

THE NORTH. W. M. B. JACOBY, EDITOR. CHAS. G. BARKLEY, Assistant Editor. BLOOMSBURG, WEDNESDAY, AUG. 16th, 1865.

DEMOCRATIC COUNTY CONVENTION. NOTICE is hereby given that the Democratic Electors, in and for the several Boroughs and Election Districts, will meet at their respective places of holding the General Elections...

Tennessee Election. The late election in Tennessee resulted in the election of only two radicals to Congress, the balance being Democrats, and men holding liberal and conservative views.

Delegate Elections. We wish the Democrats throughout the county to meet on Saturday, the 26th inst., at the day fixed for holding the delegate elections.

Public Feeling. With the return of peace political feeling has been greatly changed. During the war party spirit had reached a dangerous height, and its baleful influence could be plainly discovered in every relation of society.

Terrific Steamboat Disaster and Loss of Life. A terrible steamboat disaster occurred on Lake Huron about six miles from shore on Wednesday evening, the 9th instant.

Blair County Democracy. In Blair County the Democracy nominated for Assembly Major B. M. Morrow, of Hollidaysburg; a man who has served almost during the entire war in the army.

Orangeville Normal School. The Orangeville Normal School, commencing on the 26th inst., and to continue three days. The location selected for the meetings is a most spacious one, and very desirable.

General News Items. SECRETARY SEWARD has returned to Washington from Cape May. About thirteen hundred votes were cast in the election at Memphis.

General News Items. FIFTEEN thousand Polish exiles are making arrangements with the Swiss Government for transportation to the United States.

General News Items. THE rebel General Ewell has gone to reside at his home at Prince William county, Va.

General News Items. A SOLDIER on duty at Fort Lincoln, Washington, was killed by lightning on Sunday last.

General News Items. It is said that a subscription is being raised in Washington for Mrs. Jefferson Davis, who is destitute in Alabama.

General News Items. GEN. TOWNSEND, Assistant Adjutant General of the United States, has been on a visit to Fort Monroe on business having reference to Mr. Davis.

General News Items. AN expedition sent a few days since by General Thomas to Carroll, Tenn., to punish marauders, killed two or three of them and captured another.

General News Items. A CONVENTION of preachers, deacons, and laymen, religious teachers will be held at St. Louis, on August 25, to consult over the oath imposed upon them by the new State Constitution.

General News Items. A NUMBER of immodest Treasury clerks, having the fear of the Women in Black before their eyes, have instructed the messengers in the Department to say: "Not at home," to every suspicious female desiring an audience with them.

General News Items. Some additional returns and estimates of the Kentucky election have been received. Trimble has been elected in the First district; Harding in the Fourth, and Shanklin in the Seventh, all Democrats.

General News Items. AN ATTEMPTED ASSASSINATION.—One night last week Mr. Dowart, residing near Grimsby, Berks county, while in the act of retiring to bed, was fired at through the window by some unknown person, the ball passing within a few inches of him and lodging in the wall.

General News Items. COAL.—From the coal regions we learn that the demand is good, and a small advance in price has been realized. It is generally understood among the traders, that tolls and freight charges will be advanced on the first of the coming month.

General News Items. THE Republican themselves are getting tired of Chief Justice Chase running all over the country with a young African under each arm. The New York Herald gives him the following notice to quit: "Justice Chase has been seen on an electioneering tour and is now traveling through New England. At every step he renders the Republican party more odious to the people."

General News Items. SOLDIERS' DISCHARGES.—The brokers of the cities are busy trying to buy up soldiers' discharge papers of the 1862 and 1863 men. The object is evidently speculation. Should they be able to secure the papers in any considerable amount, they will go to the next session of our loyal Congress, and under the pretext of doing justice to brave men, purchase them for a large sum of money.

General News Items. A TRIFLING TREASURY CLERK CAUGHT.—In June, 1864, it was found in the Treasury Department that one hundred \$1,000 bonds, with coupons attached, were missing. The detectives were notified, and after a thorough investigation, they arrested in New York on Saturday last a Mr. W. W. Whittlesey, a former clerk in the Loan Office, who confessed the guilt. No money was found on him, but the officers were sure some of the coupons were secreted. He was lodged in jail at Washington.

General News Items. THE Republican Convention of Dauphin county has nominated the following ticket: Assembly—Dr. J. Seiler and H. B. Hoffman; District Attorney—J. D. Simonon; Commissioner—J. J. Millen; Surveyor—Preston Miller; Auditor—Daniel Brua; Coroner—Thomas Worley; Director of the Poor—Rudolph F. Kelker.

General News Items. THE MONROE DOCTRINE.—ELMIRA, Aug. 10.—Adjutant General Thomas was serenaded here to-night. He said among other things, "We are now in condition to hold our own against the world. The Monroe doctrine is well enforced. Maximilian must get out of Mexico, or we will bury him out."

General News Items. GOING TO FARM.—George F. Robinson, the soldier who saved Secretary Seward's life, was married on the 13th ult., at Springfield, Maine. He has been presented with a farm out West and may now settle down and enjoy himself, with reminiscences of his desperate encounter with Payne to enliven his winter evenings.

General News Items. CHAMBERSBURG is fast rising from its ashes. The court-house is under roof, three stories and nearly completed, and buildings and business houses are going up in all directions.

General News Items. WHAT'S THE RIGHT NAME?—Some people speak of the internal revenue as the "internal revenue." But an exchange, in view of the probable duration of the term for which it will be imposed, suggests that "eternal revenue" would better express public opinion.

General News Items. THE name "Union" is after all, very appropriate to the present party opposed to the Democracy. It is, in fact, a union of all the isms and ag-endas of the parties ever organized in opposition to us—black spirits and white—a union of sectional fanatics and greedy office-seekers.

General News Items. SOMETHING TO THINK OF.—From the day that this was first put upon the Catskills Railroad down to this date, more than twelve years, not one passenger has been killed upon it. If that does not speak well enough for a road one hundred and twenty miles long, we cannot understand what guarantee of safety the public require.

General News Items. SINCE the advent of the Republican party in power, it has become the habit of public officers to do their traveling and pleasuring at the people's expense. Ships, railroad cars, and everything necessary for the purpose are appropriated by the public servants with the most unblinking effrontery.

General News Items. THE Grand Jury of Philadelphia, has ignored the bill charging Edward Ingersoll, Esq., with assault and battery and carrying concealed weapons. They should have indicted the ruffian of an officer who made the unjustifiable attack upon him.

General News Items. AN exchange says that the conviction of Mrs. Pettine of the crime of killing her rebel cousin, by a military commission composed of Judge Advocates and eight or ten brigadiers, proves that we have a strong Government. Very strong indeed.

General News Items. THE CARNIVAL OF CRIME.—Nearly every exchange paper we receive now contains complaints of an intolerable spirit of rowdiness prevalent in their midst. Murders, highway robberies, house-breaking, riots and outrages are becoming quite common all over the country.

General News Items. ALTHOUGH Texas has doubled the number of negroes since the war commenced, the people of that State are making every effort to organize labor on a white basis—Sambo will enjoy his hay-day and his high-day, and before he knows it he will be conked out.

General News Items. THE Commissioner of Internal Revenue has decided that where a person keeps a horse, the use of which is necessary to the prosecution of his business, the expenses of keeping the horse, including feed, etc., may be deducted from his income. When the horse is used, partly for a business producing income and partly for pleasure, so much of the expense for keeping him as is clearly referable to productive labor may be deducted.

One of the oldest and most reliable remedies in the world for Coughs, Colds, Whooping Cough, Bronchitis, Difficulty of Breathing, Asthma, Hoarseness, Sore Throat, Croup, and every Affection of the THROAT, LUNGS and CHEST, including even Consumption. WISTAR'S BALSAM OF WILD CHERRY. So general has the use of this remedy become, and so popular is it everywhere, that it is unnecessary to recount its virtues. Its works speak for it, and find utterance in the abundant and voluntary testimony of the many who from long suffering and settled disease have by its use been restored to pristine vigor and health. We can present a mass of evidence in proof of our assertions, that IT CANNOT BE DISCREDITED.

General News Items. Testimony of Mr. JAMES GRIMES, a gentleman highly esteemed in Columbia Co. Pa., and whose statement can be relied upon. Mr. Pleasant, Col. co., Pa., May 21, 1860. Messrs Seth W. Fowler & Co., Boston. Gentlemen—About three years ago our daughter, now twelve years of age, was severely afflicted with croup. A general irritation of the lungs followed, producing a hectic cough, which became almost constant, swelling of the temples and other indications of Consumption were also apparent, and her life was despaired of by her physician. At this critical moment we were induced to give Dr. Wistar's Balsam of Wild Cherry a trial, and after she had taken one bottle we found her so much relieved that it was thought unnecessary to continue its use. Since that time we have used the Balsam in our family in cases of Coughs and Colds, and find it to be a superior remedy for all diseases of the Lungs. Yours with respect, JAMES GRIMES. FROM JESSE SMITH, Esq., President of the Morris County Bank, Morristown, N. J.

FROM HON. JOHN E. SMITH, A distinguished Lawyer in Westminster, Md. I have on several occasions used Dr. Wistar's Balsam of Wild Cherry for severe colds, and always with decided benefit. I know of no preparation that is more efficacious or more deserving of general use. The Balsam has also been used with excellent effect by J. B. Elliott, Merchant, Hat's Cross Roads, Md.
