## Mrs. Maxwell's Testimonial. New York, Dec 23, 1862.

Knowing positively that Reeves' Amprosia produced a beautiful head of hair for Mrs. Lizzie Shepherd, of Brooklyn, New York, I was induced, thereby, to use it thoroughly. I needed something for my hair, it being short and thin-had used one half dozen bottles when I could plainly notice an increase in its length, strength, and beauty. An experience of about twy years has proved a complete success. Mo hait is now by measurement, four feet ten inches in length, nearly reaching the floor. I have allowed my photograph to proclaim the merits of Reeves' Ambrosia to the world.
