TO ADVERTISERS,-The circulation of the Philadelphia AGE, which is steadily valuable a medium for advertising as any other commercial and business newspaper in Philadelphia; and the fact that it reaches a large class of conservative readers, scattered over a vast extent of country, who do not take any other Philadelphia paper, commends it, to an extraordinary degree. as a means of communicating with the publie not possessed by any other Journal putlished in this city.

The AGE is now established on a sure and permanent foundation. The publishers could easily fill their columns with the unsought and most libera! commendations of the press throughout the country; Lur they prefer that it should stand altogether upon claims to public confidence well known and established. It will be, as heretofore, the supporter of the National, Conservative, Democratic, Union Principle-, opposed alike to radicalism and famalicism in every form, and devoted to the maintenance of Good Government, Law, and Order. The revival of all the business relations of the country, consequent upon the suppression of the rebellion and the Jewelry in this way, we are confident that & Moyer's Drug store, he is prepared to restoration of peace, will enable the pubwait upon his many customers with FIRST | lishers to make a number of improvements in the various departments of this Journal and they, therefore, respectfully solicit the support of all who wish to secure one of the best Commercial, Literary, Business,
