of the worst disorders that afflict manhiad arise from the corruption that accumulates in the Blood. Of all the Cicoveries that have been made to purge it out, none cas equal in effect HELMBOLD'S COMPOUND EXTRACT OF SAD-BAPARILLA. It cloauses and renovates the Blood, instilla the vigor of health into the system, and purges out the humors which make disease. It stimulates the healthy functions of the body, and expels the disorders that grow and rankioin the blood. Such a remedy that could bo relied on has long been sought for, and now, for the first time the public have one on which they can depend. Our enace here does not admit of certificates to show its effects. but the trial of a single bottle will show to the sick that its has its virtues surpassing anything they have over taken. Two tablespooneful of the Extract of Sarsaparilla added to a pint of water is equal to the Lisbon Diet Drink, and one bottle is fully equal to a gallon of the Syrup of Sarsaparilla, or the decoction as usually made.

My Extract Saresparilla is a Blood Parifler ; my Extract Buchu is a Diuretle, and will act as such in all cases. Both are prepared on purely scientific principles-ta racuo-and are the most active measures of either that can be made. A ready and conclusive test will be a comparison of their properties with those set forth in the following works:
