STAR OF THE NORTH
BLOOMSBURG, PA.
WEDNESDAY, SEPT. 27, 1865.

UNCLE JOHN'S REFLECTIONS, No. 2, will appear in our next.

HENRY SHIPTON will offer personal property for sale at his residence in Scott town, on Saturday next.

WANTED—A good girl, to do kitchen work for a small family, to whom fair wages will be paid. Apply at this office.

The Post Office at this place was removed last week to the New Building erected no through west corner of Market street.

The Ladies are looking very blue, whether it is remote blue, or blue with a black shade that makes their color so apparent, we cannot say, but reckon it 'nigger' has something to do with the coloring.

Rowdyism has been nightly rampant in our streets during the past week. A noisy, following crew, have monopolized the sidewalk in front of certain places, interfering with quiet pedestrians. Go slow boys, and let the people pass.

The Herald published at Jerseyshore, Lycoming co., by Snyder & Coleman, came to us last week enlarged and improved. It is a valuable acquisition to the Democracy of old Lycoming. The paper was started but a short time ago neutral in politics. It bids fair to do well.

WANTED—One thousand men, a Brigade General, and a Battery of light Artillery, to guard the "lateness citizens" of Columbia county while they are on the way to the polls to deposit their Democratic votes for their hero candidates. No Shoddy contractor, or delinquent Provost Marshal need apply.

One of the chief reasons set forth by the Abolition press why the people should vote for Jacob M. Campbell for Surveyor General is, that he has invested \$20,000 in Seven Trifles which is exempt from taxation, and the poor, laboring people have got to pay him the interest upon it.

ARTHUR'S MAGAZINE for October is on hand, full, as usual, with most excellent reading matter. The illustrations patterns, etc., are fine and attract considerable attention. This Magazine would grace any centre table. The ladies are not backward in sending for it. They soon understand which Magazine to send for. Try it, and be convinced.

A. B. LONGENEK, Secretary of the State Agricultural Society, will please accept our thanks for a complimentary ticket sent us. Understanding that that Society has become Abolitionized, we shall not condescend to the concern sufficiently to attend. We saw it announced in some of our exchanges that the exhibitions were to be spiced up with Abolition harangues. Quite an ideal! It won't pay. Shoddy is on the downward road.

W. G. MORGAN, Esq., has disposed of the West Branch Democrat, published at Williamsport, to THOMAS SMITH, Esq., who will hereafter continue the paper. Welcome Mr. Smith in the editorial ranks. Success attend the retiring editor in whatever pursuit he may engage; for we feel pretty sure that he did not amass a fortune in the newspaper business if his lack run in any wise with ours.

ENTERING—The Methodist congregation at this place held a meeting the other evening to solicit funds to educate Negro Ministers, and are now begging contributions to pay for a paragon. We suggest that it would increase their subscription and congregation tenfold, if they would pludge themselves that after the present income they should be filled by a man who professes "Christ and him crucified," and not "Negro Equality."

THE ATTENTION of all good citizens is called to the Proclamation of the Sheriff, as published in another column, announcing the coming fall election; especially to that part of the law of the Commonwealth, recited in the proclamation, respecting the rights of citizens to the elective franchise. It is the duty of all good men to see that every person qualified under the Laws of the State to vote, should be in no way impeded in the exercise of his right on the day of election; and to afford all proper and reasonable facilities to all qualified persons to exercise this right. It is hoped that the day of military and other unlawful interference is passed. But let no man be afraid. Only let us take care that no such interference is attempted. The notion that any person hereunto qualified has been disqualified, by any act of Congress or any presidential proclamation is silly, and only entertained by men of the calibre of Dr. John.

Through the kindness of J. B. Ewing, Esq., we received one of the first numbers of the Dauphin County True in Harrisburg, a campaign paper just issued in Harrisburg, against the Cameron interest. It supports the Republican State Ticket, but for our legislators it advocates the claims of our friends, Col. ALLEN and Dr. Heck. Col. ALLEN was one of the most active and best Members in the House last winter. We hope he may be re-elected. If a Republican is to be elected from that District we wish to see no fairer, no more honorable man than Col. ALLEN gain the position. Dr. Heck has had Legislative experience, having been a Member a few years ago. His nomination is a capital one. Col. ALLEN and the Doctor would make a strong team in the House. They ought to be elected!

AGRICULTURAL CHEMICAL CO'S. CHEAP FERTILIZERS.

THE Fertilizers prepared by the Agricultural Chemical Co., (a Company incorporated by the Legislature of Pennsylvania with a capital of \$250,000) have been proved in practice to be the cheapest, most profitable and best, for the Farmer, Gardener and Fruit grower, of all concentrated manures now offered in any market. Our Company's list embraces the following—

P-BULETTE.

This Fertilizer is composed of high soil and the fertilizing agents of urine, combined chemically and mechanically with other valuable fertilizing agents and absorbents. It is reduced to a pulverulent condition; ready for immediate use, and without loss of its highly nitrogenous fertilizing properties.

CHEMICAL COMPOST.

The Fertilizer is largely composed of animal matter, such as meat, bone, fish, leather and wool, together with chemical and organic fertilizers, which decompose the mass, and retain the nitrogenous elements.

It is a very valuable fertilizer for field crops generally, and especially for potatoes and garden purposes. Its excellent qualities, strength and cheapness, have made it very popular with all who have used it.

COMPOSITE FERTILIZER.

This highly phosphate fertilizer is particularly adapted for the cultivation of trees, fruits, lawns and flowers. It will promote very vigorous and healthy growth of wood fruit, and largely increase the quantity and perfect the maturity of the fruit.

PHOSPHATE OF LIME.

The Agricultural Chemical Company manufactures a Phosphate of Lime in accordance with a new and valuable formula by which a very superior article is produced, as to be afforded at a less price than other manufacturers charge. Practical tests have proved that its value, as a fertilizer, is equal to the best Phosphate of Lime in the market.

PROSPECTUS OF THE PHILADELPHIA AGE, 1865.

THE only Democratic Daily Morning Journal published in Philadelphia.

The publishers of the Philadelphia AGE invite the learned and discerning men, thinking men, literary men and all who are interested in the various occupations and pursuits of life, to the DAILY and WEEKLY editions of their Journal.

The Philadelphia Age, which advocates the principles and policy of the democratic party, is published every morning (Sunday excepted), and contains the latest intelligence from all parts of the world; with carefully prepared articles on Government, Politics, Trade, Finance, and all the current questions and affairs of the day; Local Intelligence, Market Reports, Price Current, Stock quotations, Marine and Commercial Intelligence, Reviews of Public Gatherings, Foreign and Domestic Correspondence, Legal Reports, Book Notices, Theatrical Criticisms, Reviews of Literary and Music, Agricultural Matters, and discussions of whatever subject is of general interest and importance.

No event of any importance occurs in any part of the country without being fully and promptly telegraphed to and published in its columns. It has all the despatches of the Associated Press from every part of the United States, and the news from all parts of Europe brought by the steamers in its daily telegraphed. From whatever point the telegraph lines connect, it reaches.

Terms—Ten Dollars per annum, for a single copy. Five Dollars, for six months. Two Dollars and Fifty cents, for three months. And for any less time at the rate of One Dollar per month, payment required invariably in advance.

Most of the material is furnished by the Daily AGE. It also contains a great variety of other literary and miscellaneous matter, including Tales, Sketches, Biography, Fables, and Poetry, rendering it in all respects a First Class Family Journal, particularly adapted to the attention of the Merchant, the Farmer, the Literary Student, and the General Reader.

The WEEKLY AGE is mailed in season to reach all parts of Pennsylvania, New Jersey, Delaware, Maryland, or on being sent Saturdays of each week.

SPECIMEN COPIES of the above paper sent gratis to any address, on application.

TO ADVERTISERS.—The circulation of the Philadelphia AGE, which is steadily and rapidly growing, makes it at least a valuable medium for advertising as any other commercial and business newspaper published in Philadelphia; and the fact that it reaches a large class of conservative readers, scattered over a vast extent of country, who do not take any other Philadelphia paper, commends it, to an extraordinary degree, as a means of communicating with the public not possessed by any other Journal published in this city.

The AGE is now established on a new and permanent foundation. The publishers could easily fill their columns with unsought and most liberal commendations of the press throughout the country; but they prefer that it should stand altogether upon claims to public confidence well known and established. It will be, however, the supporter of the National, Conservative, Democratic, Union Principles, opposed alike to radicalism and fanaticism in every form, and devoted to the advancement of Good Government, Law, and Order. The revival of all the business relations of the country, consequent upon the suppression of the rebellion and the restoration of public peace, will create for us a number of important positions in the various departments of this Journal, and they, therefore, respectfully solicit the support of all who wish to secure our best Commercial, Literary, Business, and Family newspapers in the country.

Now is the time to subscribe. Address, GLOSSBURNER & WELSH, No. 430 Chestnut Street, PHILADELPHIA, June 7, 1865.
