Negro Equality is the Question.

A few years ago scarce an individual, even among the Republican ranks, could be found openly declaring in favor of Abolitionism.

At this time we find a similar ground laid upon which Puritanism intends to degrade the white race to an equality with blacks.

There is no use talking, Col. CAMPBELL can't beat Col. LINTON for Surveyor General of this State.

PATRIOT AND UNION.—In another column of the STAR will be found the Prospectus of the Patriot and Union, for the campaign of 1865.

Negro Suffrage.

Both Republican papers in Susquehanna county admit negro suffrage. The Montrose Republican says editorially, "We are in favor of negro suffrage."

The above named Republican papers are a little more honest than many other papers belonging to their party. They declare at once in favor of "negro suffrage"

There is no use talking, Col. CAMPBELL can't beat Col. LINTON for Surveyor General of this State. The latter was a faithful and brave soldier, while the former was all that was necessary in the eyes of a Black Republican administration to hold a commission and enjoy the emoluments of a lucrative position.

Horrible Outrage in Missouri.

On Thursday afternoon last, Judge Lewis F. Wright and four of his sons were cruelly and inhumanly murdered by the road side, on the route from Rolla to Houston, some five miles southwest of the former place.

It appears that this Colonel and his squad of militia, on Tuesday last, went to the residence of Judge Wright, in Phelps county, about ten miles from Rolla. They remained there until Thursday. On that day they arrested Judge Wright and five of his sons.

The Judge then mounted on a horse by himself, and his four sons upon two other horses, under guard of the squad of militia ostensibly to be taken to Rolla. Before reaching that point as above stated, they were all inhumanly butchered and their bodies left lying in the brush by the road side.

About five o'clock Thursday evening word came to Rolla that the murders had been committed, creating intense feelings of sorrow and indignation. Nothing however, was done in the matter that evening.

The Judge is represented to us as being about 60 years of age, and an estimable citizen. For the past 25 years he had resided in Phelps county, and held the office of County Judge for a number of years prior to the war.

There has, of late, been a great mortality among the Loyal Leaguers in every Northern State, a large number having been inhumanly murdered by returned soldiers, for having been too attentive to their wives while the brave boys were absent in the army.

We understood that some days previous, this Colonel Babcock started either from Jefferson City, or the northern part of Miller county, with a detachment of forty or more men, on his errand of blood.

On the 20th of April, 1865, by the Rev. J. J. Leecher, Mr. Henry Sessler, of Montour county, Pa., and Mrs. Catharine L. Appleman, of Columbia county, Pa.

In Saguarloaf township, of Dysenotary, on the 28th of July, Mathias W., son of Gilbert and Mary Hess, aged 8 years.

The Unconstitutional Oath in Missouri.

Matters in our neighboring State are rapidly approaching a crisis. The oath required by the late convention, in their so-called Constitutional Convention, is being generally refused by both clergy and laity.

Able articles have appeared in the St. Louis papers denouncing the requirement to take the oath as tyrannical, indefensible and unnecessary. A masterly letter, written to the Attorney General of the State by G. L. T. Davis, one of the ablest jurists of Missouri, appeared in the Missouri Republican, on Monday last, and attracted general attention.

As with the lawyers, so with the clergy. A determined opposition is evinced to taking this unnecessary oath. The Catholic clergy have agreed unanimously to refuse it, we are informed, and other denominations.

The main objections to this infamous oath are stated to be in this, that it proposes to hold the people subject for their sympathies. Human laws never heretofore considered the cherishing of a sympathy as criminal.

Every indication points to a speedy breaking up of the political elements in Missouri. We pity that untappy people. As if she had not suffered sufficient during the rebellion, a party of rabid fanatics are now seeking to plunge her in a "lower deep" of horror and suffering.
