

THINGS ABOUT TOWN & COUNTRY.

BLOOMSBURG, PA.

WEDNESDAY, AUGUST 9, 1865.

Wonder if the Democrat has any more candidates to announce for Assembly?

The new Post Office, at this place, is nearly completed. It is located on the south west corner of Market Square.

New Potatoes can be had, in large or small quantities at RUNYAN'S Provision Store. Only Seventy five cents per bushel.

JOSEPH H. FURMAN, Esq., is selling a pretty fair article of stove coal at \$4.50 per ton, delivered.

The Green Creek Oil Company are boring for oil on one of their tracts of land, situated four or five miles from Rohrsburg.

Mrs. E. W. WYNKOOP's school commenced for the Fall term on Monday of last week. Her school room is already being rapidly filled up.

Rev. H. RINKER will commence a term of school in the Academy, at this place, on Wednesday, the 16th day of August. For particulars, see "card" in another column.

MIFFLIN COUNTY.—An oil well has been struck near Mt. Vernon which yields two hundred barrels a day. A forty barrel well has also been struck in another section of the county.

By "talent" is an item of no consequence with the people of Columbia county, as Dr. John asserts, it is surprising that he has not been more successful. Let him "inker" away!

Mr. BENNARD REPERT has removed his place of business to the rooms over the bar and establishment of William Beilman, on Main Street, where he will be found, ready to make up, with neatness and dispatch, all kinds of garments, and give "perfection," upon the most reasonable terms.

STOLEN.—Mr. B. F. PATTON had stolen, from his farm near Bloomsburg, on Tuesday evening of last week, seventeen fleeces of wool. He offers a reward of \$50 for the recovery of the wool and the apprehension of the thief.

Our readers will please excuse us for not having made an apology to them for devoting so large an amount of space in our last issue to the miserable creature and paragon who ran the "Scent Machine." as we were not aware, until he told us, that—
—then potatoes over there
Grow exceedingly large.

FIRE.—On Monday of last week Jacob Haas, of Hemlock township, this county, lost a dwelling house and barn by fire. The fire was first discovered in the barn and extended from that to the house destroying both, with their contents. An insurance was on the property to the amount of \$400. The buildings were occupied by a tenant, and in tolerably good condition.

The Democracy of Columbia County design holding, between the 1st and 1st of September next, a mass (or camp) meeting in Magallow's Grove, near Orangeville. Timely notice will be given by hand bill; and all necessary arrangements made to secure the attendance of a large number of people.

THE CROPS.—The grain crops which have recently been harvested in Pennsylvania are said to fall below an average yield. The brilliant promise made in the spring was counteracted by the operations of the weevil in the eastern portion of the State.

We publish on the first page of this week's Star Hon. Emerson Eiderich's letter to the President, Mr. Andrew Johnson. It is sarcastic, keen and cutting. We also print upon the same page, the address of Ex-Governor Brown, of Georgia, to his State constituents. It is patriotic, outspoken and true. Read it.

FRANK R. SNYDER, formerly of this county, has assumed full control of the Jersey Shore Herald, and changed it from a neutral to an out and out Democratic sheet. The revival of the *Vedette* of that place, which is Republican in politics, was the means of converting the *Herald* into the Democratic ranks. In doing so the present editor was not compelled to undergo any change of mind upon the political topics of the day, having been reared and schooled under Democratic teaching. FRANK has the knack of getting up an interesting and neat paper.

The editor of the *Republican* ever ready to pronounce a verdict in his own favor, in his last "chirps a little too soon," when he speaks of "fastening falsehoods where they belong." The fact of the matter is: instead of his having controverted, successfully, anything that we have published, his falsehoods have gone to substantiate our statements in relation to the *Star* controversy in every particular. We would direct attention to a communication in to-day's paper upon the same subject. Although, the Dr. always thinking about beans and potatoes whenever he gets cornered, may pronounce it not worth a "bill" of either.

Re-opened.—Navigation, we understand, has again commenced on the North Branch Canal, running through to Philadelphia and Baltimore. The North Branch Division has been placed in good running order some time ago, under the supervision of Hon. Owsen, Esq., but navigation was delayed on account of the slow work done between Northumberland and Baltimore. Stone coal is being shipped to the eastern cities in large quantities; and this all may have a tendency to bring up the price of coal among us. It seems sufficiently high present. We hope to see no increase.

STAR OF THE NORTH

Mossy the guerrilla chief is a candidate for Congress.

BYRON DYMAN, ex-Governor of Rhode Island, died on Tuesday, aged 70 years.

The rebel Generals Wheeler, Kershaw, Marmaduke and Fagan are in New York.

A "colored convention" met yesterday at Alexandria, Va., to secure the right of suffrage "and other benefits."

The Siamese twins, having lost their property in North Carolina by the rebellion, are about to again exhibit themselves in the Northern cities.

Eleven subpoenas in divorce have been granted by the Luzerne county Court and issued, returnable to August Term.

Among those pardoned by the President, is Duff Green and Chancellor Ridley, of Tennessee.

The Brazilian government withdrew its concession of belligerent rights to the insurgents in this country on the 21st of May last.

GEORGE FRANKS TRAIN has a summer residence at Newport, and rides about on the veritable war-horse of Stonewall Jackson.

The gross receipts of one rubber factory in New York during the war were \$7,300 per day for rubber blankets alone.

The Supreme Court of Wisconsin has decided that the law of Congress requiring stamps on legal papers, either at the beginning or other stages of a suit, is unconstitutional.

A party of soldiers have arrived at Savannah, en route to Andersonville, to give a proper burial to the Union soldiers who have died there during the war.

Poon Brigham Young is a widower. One of his wives died on the 22d of last month. She was the handsomest of all Brigham's wives, except six.

A man in custody in Benton county, Mo., for being concerned in the murder of several Union men, was lately taken from the sheriff on July 16, and shot dead by a mob.

JOHN COOK succeeds ex-President Buchanan as president of the board of Franklin and Marshall college. There is but one step from the sublime to the ridiculous.

HON. ISAAC SLEEKER, the present Democratic Auditor General, is journeying to Bedford Springs for the benefit of his health. He will return to this city in the course of a week.

ROBERT BROWN of Wellsburg has been sent from Wheeling to Fort Delaware, where he has been sentenced to one year's imprisonment. Mr. Brown was charged with having said that he was glad that Lincoln was dead.

A STRANGE COINCIDENCE.—It is a remarkable coincidence, and one worthy of notice, that the literal definition of the name Weichmann is what a New Englander would denominate a "sap head."

ACCIDENT.—On Wednesday last, five men were killed at a high stage, while at work on the Lehigh Navigation Co. R. R., in a cut, the earth caving in upon them. They were all men of families.

The device of the State seal of Virginia has been altered by the new State government. The old device is retained, but the words "Liberty and Union" surmount the Goddess of Liberty, trampling on the fallen tyrant, instead of the motto "Sic Semper Tyrannis."

The New York *Tribune* says the present interest of one hundred and forty million dollars (\$139,262,568 28) on the national debt will be increased to the extent of at least ten millions (\$10,000,000) by next January. Pleasant prospect, truly for taxpayers.

The *Deseret News* announces the death of James Duane Borg, Governor of Utah, who expired at Great Salt Lake City on the 13th of June. The deceased was little over sixty-five years of age, having been born in New York, November 5, 1799.

A STORY is told of a soldier who dropped from a car on the Northern Central Railroad, was run over, had both his legs cut off, and a few tendons which he cut with his penknife; attended the bleeding of the stumps; bled another train by firing his pistol, and was finally succored, after being exposed all night.

SHADDOCK COUNTY.—A violent whirlwind recently passed over the village of Athens, tearing up trees and fences and hurling them more than a hundred feet into the air. They have commenced boring for oil at Alba Burlington and Sylvania, with sanguine hopes of success.

GENERAL MEADE has taken up his summer residence near Jenkintown, on the North Pennsylvania railroad. He is now in command of the Eastern Military Division, which includes the whole seaboard from Maine to Florida. His permanent headquarters are in Philadelphia.

THE MATAMOROS correspondent of the New York *Tribune* says that some seven thousand Confederate soldiers lately crossed the Rio Grande to join the cause of Maximilian. They are organized into corps by General Shelby. Wade Hampton is at Camargo with six hundred men. Magruder is at Monterey. General Kirby Smith is at the Capitol. The Imperial cause is looking up and the Monroe Doctrine down.

SENATOR AFFAIR.—A stone-bow, held in Exeter, on Saturday last, at the house of Mr. Driesbach, resulted in a serious disturbance. In the evening a gathering assembly have a dance, but the parties present disagreeing raised a fistic. In the scuffle that ensued Mrs. Driesbach was struck on the head. A physician was called and the wound examined, when it was discovered that her skull was fractured. It is thought she will recover. We understand that warrants have been issued for the arrest of the offenders.—*Wilkes-Barre Record.*
