

THINGS ABOUT TOWN & COUNTRY.

BLOOMSBURG, PA. WEDNESDAY, AUGUST 30, 1865.

The proceedings of the State Convention, as well as those of our County Convention, exclude from our columns much of our usual variety of news.

STANLEY WOODWARD, Esq., of Wilkesbarre, is a candidate for the State Senate, subject to the decision of the Luzerne county Democratic Convention.

LIEUT. RUSSEL B. PEALER, of the 16th Pa. Cavalry, has returned home, in Fishing-creek, after a campaign of over three years hard service.

We will speak of our State and county ticket more at length in future issues of the Star. We have considerable work to perform this week in a different field than that of editing the Star.

Court commences next Monday in this place. There will be a pretty full attendance, if the list of cases is a criterion to judge from. The delinquent patrons will not forget the Star. A year's subscription from each one in arrears would very acceptably just at this time.

MONTGOMERY WILLIAMS & Co., gardeners at this place, have our thanks for the fine Water-Culivis presented to ourself and office hands. These gentlemen are fully prepared to furnish all who desire garden truck, such as tomatoes, cabbage, water melons, cucumbers, peppers, celery, sweet potatoes, vegetable eggs, &c. Give them a call, at their Garden, below town.

FUNERAL SERVICES.—By Divine permission the funeral obsequies of PHILIP A. KLINE, who died in Fort Mifflin, on the 4th of July last, will be attended by Rev. J. H. Harrey, at Benton, Columbia county, on the Lord's day, September 10th, 1865, at 10 o'clock, A. M. The friends of the deceased and the public generally are respectfully invited to attend.

PHRENOLOGICAL JOURNAL.—This is the title of an old established publication devoted to the cause of phrenology. It is an interesting work. Those wishing to subscribe will address FOLK & WELLS, 389 Broadway New York. Phrenology is establishing itself wherever its immense value has been rightly understood. Phrenology is a system useful alike to the Parent, Physician, Teacher, and Divine. Send for the work.

You certainly misunderstand us, Doctor, when you accuse us of "pitching into the Old Pharisees." We would not do anything to mar the old gentleman's good feelings; but leave us and the "Pharisees" to growl over that bone of contention—the Assessorship. Doctor, we advise you to get hold of it as soon as possible ere the marrow is all extracted.

It will require more than one and a half million dollars to pay the general officers assigned to duty under the recent general order. This is a monstrous imposition upon the tax-payers. The people want no standing army of shoulder-straps while peace reigns—especially of those political holiday creatures who never saw the front in war times. Muster them out and stop the vast expense of keeping them in idleness.

PHOTOGRAPHIC.—We take pleasure in announcing to the citizens of Bloomsburg and vicinity that GEORGE C. BRANDAU, formerly with Mr. Henry Rosenstock and for the past year engaged with him in New York City, has now returned to Bloomsburg, at the Old Stand in the Exchange Block, where he is prepared to take pictures of any kind which cannot be excelled. Call and examine his specimens. He is a fine workman; the best probably ever in this section.

L. T. SHARPLES, wishing to reduce his stock of goods, will sell at public auction at his store on next Monday and Tuesday evenings, the 4th and 5th of September, a variety of goods, consisting of Boots and Shoes Hats and Caps, Notions, Photographs and Pocket Albums, &c. Terms cash.

He has just received, and keeps constantly on hand a variety of styles of Bradley's celebrated Duplex Elastic Suspenders. He will fill the Agency for the best teal cutlar available in this vicinity.

BRUCE GASTRE.—This paper, published by our friend J. S. Sanders, sec. came to us last week in a new dress, presenting quite a handsome appearance. The paper displayed marks of improvement in a mechanical as well as editorial point of view. This journal is soundly Democratic and an invaluable organ to the Democracy of the upper end of the county. The present editor is deserving for his energy and perseverance, in making the Gazette a good and reliable exponent of Democratic principles, the confidence and hearty support of the Democracy of old Columbia. Success to JERRY.

Three children of Jefferson Davis passed through Albany on Tuesday on their way to Montreal.

All the rebel prisoners and Union troops except the sick have been sent away from Elmira, N. Y.

At the lowest estimate, it costs the tax-payers over \$20,000 to "try" a man of military commission in a State where the civil authority is in full force.

Thirty-five tons of mail matter are received daily at the post office in New York, and an equal amount sent away. The post office receipts for the first six months of this year were \$55, 425, 32.

The Democracy of Jefferson county, Pa., have nominated Hon. Kennedy L. Blood for the Senate, and S. M. Moore and James H. Bell for Assembly.

The Kentucky Senate stands 21 Democrats to 17 Republicans. The House is yet undecided. The Democratic candidate for State Treasurer is dead, and the Republican candidate is dangerously ill.

SUPERINTENDENT Foster informs us that the Bradford Co. Penitentiary Co., operating at Alba, have now reached a depth of fifty-four and one half feet, and have struck rock. The drill is to be put into immediate operation, and it is expected will make about twenty five feet per day.—Troy Times.

The fitness of the cargo for the exercise of political rights has been amply illustrated in Hayti. Eleven revolutions have occurred there in six years.

An inventory of the rebel stores captured at Macon, Georgia, by General Wilson, shows property of the estimated value of \$2,000,000.

KENTUCKY has sent 28,818 colored men to the war by Act of Congress the wives and children of these men to the number of 23,000 have been freed, making the whole number of slaves freed, in connection with the army, 100,864.

The Commissioners of Snyder county, have been commanded by the Court, to proceed with the erection of new county buildings at Selingsgrove, the new county seat.

The President has pardoned Charles Francis Howard, of Wisconsin, convicted of counterfeiting.

Mrs. JEFFERSON DAVIS lately applied to the War Department for permission to see her husband, but it was refused.

DISCHARGED soldiers at Springfield, Ill., are "paying off old scores" when mustered out, by thrashing officers against whom they have treated up a spite.

Moutour County. The following resolutions were read and adopted unanimously at the Moutour county Democratic nominating Convention, held on the 21st inst:

Resolved, That the Democracy of Moutour county, hereby to affirm their life-long devotion to the Constitution of our Country as interpreted by the Statesmen who made it and to the Union of the States, as formed by them.

Resolved That we congratulate the people of the whole country on the restoration of peace, and the consequent relief from the horrors of a civil war brought about by the demagogues of both sections—the original Secessionists of the South and the original Abolitionists of the North—both classes now disunionists.

Resolved That the restoration of the Union must now be accomplished by the exercise of a wise statesmanship, untrammelled by partisan bitterness or sectional hatred.

Resolved That the time will soon come, when the passions of the war having cooled, and nothing remaining but its terrible burdens and its dark and bloody memories, the people will universally recognize the influence of the House of Representatives in the Congress of the winter of 1860 and 1861, in refusing their support to any scheme of conciliation—even to submit the Crittenden Compromise to a vote of the people.

Resolved That as the war is now ended, we demand of the President in the name of the people whose servant he is, an immediate restoration of the sacred rights of personal liberty, a cessation of Military Commissions and Courts Martial for the trial of civilians in States, where the Civil Courts are open, and in general a return to a government of Law by the constant recognition of that cardinal principle of our free government that the military is subordinate to the civil authority.

Resolved That the soldiers who served their country in this bloody struggle from the best of motives, will deserve the generous welcome they are receiving from their friends and countrymen, whose duty it will ever be to cherish and relieve the sorrow-stricken widows and orphans of those who have fallen.

Resolved That we are opposed to extending the right of suffrage and eligibility in office under our Government, to the negro race to any portion of them. That we believe ours is a WHITE MAN'S Government, to be managed, controlled and sustained by WHITE MEN, and that we deprecate all efforts, whether in or out of Congress, and whether by our State or National Government, to confer the right of suffrage upon any but white men.

Resolved That we deny that a "National debt is a National blessing." We hold it to be a National curse imposed upon us and enailed upon our children, and our children's children—a mortgage upon every man's nose and labor, and that retrenchment and reform in the Department of Government, State and National, rigid economy in public expenditures, and strict integrity in the management of the finances of the country can alone enable the people to maintain the National faith with the creditors of the Government and sustain the onerous burdens of taxation, which in the form of income tax, stamp duty, Licenses, &c., they are now compelled to pay, in consequence of our enormous National debt.

It is carefully and skillfully prepared from Wild Cherry Bark and Seneca Snake Root, by Dr. Levi Oberholzer, a reputable physician of Phoenixville, Pa., and is sold by nearly all druggists and country storekeepers."
