

THE OLD GUARD, A MONTHLY JOURNAL, DEVOTED TO LITERATURE, SCIENCE AND ART, AND THE PRINCIPLES OF 1776 and '87.

C. CHAUNCEY BURR, Editor. This Magazine will continue to defend the principles of Government which guided our fathers in the foundation of the Republic. The spirit and doctrine of the two first volumes will be fully maintained in the third volume. We have no compromise to make with error—no parity with despotism. Democracy will be treated, not as a varying policy of cunning office-seekers and spoil hunters, but rather as an abiding principle of political economy and popular liberty.

THE BEST PAPER IN THE WORLD. B. Wood, Ed. and Proprietor. Prospectus.

The Democracy of the North will commit a fatal error if they accept the result of the late Presidential election as an indication of the hand of Destiny to relax their political activity until the opening of the next campaign. The future welfare of the republic depends upon the political zeal and activity of the Democracy during the year 1865.

The small majority of the popular vote that elected the Black Republican candidates, considered in view of the extraordinary resources of the Administration for corruption and compulsion, attests that the power of the Democracy, on a fair field, is equal to the vindication of Democratic principles.

There is one feature in the result of the Presidential election that goes far to reconcile the patriot to the hard fate of his country under four years more of Black Republican misrule. The baleful meteor that lingered in grief while in our political atmosphere has vanished for ever. War Democracy has fulfilled its mission of disorganization, and like any other pestilence will be remembered only for the evil it has done.

The issue now before the people is the final struggle between Generalization and States' Rights, and no journal is Democratic that is not the devoted champion of States' Rights, the paramount principle of the Democratic faith.

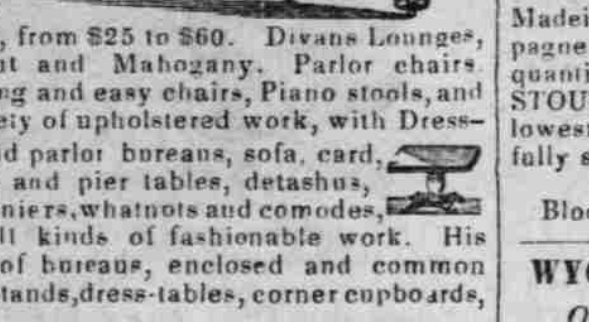

The New York News needs no testimony beyond its plain unalterable record to substantiate its claim to being and having been the most earnest, able and consistent States' Rights Journal in the land. We have no excuses to invent for modifications of sentiment, nor have we any expediency in pillage of inconsistency.

Our path has been straight forward. Our columns are before the people, not a line in them that we would cancel nor sentiment we would recall, not an assertion that requires an explanation, not a word that we regret to have uttered, not a principle we recant, not a fact that we do not stand by and will stand by to the last. Such has been our past record, so be our future.

We do not, however, ask the Democracy to sustain us in our mission as a reward for the service we have done, but in consideration of the good work that we propose to do. The New York News for 1865 will not merely imitate its predecessors, it will excel them. It shall be not only the truest exponent of Democratic principle, but the best newspaper in the country.

OUR Letter A Family Sewing Machine is just gaining a world-wide reputation. It is beyond doubt the best and cheapest and most beautiful of all Family Sewing Machines yet offered to the public. No other Family Sewing Machine has so many useful appliances for Hemming, Binding, Felling, Tucking, Gathering, Gaging, Braiding, Embroidering, Cording, and so forth. No other Family Sewing Machine has so much capacity for a great variety of work. It will sew all kinds of cloth, and with all kinds of thread. Great and recent improvements make our Family Sewing Machine most reliable, and most durable, and most certain in action at all rates of speed. It makes the interlocked stitch, which is the best stitch known. Any one, even of the most ordinary capacity, can see, at a glance how to use the Letter A Family Sewing Machine. Our Family Sewing Machines are finished in chaste and exquisite style.

THE Folding Case of the Family Machine is a piece of cunning workmanship of the most useful kind. It protects the machine when not in use, and when about to be operated may be opened as a spacious and substantial table to sustain the work. While some of the Cases, made out of the choicest woods, are finished in the simplest and classiest manner possible, others are adorned and embellished in the most costly and superb manner.

It is also unnecessary to see the Family Machine in operation so as to judge of its great capacity and beauty. It is fast becoming as popular for family sewing as our Manufacturing machines are for manufacturing purposes. The Branch Offices are well supplied with silk twist, thread, needles, oil, &c., of the very best quality. Send for a Pamphlet. THE SINGER MANUFACTURING CO., 458 Broadway, N. Y. Old Things Become New. The undersigned would beg leave to inform his old friends, and "the rest of mankind," that he has lately returned from the service of the Government, and has opened his OLD ESTABLISHED ED TAILORING SALOON, with a view of making up entire new garments, as well as mending old ones, for all mankind, [and any body else,] who may favor him with their work in his line. He is prepared to do work NEAT, FASHIONABLE and SUBSTANTIAL, and hopes by so doing, and strict attention to business to merit and receive a due share of patronage. But remember, all that these times require money, or something to live upon, he therefore hopes and trusts, that when he has done his part, his customers will do theirs, by furnishing the "ready John," or ready trade. For truly the "Laborer is worthy of his hire." BERNARD RUPERT Bloomsburg, Sept. 10, 1862.

IRON IN THE BLOOD. It is well known to the medical profession that Iron is the vital Principle or Life Element of the Blood. This is derived chiefly from the food we eat; but if the food is not properly digested or if, from any cause whatever, the necessary quantity of Iron is not taken into the circulation, or becomes reduced, the whole system suffers. The bad blood will irritate the heart, will clog up the lungs, will stupefy the brain, will obstruct the liver, and will send its disease producing elements to all part of the system, and every one will suffer in whatever organ may be predisposed to disease. The great value of IRON AS A MEDICINE is well known and acknowledged by all medical men. The difficulty has been to obtain such a preparation of it as will enter the circulation and assimilate at once with the blood. This point, says Dr. Hayes, Massachusetts State Physician, has been attained in the PERUVIAN SYRUP, by combination in a way before unknown.

THE PERUVIAN SYRUP. Is a protected solution of the Protoxide of Iron. A new discovery in medicine that strikes at the Root of Disease by supplying the blood with its Vital Principle or Life Element—Iron. THE PERUVIAN SYRUP Cures Dyspepsia, Liver Complaint, Dropsy, Fever and Ague, Loss of energy, Low, Spirits. THE PERUVIAN SYRUP infuses strength, vigor, and new life into the system, and builds up an "Iron Constitution." THE PERUVIAN SYRUP Cures Nervous Affections, Female Complaints, and all diseases of the Kidneys and Bladder. THE PERUVIAN SYRUP is a Specific for all diseases originating in a bad state of the blood, or accompanied by Debility or a low state of the system.
