Prospectus of Vol. 111.-1865. THE OLD GUARD.

A MONTHLY JOURNAL, DEVOTED TO LITERATURE, SCIENCE AND all Druggists. ART, AND THE

Principles of 1776 and '87. C. CHAUNCEY BURR, EDITOR.

This Mayazine will continue to defend the principles of Government which guided our fathers in the foundation of the Republic. The spirit and doctrine of the two first volumes will be fully maintained in the third volume. We have no compromises to make with error-no parley with despotism. Democracy will be treated, not as a varying policy of conning officeseekers and speil hunters, but rather as an abiding principle of political economy and of popular liberty. All supporters of this revolutionizing, Abolition war, will be held as the enemies of the Democracy. We shall acknowledge no organization to be Democratic which does not honestly enun ciale and support the principles of the Kentucky and Virginia Resolutions of 1798 and the Dred Scott D. cision of the Supreme Court, the one assserting State Sov ereignly and the other White supremacy. To preserve these honorable doctrines, the Democratic party was organized by the very founders of the Federal Government. and it remained true to them down to the fatal and dishonoring departure, at the commencement of this war. The Old Guard is an organ of Democracy as it was, before this cowardly surrender of principle and as it must be again, before it can redeem our country from the rule of faction and despotism. This year it has been enlarged to double its former size-that is, to

ing it in all respects, as to style and matter a popular Literary and Family Magazine. , स्टायवायायाया One copy, one year, Seven copies, one year, and one to the getter up of club, 14 00 Twenty copies, 35 00
