merchants in this place that do nos sell goods as low as can be porchased in our neighboring towns. Dry goods have laken guite a pitch downward. Good mus- once. The interest to 15th June next wil line are offered at 25 cts, and calicoes at be paid in advance. This is the 48 cts. Groceries seem still to stand pretty firm - They must decline ere long.

On Monday, on the reception here of the news of the surrender of Lee's army, all the bells in town were vigorously rung, and Great Popular Loan of the People some rockets and fire crackers were set off. We understand that some of the more patriotic got "lightly slight" on the occasion.

- Tur Court House bell, and all the Church bells, in this place, were rung on Monday fast about 6 hours, over the news of the adtrender of Gen. Lee's army. A large amount of bunting was displayed on the occasion. In the evening the Exchange block - Union League Rooms, &c .- were handsomely illuminated with candles, on the 'outer walls." The buildings made a bright appearance. The streets were thronged with noisy boys and girls, all seeming very jubilant over the great vic ories achieved by our armies .

Occasionstly we hear complaint made "that we charge too much for our paper: that they would like to take it, but \$2 50 in advance, they think a little too steep a price. We will simply state that we have made an advance in our subscription price of 25 per cent, while the ink and newspaper manufacturets have made an advance in price upon us of over 100 per cent. We are paying \$15 per-bundle for the same pa per that we purchased foor years ago a: \$7; and until quite recently we paid \$16. For ink we are paying nearly double.
