MORE NEW CLOTHING AND GENTLEMEN'S Dages Goops .- We would announce that Andrew J Evans has just returned from New York City with a supply of new cloths, cassimeres, vestings, and goods generally for gentlemen's wear. He keeps constantly on hand ready made clothing.

THE LUTHERAN CONGREGATION, in this place, have received from the city, and suspended in the cupola of their church, a fine tell procured by the money netted at the late Festival held by the members of said church. It sounds clear for a new bell. It will improve after a proper amount of neage.

CAPT. A. H. RUSH, of Berwick, has reopened his marble shop, with fair prospects of receiving a liberal share of public patronage. He is a good skillful mechanic. and is prepared to execute, in excellent taste, any kind of work in his line. The marble business we should think rather desirable and lucrative employment. The unfortunate condition of por country has office of TREASURER of Colombia Counafforded any amount of work for the sculp- ty, subject to the decision of the Demotor and engraver.

DR. John has not yet succeeded in ousting that ancient and venerable friend of ours, DISSOLUTION OF Ce-PARTNERSHIP. Isaac Monroe. Up to the present it seems to be a losing operation with the Doctor. He has succeeded neither in obtaining the office, nor in fleecing his friend Isane, as he did a recent holder, of the office of Assistant Revenue Assessor-to the tune of sixty dollars for a little bit of influence with the member of Congress 11 isaac would only submit to be moderately black-mailed there can be no doubt the Dr. will relinquish his pretensions to the office.

Our town is becoming notorious for rows and street disturbances. Almost every day said county deceased, among the several relieves the difficulty of breathing, and bewe learn of some violent assault, terminating in a fight or riot. This should be stopped by a proper application of the law .- | 12TH DAY OF AUGUST NEXT, at 10 Another offence against the peace and safe- o'clock A. M of said day, for the pur ty of the community-is very rapid riding, pose of making distribution. All personusually committed by intexicated persons. That lager beer which our people were invited to take, by the Republican, we are made to believe should be avoided, as it is "fighting Lager," occasionally containing an ingredient of fast riding.

Da. Joun's Democrats, like himself, are all Republicans-vote that ticket! The Democratic party of this County are denounced by him as the "copperhead" party. They voted, last Fall, a straight ticket for NER, Administrator with the Will annex- | icine extant. It meets with a more ready President, which ticket received a larger ed, of Reuben Savage, late of Fishing- sale than any other that I have ever had in vote in this State than has been east by our party for years, although it suffered defeat; and that ticket was denounced by Dr. John as the "copperhead ticket;" hence all bounded and described as follows, to wit: who voted against it, were Republicans or Kinney Buckalew, dec'd; on the east by its effects." Abolitionists. He will not pretend to say land of Daniel Thomas; on the south by that a man who votes the Republican ticket. that a man who votes the Republican ticket land of Solomon Buss; containing is still a Democrat! as on the ether hand a man may vote the Democratic ticket and yet be a Republican! Can this be possible? Does any of his Republican friends vote the Democratic ticket? if so they are "copperheads," according to the Dr.'s reasoning,-It is necessary to advocate the principles of Democracy to claim to be a member of that party, and he would be a strange party man who claimed a membership and yet voted against it. All Democrats may be of one-lourth on the day of sale; one-fourth "copperheads" or they may not; it matters very little what they are called by blackguards. They are not advocates of or disposed by bond and morigage.
